My South African Year Charles Dawbarn,1921 **In My Remaining Years** Jean Grae,2025-03-18 A collection of darkly humorous intensely personal essays by cult fave and multi hyphenate artist Jean Grae In My Remaining Years by creative juggernaut Jean Grae debunks the myth that coming of age narratives should be reserved for the kids providing a much needed rallying cry for those of us still trying to figure it out in our forties These laugh out loud essays cover everything from aging gracefully with and without botox what happens when you look for community and almost start a cult befriending childhood demons Hi Mumm ra gender fluidity in middle age the cost of being too fabulous and the various gymnastics we do to avoid becoming our parents taking us from her childhood in 1980s New York City to present day Baltimore In these pages Jean captures magic in a bottle distilling the feeling of hanging out with your smartest funniest and most brutally honest best friend Memories of my Africa: enjoying Africa and its people Bob Landheer,2014-05-22 Bob Landheer lived and worked in Africa as a teacher for a total of eleven years Those were the best years of my life I don t deny all the bad things that have been and are happening But there is a more positive side to Africa also This is what my book is about He wrote this book for his grandchildren Now retired he lives in Hilversum the Netherlands My African Conquest Julia Albu,2019-09-23 Next year I m going to be 80 years old My car will be 20 years old Together we ll be 100 We re going to drive to London And what route are you going to take I have no idea I think I ll keep to the right When 80 year old Julia Albu calls into her favourite radio show with a zany half baked idea she has no idea that it will lead her to the adventure of a lifetime With her trusty 20 year old old Toyota Conquest Tracy a giant map and unbounded enthusiasm Julia sets off on the long drive through Africa and into the UK where she hopes to meet the Queen of England Beginning in South Africa she travels through deserts over mountains and across grassy plains All along the way she is accompanied by family and friends She stays in hotels and hovels breakfasts with a giraffe and hangs out with baboons and meets a host of colourful characters who all can t help but be drawn to the charming white haired octogenarian in their midst My African Conquest is a funny feel good story about adventuring through life and never acting your age **Eleven Years in Central South Africa** Thomas Morgan Thomas,1971 An important surviving source for the study of the spectacular and short lived kingdom of Ndebele In the literature of pre conquest Rhodesia Thomas book stands out by virtue of its ethnographical and political material about the Ndebele under Mzilikazi and Lebengula *Travels in Africa During the Years 1875[-1886]* Wilhelm Junker,1892 *The South African Year-book* ,1914 **Official Year Book of the Union [of South Africa] and of Basutoland, Bechuanaland Protectorate, and Swaziland** ,1925 My African Mission Pietro Giacomo Menolfi,2011-10 We the soul of this book are still linked to the world of the solidarity the misdoings of some organisations are not cited for undermining the general opinion Rather we are sure that the book would be important for a better understanding in order to give the people the possibility to know and to separate what is good from what is bad When we try to help others we must not do it because

we expect to receive a prize but because it is something giving wellness to us to our families to the little world surrounding us and to the whole world Helping other people creates a best world and this is the world in which our children and we also live
