news you are going over words word patterns and passages with which you already have a certain familiarity The process of reinforcement learning or retaining of what is new and exposure to what is unfamiliar is much easier this way even though the news may seem a little dated The aim of informing the reader about actual news is secondary especially given that the content will become less current and less relevant over time A Dual Language Book Project 2Language Books *The Twilight of the U.S. Cavalry* Lucian King Truscott, Lucian K.
