**N. Zakharov**

## **Russian Intellectual Antisemitism In The Post Communist Era:**

*Russian Intellectual Antisemitism in the Post-Communist Era* Vadim Joseph Rossman, 2002-01-01 Antisemitism has had a long and complex history in Russian intellectual life and has revived in the post Communist era In their concept of the identity of the Jewish people many academics and other thinkers in Russia continue to cast Jews in a negative or ambivalent role An inherent rivalry exists between Russia and the Jews because Russians have often viewed themselves whether through the lens of atheistic communism or that of the most conservative elements of the Orthodox Church as a chosen people whose destiny is to lead the way to world salvation In this book Vadim Rossman presents the foundations and present influence of intellectual antisemitism in Russia He examines the antisemitic roots of some major trends in Russian intellectual thought that emerged in earlier decades of the twentieth century and are still significant in the post Communist era neo Eurasianism Eurasian historiography National Bolshevism neo Slavophilism National Orthodoxy and various forms of racism Such extreme right wing ideology continues to appeal to a certain segment of the Russian population and seems unlikely to disappear soon Rossman confronts and challenges a range of disturbing sometimes contradictory but often quite sophisticated antisemitic ideas posed by Russian sociologists historians philosophers theologians political analysts anthropologists and literary critics

Political Anti-Semitism in Post-Soviet Russia Vyacheslav Likhachev, 2012-02-03 Anti Semitism was a major feature of both late Tsarist and Stalinist as well as neo Stalinist Russian politics What does this legacy entail for the emergence of post Soviet politics What are the sources ideologies permutations and expressions of anti Semitism in recent Russian political life Who are the main protagonists and what is their impact on society This book shows that anti Semitism is alive and well in contemporary Russia in general and in her political life in particular The study focuses on anti Semitism in political groups mass media and religious organizations from the break up of the Soviet Union until shortly before the elections to the fourth post Soviet State Duma which saw the entry of a major new nationalist grouping Rodina Motherland into the Russian parliament The author analyzes various justifications for anti Semitism its manifestations and its ups and downs during this period The book chronicles Russian federal and regional elections which served as a reality check for the ultra nationalists Several sections are devoted to the role of anti Semitism in political associations including marginal neo Nazi groups mainstream nationalist parties and the successor organizations of the Communist Party of the Soviet Union A special section covers the financial sources for post Soviet anti Semitic publications The author considers anti Semitism within a wider context of religious and ethnic intolerance in Russian society Likhachev as a result compiles a Who is Who of Russian political anti Semitism His book will serve as a reliable compendium and obligatory starting point for future research on post Soviet xenophobia and ultra nationalist politics

**Jewish Identities in Postcommunist Russia and Ukraine** Zvi Y. Gitelman, 2012-10-15 The most comprehensive surveys ever undertaken of Jews in Russia and Ukraine show that their sense of Jewishness is powerful but detached from religion Their understandings of Jewishness differ from those of Jews elsewhere

and create tensions in their interactions with other Jews especially in Israel This book examines in depth post Soviet Jews attitudes toward religion intermarriage emigration anti Semitism and rebuilding Jewish life Russian Nationalism and the National Reassertion of Russia Marlene Laruelle,2009-05-07 This book considers a wide range of aspects of Russian nationalism focussing on the Putin period It discusses the development of Russian nationalism including in the Soviet era examines how it relates to ideology culture racism religion and intellectual thinking and its affects on Russian society politics and foreign policy

**Religion and Language in Post-Soviet Russia** Brian P. Bennett,2011-04-29 Church Slavonic one of the world s historic sacred languages has experienced a revival in post Soviet Russia Blending religious studies and sociolinguistics this is the first book devoted to Church Slavonic in the contemporary period It is not a narrow study in linguistics but uses Slavonic as a passkey into various wider topics including the renewal and factionalism of the Orthodox Church the transformation of the Russian language and the debates about protecting the nation from Western cults and culture It considers both official and popular forms of Orthodox Christianity as well as Russia s esoteric and neo pagan traditions Ranging over such diverse areas as liturgy pedagogy typography mythology and conspiracy theory the book illuminates the complex interrelationship between language and faith in post communist society and shows how Slavonic has performed important symbolic work during a momentous chapter in Russian history It is of great interest to scholars of sociolinguistics and of religion as well as to Russian studies specialists

