RICHARD PIPES

Russia Under The Old Regime

D. C. B. Lieven

Russia Under The Old Regime:

Russia Under the Old Regime Richard Pipes, 1995 Discusses the evolution of the Russian state from the ninth century to the 1880s including the geography development of government and political behavior of major social groups **Russia**

Under the Old Regime Richard Pipes, 1974 The theme of this book is the political system of Russia It traces the growth of the Russian state from its beginnings in the ninth century to the end of the nineteenth and the parallel development of the principal social orders peasantry nobility middle class and clergy The question which it poses is why in Russia unlike the rest of Europe to which Russia belongs by virtue of her location race and religion society has proven unable to impose on political authority any kind of effective restraints After suggesting some answers to this problem I go on to show how in Russia the opposition to absolutism tended to assume the form of a struggle for ideals rather than for class interests and how the imperial government challenged in this manner responded by devising administrative practices that clearly anticipate those of the modern police state Foreword

Rural Russia Under the Old Regime Geroid T. Robinson, 1967-08-01 Geroid Tanquary Robinson founder and first director of the Russian Institute at Columbia University Chief of the U S S R Division Research and Analysis Branch U S Office of Strategic Services 1941-45 holder of the Medal of Freedom has produced a book that is by general consensus supreme in its field The work makes a major contribution to the understanding of the struggle of the peasantry with the old landlords and the Imperial Government and consequently offers an illuminating approach to the struggle between the Communist Government and the most stubborn and massive domestic force this Government has faced the peasant opposition

Russia Under the Bolshevik Regime Richard Pipes, 2011-05-04 From the acclaimed authority on Russia and the Russian Revolution the final volume in his magisterial history of the Russian Revolution covering the period from the outbreak of the Civil War in 1918 to Lenin's death in 1924 Offers a penetrating analysis of the making of the Soviet system It is a passionate book whose outstanding scholarship is rooted in universal values like truth honor responsibility and the sacredness of human life Philadelphia Inquirer Timely The work is enriched in intriguing ways by the author's access to the once secret archives of the Soviet Union Los Angeles Times

Karl W. Ryavec, 2005 This unique study provides an original nitty gritty view of the true nature and operation of Russia's state bureaucracy from the imperial period to the present including the Putin presidency The only book length exploration of the problems and deficiencies of Russian bureaucracy since tsarist times this detailed work sheds important new light on Russian public administration an often overlooked but key barrier to Russian normalization and democratization

Russia Under the Old Regime Richard Pipes, 1992 The author traces with compelling detail the evolution of the Russian state where the Tsar claimed to own the land and its inhabitants as if they were his own personal property Professor Pipes analyzes the political behavior of Russia's peasantry nobility and bourgeoisie as well as its clergy showing why none of them could limit the absolute power of the state He discusses how the intelligentsia challenged the Tsars power leading to increased repression and Russia's development as

a bureaucratic police state This sweeping epic brings Russia's turbulent history to life and helps us better understand the roots of modern Russia **Rural Russia Under the Old Régime** Geroid Tanquary Robinson, 1949 **Russia in the Early Modern World** Donald Ostrowski, 2022-01-25 A fundamental problem in studying early modern Russian history is determining Russia's historical development in relationship to the rest of the world The focus throughout this book is on the continuity of Russian policies during the early modern period 1450-1800 and that those policies coincided with those of other successful contemporary Eurasian polities The continuities occurred in the midst of constant change but neither one nor the other continuities or changes alone can account for Russia's success Instead Russian rulers from Ivan III to Catherine II with their hub advisors managed to sustain a balance between the two During the early modern period these Russian rulers invited into the country foreign experts to facilitate the transfer of technology and know how mostly from Europe but also from Asia In this respect they were willing to look abroad for solutions to domestic problems Russia looked westward for military weaponry and techniques at the same time it was expanding eastward into the Eurasian heartland The ruling elite and by extension the entire ruling class worked in cooperation with the ruler to implement policies The Church played an active role in supporting the government and in seeking to eliminate opposition to the government **Rural Russia Under the Old Régime** Geroid Tanquary Robinson, 1967 *Rural Russia Under the Old Regime* Geroid T. Robinson, 1967-08-01 Geroid Tanquary Robinson founder and first director of the Russian Institute at Columbia University Chief of the U S S R Division Research and Analysis Branch U S Office of Strategic Services 1941-45 holder of the Medal of Freedom has produced a book that is by general consensus supreme in its field The work makes a major contribution to the understanding of the struggle of the peasantry with the old landlords and the Imperial Government and consequently offers an illuminating approach to the struggle between the Communist Government and the most stubborn and massive domestic force this Government has faced the peasant opposition **Russia Under the Last Tsar** Theofanis G. Stavrou, 1969 The reign of Russia's last tsar Nicholas II from 1894 to 1917 constitutes a period of continuing controversy among historians Interesting in its own right it is also a time of great importance to an understanding of the cataclysmic events which follow **Russia under Western Eyes** Martin E. Malia, 2009-06-30 A dazzling work of intellectual history by a world renowned scholar spanning the years from Peter the Great to the fall of the Soviet Union this book gives us a clear and sweeping view of Russia not as an eternal barbarian menace but as an outermost if laggard member in the continuum of European nations

Russian and West European Women, 1860-1939 Marcelline J. Hutton, 2001 This ambitious study provides a sweeping overview of the position of women in England France Germany and Russia USSR from 1860-1939 The book illustrates their struggles to realize their dreams and their resourcefulness in coping with often dreary hard even horrifying lives Deftly combining statistical data to underscore collective experiences and belles lettres to highlight the texture of individual women's lives the book assesses the significance of gender class nationality and religion This richly researched work traces common

patterns and unique experiences in women's lives by showing how they defined themselves, coped with daily life and confronted disaster with courage and resourcefulness

