and cities they paid a heavy price in casualties and equipment losses A carefully planned Ukrainian counteroffensive in the summer forced the invaders into a series of humiliating retreats As winter approached the Russians still held considerable territory but the initiative and strategic momentum had clearly swung to the defenders The illusion of Russian invincibility was shattered forever US Major General retired John S Harrel a graduate of the US Army War College trained with the Ukrainian army in the 1990s and in 2006 and commanded Ukrainian troops as part of the NATO force in Kosovo in 2005 His military expertise and detailed knowledge of the combatants informs this clear narrative and analysis of the course of the first 10 months of the war He gives the reasons for the failure of the Russian invasion and conversely explains how the Ukrainian defense exceeded expectations while acknowledging that strategic mistakes were made on both sides