**Religion and Secular Modernity in Russian Christianity, Judaism, and Atheism** Ana Siljak,2024-11-15 Religion and Secular Modernity in Russian Christianity Judaism and Atheism is a multifaceted account of the engagement between religion and the secular in Russia s Christian Jewish and atheist traditions Ana Siljak brings together an interdisciplinary group of leading scholars to present unique perspectives on the secularization dynamic in Russia and the Soviet Union telling stories about theologians sects churches poets and artists From the Jewish Christian priest Alexander Men to the cross dressing poet Zinaida Gippius to the Soviet promoter of Yiddish theater Solomon Mikhoels Religion and Secular Modernity in Russian Christianity Judaism and Atheism gives a voice to a variety of actors who have grappled with the possibilities of faith and unbelief in an industrialized modern and seemingly secular world Now more than ever as one narrative of Russia s religious history dominates official Russian accounts alternative perspectives of the relationship between Russian religion and secularism should be highlighted and emphasized

Fortress Russia Ilya Yablokov,2018-08-27 Allegations of Russian conspiracies meddling in the affairs of Western countries have been a persistent feature of Western politics since the Cold War allegations of Russian interference in the US presidential election are only the most recent in a long series of conspiracy allegations that mark the history of the twentieth century But Russian politics is rife with conspiracies about the West too Everything bad that happens in Russia is traced back by some to an anti Russian plot that is hatched in the West Even the collapse of the Soviet Union this crucial turning point in world politics that left the USA as the only remaining superpower was according to some Russian conspiracy theorists

planned and executed by Russia's enemies in the West This book is the first ever study of Russian conspiracy theories in the post Soviet period It examines why these conspiracy theories have emerged and gained currency in Russia and what role intellectuals have played in this process The book shows how in the new millennium the image of the dangerous conspiring West provides national unity and has helped legitimize Russia's rapid turn to authoritarianism under Vladimir Putin

Embodied Differences Henrietta Mondry, 2021-03-02 This book analyzes the ways in which literary works and cultural discourses employ the construct of the Jew's body in relation to the material world in order either to establish and reinforce or to subvert and challenge dominant cultural norms and stereotypes It examines the use of physical characteristics embodied practices tacit knowledge and senses to define the body taxonomically as normative different abject or mimetically desired Starting from the works of Gogol and Dostoevsky through to contemporary Russian Jewish women's writing broadening the scope to examining the role of objects museum displays and the politics of heritage food the book argues that materiality can embody fictional constructions that should be approached on a culture specific basis *The Paranoid Apocalypse* Richard Landes, Steven T. Katz, 2012 This text re-examines The Protocols of the Elders of Zion's popularity investigating why it has persisted as well as larger questions about the success of conspiracy theories even in the face of claims that they are blatantly counterfactual and irrational

Race and Racism in Russia N. Zakharov, 2015-03-23 Race and Racism in Russia identifies the striking changes in racial ideas practices exclusions and violence in Russia since the 1990s revealing how Russianness has become a synonym for racial whiteness This ground breaking book provides new theories and substantive insights into race and ethnicity in a Russian context **Handbook of Conspiracy Theory and Contemporary Religion** Asbjørn Dyrendal, David G. Robertson, Egil Asprem, 2018-10-02 Conspiracy theories are a ubiquitous feature of our times The Handbook of Conspiracy Theories and Contemporary Religion is the first reference work to offer a comprehensive transnational overview of this phenomenon along with in depth discussions of how conspiracy theories relate to religion's

Bringing together experts from a wide range of disciplines from psychology and philosophy to political science and the history of religions the book sets the standard for the interdisciplinary study of religion and conspiracy theories **Jewish**

**Voices in Feminism** Nelly Las, 2015-08-01 Original French language edition Voix juives dans le féminisme Raesonances franocaises et anglo-americaïnes A2011 Paris Russian Nationalism Marlene Laruelle, 2018-10-10 This book by one of the foremost authorities on the subject explores the complex nature of Russian nationalism It examines nationalism as a multilayered and multifaceted repertoire displayed by a myriad of actors It considers nationalism as various concepts and ideas emphasizing Russia's distinctive national character based on the country's geography history Orthodoxy and Soviet technological advances It analyzes the ideologies of Russia's ultra nationalist and far right groups explores the use of nationalism in the conflict with Ukraine and the annexation of Crimea and discusses how Putin's political opponents including Alexei Navalny make use of nationalism Overall the book provides a rich analysis of a key force which is profoundly

affecting political and societal developments both inside Russia and beyond »Truth« and Fiction Jens Herlth, Alois Woldan, Peter Deutschmann, 2020-07-30 Several of the most prolific and influential conspiracy theories have originated in Eastern Europe The far reaching influence of conspiracy narratives can be observed in recent developments in Poland or with regard to the wars waged in Eastern Ukraine and in former Yugoslavia This volume analyses the history behind this widespread phenomenon as well the role it has played in Eastern European cultures and literature both past and present