Russia Under Soviet Rule N. de Basily, 2017-07-06 The author of this book was in a position which allowed him to become thoroughly conversant with the working of the Government machinery in Russia and in this volume originally published in 1938 he presents the situation in Soviet Russia as it developed since the Revolution of 1917 and discusses the events which led up to it Based mainly on information drawn from Soviet sources which the author acknowledges may not be impartial the author nevertheless maintains that a clear outline of the real situation may be inferred

Russia's Rulers Under the Old Regime D. C. B. Lieven, 1989

Rural Russia Under the Old Regime; a History of the Landlord Geroid Tanquary Robinson, 1967

Crisis in the Caucasus: Russia, Georgia and the West Paul B. Rich, 2013-09-13 This collection of essays by a series of academic specialists examines the crisis stemming from the Russian invasion of Georgia in August 2008 from a range of standpoints The chapters probe the geopolitical and strategic dimensions of the crisis as well as the longer term military and diplomatic implications for Europe and the central Asian region The collection will be of major importance to students of Russia and Eastern Europe military analysts as well as journalists and politicians concerned with what some observers have termed a new cold war between Russia and the West This book was published as a special issue of *Small Wars and Insurgencies*

Forge of Empires Michael Knox Beran, 2007-10-16 In the space of a single decade three leaders liberated tens of millions of souls remade their own vast countries and altered forever the forms of national power Abraham Lincoln freed a subjugated race and transformed the American Republic Tsar Alexander II broke the chains of the serfs and brought the rule of law to Russia Otto von Bismarck threw over the petty Teutonic princes defeated the House of Austria and the last of the imperial Napoleons and united the German nation The three statesmen forged the empires that would dominate the twentieth century through two world wars the Cold War and beyond Each of the three was a revolutionary yet each consolidated a nation that differed profoundly from the others in its conceptions of liberty power and human destiny Michael Knox Beran's *Forge of Empires* brilliantly entwines the stories of the three epochal transformations and their fateful legacies Telling the stories from the point of view of those who participated in the momentous events among them Walt Whitman and Friedrich Nietzsche Mary Chesnut and Leo Tolstoy Napoleon III and the Empress Eugénie Beran weaves a rich tapestry of high drama and human pathos Great events often turned on the decisions of a few lone souls and each of the three statesmen faced moments of painful doubt or denial as well as significant decisions that would redefine their nations With its vivid narrative and memorable portraiture *Forge of Empires* sheds new light on a question of perennial importance How are free states made and how are they unmade In the same decade that saw freedom's victories one of the trinity of liberators revealed himself as an enemy to the free state and another lost heart What Lincoln called the germ of freedom which was to grow and expand into the universal liberty of mankind came close to being annihilated in a world crisis that pitted the free state against new

philosophies of terror and coercion *Forge of Empires* is a masterly story of one of history's most significant decades

Russian Approaches to International Law Lauri Mälksoo, 2015-03-05 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence. It is free to read on the Oxford Academic platform and offered as a free PDF download from OUP and selected open access locations. This book addresses a simple question: how do Russians understand international law? Is it the same understanding as in the West, or is it in some ways different, and if so, why? It answers these questions by drawing on three different yet closely interconnected perspectives: history, theory, and recent state practice. The work uses comparative international law as starting point and argues that in order to understand post-Soviet Russia's state and scholarly approaches to international law, one should take into account the history of ideas in Russia. To an extent, Russian understandings of international law differ from what is considered the mainstream in the West. One specific feature of this book is that it goes inside the language of international law as it is spoken and discussed in post-Soviet Russia, especially the scholarly literature in the Russian language, and relates this literature to the history of international law as discipline in Russia. Recent state practice, such as the annexation of Crimea in 2014, Russia's record in the UN Security Council, the jurisprudence of the European Court of Human Rights, prominent cases in investor state arbitration, and the creation of the Eurasian Economic Union, are laid out and discussed in the context of increasingly popular civilizational ideas: the claim that Russia is a unique civilization and therefore not part of the West. The implications of this claim for the future of international law, its universality and regionalism, are discussed. *Lineages of the Absolutist State* Perry

Anderson, 2013-03-12 Forty years after its original publication, *Lineages of the Absolutist State* remains an exemplary achievement in comparative history. Picking up from where its companion volume, *Passages from Antiquity to Feudalism*, left off, *Lineages* traces the development of Absolutist states in the early modern period from their roots in European feudalism and assesses their various trajectories. Why didn't Italy develop into an Absolutist state in the same indigenous way as the other dominant Western countries, namely Spain, France, and England? On the other hand, how did Eastern European countries develop into Absolutist states similar to those of the West when their social conditions diverged so drastically? Reflecting on examples in Islamic and East Asian history as well as the Ottoman Empire, Anderson concludes by elucidating the particular role of European development within universal history.

Delve into the emotional tapestry woven by in **Russia Under The Old Regime** . Russia Under The Old Regime Introduction

In today's digital age, the availability of Russia Under The Old Regime books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russia Under The Old Regime books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russia Under The Old Regime books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russia Under The Old Regime versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russia Under The Old Regime books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russia Under The Old Regime books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russia Under The Old Regime books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students.

and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russia Under The Old Regime books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russia Under The Old Regime books and manuals for download and embark on your journey of knowledge?

FAQs About Russia Under The Old Regime Books

What is a Russia Under The Old Regime PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russia Under The Old Regime PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russia Under The Old Regime PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russia Under The Old Regime PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russia Under The Old Regime PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size,

making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