**Lenin's Jewish Question** Yohanan Petrovsky-Shtern, 2010-08-31 The grandson of a Jew whose Jewish relatives converted to Christianity whose allies played down his Jewish origins just as fervently as his enemies played them up V I Lenin makes for a fascinating case study of the many complexities associated with Jewish question in Russia **Offenders Or Victims?** Olaf Blaschke, 2009-12-01 Antisemitism is generally thought to derive from chimerical images of Jews who became the victims of these projections Some scholars however allege that the Jews own conduct was the main cause of the hatred directed toward them in the nineteenth and twentieth centuries Olaf Blaschke takes up this provocative question by considering the tensions between German Catholicism and Judaism in the period of the Kulturkampf Did Catholic resentments merely construct their secular Jew Or did their antisemitism in fact derive from their perceptions of the conduct of liberal Jewish offenders during a period of social stress Blaschke's deeper look at this crucial period of German history particularly as revealed in the Catholic and Jewish presses provides new and sometimes surprising insights **A History of Russian Thought** William Leatherbarrow, Derek Offord, 2010-04-01 The history of ideas has played a central role in Russia's political and social history Understanding its intellectual tradition and the way the intelligentsia have shaped the nation is crucial to understanding the Russia of today This history examines important intellectual and cultural currents the Enlightenment nationalism nihilism and religious revival and key themes conceptions of the West and East the common people and attitudes to capitalism and natural science in Russian intellectual history Concentrating on the Golden Age of Russian thought in the mid nineteenth century the contributors also look back to its eighteenth century origins in the flowering of culture following the reign of Peter the Great and forward to the continuing vitality of Russia's classical intellectual tradition in the Soviet and post Soviet eras With brief biographical details of over fifty key thinkers and an extensive bibliography this book provides a fresh comprehensive overview of Russian intellectual history **The Perennial Conspiracy Theory** Michael Hagemeister, 2021-11-21 The Perennial Conspiracy Theory is a collection of essays on The Protocols of the Elders of Zion a fake document which has created a pernicious antisemitic conspiracy theory The author analyses the murky origins of this notorious forgery and the contested claims of authorship He explores the impact of the Protocols on various countries during the interwar years including Soviet Russia the United Kingdom France Nazi Germany and the United States He also profiles figures closely associated with the dissemination of antisemitic conspiracy theories such as Sergei Nilus and Leslie Fry as well as examining the controversies arising from the famous Bern trial related to the

Protocols The book concludes with an assessment of the ongoing influence of the Protocols in post Soviet Russia This volume will be of interest to researchers and students working in the fields of antisemitism conspiracy theories the far right Jewish studies and modern history     The Catholic Church and the Jews Graciela Ben-Dror,2008-01-01 The impact of events in Nazi Germany and Europe during World War II was keenly felt in neutral Argentina among its predominantly Catholic population and its significant Jewish minority The Catholic Church and the Jews Argentina 1933 1945 considers the images of Jews presented in standard Catholic teaching of that era the attitudes of the lower clergy and faithful toward the country's Jewish citizens and the response of the politically influential Church hierarchy to the national debate on accepting Jewish refugees from Europe The issue was complicated by such factors as the position taken by the Vatican Argentina's unstable political situation and the sizeable number of citizens of German origin who were Nazi sympathizers eager to promote German interests Argentina's self perception was as a Catholic country Though there were few overtly anti Jewish acts traditional stereotypes and prejudice were widespread and only a few voices in the Catholic community confronted the established attitudes     *The Patriotism of Despair* Serguei Alex. Oushakine,2011-02-23 The sudden dissolution of the Soviet Union altered the routines norms celebrations and shared understandings that had shaped the lives of Russians for generations It also meant an end to the state sponsored nonmonetary support that most residents had lived with all their lives How did Russians make sense of these historic transformations Serguei Alex Oushakine offers a compelling look at postsocialist life in Russia In Barnaul a major industrial city in southwestern Siberia that has lost 25 percent of its population since 1991 many Russians are finding that what binds them together is loss and despair The Patriotism of Despair examines the aftermath of the collapse of the Soviet Union graphically described in spray paint by a graffiti artist in Barnaul We have no Motherland Once socialism disappeared as a way of understanding the world what replaced it in people's minds Once socialism stopped orienting politics and economics how did capitalism insinuate itself into routine practices Oushakine offers a compelling look at postsocialist life in noncosmopolitan Russia He introduces readers to the neocoms people who mourn the loss of the Soviet economy and the remonetization of transactions that had not involved the exchange of cash during the Soviet era Moving from economics into military conflict and personal loss Oushakine also describes the ways in which veterans of the Chechen war and mothers of soldiers who died there have connected their immediate experiences with the country's historical disruptions The country the nation and traumatized individuals Oushakine finds are united by their vocabulary of shared pain

When people should go to the books stores, search inauguration by shop, shelf by shelf, it is in fact problematic. This is why we provide the book compilations in this website. It will completely ease you to look guide **Russian Intellectual Antisemitism In The Post Communist Era** as you such as.

By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly.
