Even beyond their deaths, the two novelists stand in contrariety... Tolstoy, the mind intoxicated with reason and fact; Dostoevsky, the contemner of rationalism, the great lover of paradox; ...Tolstoy, thirsting for the truth, destroying himself and those about him in excessive pursuit of it; Dostoevsky, rather against the truth than against Christ, suspicious of total understanding and on the side of mystery; ...Tolstoy, like a colossus bestriding the palpable earth, evoking the realness, the tangibility, the sensible entirety of concrete experience; Dostoevsky, always on the verge of the hallucinatory, of the spectral, always vulnerable to daemonic intrusions into what might prove, in the end, to have been merely a tissue of dreams; ~ George Steiner in *Tolstoy or Dostoevsky: An Essay in the Old Criticism* (1959)

Russian Novelists In The Age Of Tolstoy And Dostoevsky:

Russian Novelists in the Age of Tolstoy and Dostoevsky J. Alexander Ogden, Judith E. Kalb, 2001 Provides a detailed portrait of the styles concerns and historical involvement of the novel in Russia in the second half of the nineteenth century representing an artistic range from master stylists to those who were more a part of popular culture and are important as a reflection of the flavor of the era rather than as artistic exemplars

A History of Russian Literature Andrew Kahn, Mark Naumovich Lipovetskiĭ, Irina Reyfman, Stephanie Sandler, 2018 Russia possesses one of the richest and most admired literatures of Europe reaching back to the eleventh century A History of Russian Literature provides a comprehensive account of Russian writing from its earliest origins in the monastic works of Kiev up to the present day still rife with the creative experiments of post Soviet literary life The volume proceeds chronologically in five parts extending from Kievan Rus in the 11th century to the present day The coverage strikes a balance between extensive overview and in depth thematic focus Parts are organized thematically in chapters which a number of keywords that are important literary concepts that can serve as connecting motifs and case studies in depth discussions of writers institutions and texts that take the reader up close and Visual material also underscores the interrelation of the word and image at a number of points particularly significant in the medieval period and twentieth century The History addresses major continuities and discontinuities in the history of Russian literature across all periods and in particular bring out trans historical features that contribute to the notion of a national literature The volume s time range has the merit of identifying from the early modern period a vital set of national stereotypes and popular folklore about boundaries space Holy Russia and the charismatic king that offers culturally relevant material to later writers This volume delivers a fresh view on a series of key questions about Russia s literary history by providing new mappings of literary history and a narrative that pursues key concepts rather more than individual authorial careers This holistic narrative underscores the ways in which context and text are densely woven in Russian literature and demonstrates that the most exciting way to understand the canon and the development of tradition is through a discussion of the interrelation of major and minor figures historical events and literary politics literary theory and literary innovation

The Cambridge Introduction to Russian Literature Caryl Emerson, 2008-07-10 Russian literature arrived late on the European scene Within several generations its great novelists had shocked and then conquered the world In this introduction to the rich and vibrant Russian tradition Caryl Emerson weaves a narrative of recurring themes and fascinations across several centuries Beginning with traditional Russian narratives saints lives folk tales epic and rogue narratives the book moves through literary history chronologically and thematically juxtaposing literary texts from each major period Detailed attention is given to canonical writers including Pushkin Gogol Dostoevsky Tolstoy Chekhov Bulgakov and Solzhenitsyn as well as to some current bestsellers from the post Communist period Fully accessible to students and readers with no knowledge of Russian the volume includes a glossary and pronunciation guide of key Russian terms as well as a list

of useful secondary works The book will be of great interest to students of Russian as well as of comparative literature

Reframing Russian Modernism Irina Shevelenko, 2018-12-11 Presenting a multifaceted portrait of modernist culture in Russia an array of distinguished scholars shows how artists and writers in the early twentieth century engaged with politics science and religion At a time when many Russian social institutions looked to the past modernist arts powerfully amplified a gamut of new ideas about individual and collective transformation Expanding upon prior studies that focus more specifically on literary manifestations of the movement *Reframing Russian Modernism* features original research that ranges broadly from political aesthetics to Darwinism to yoga These unique complementary perspectives counter reductionism of any kind integrating the study of Russian modernism into the larger body of humanistic scholarship devoted to modernity **A**

Wonder Confronts Certainty Gary Saul Morson, 2023-05-16 A noted literary scholar traverses the Russian canon exploring how realists idealists and revolutionaries debated good and evil moral responsibility and freedom Since the age of Tolstoy Dostoevsky and Chekhov Russian literature has posed questions about good and evil moral responsibility and human freedom with a clarity and intensity found nowhere else In this wide ranging meditation Gary Saul Morson delineates intellectual debates that have coursed through two centuries of Russian writing as the greatest thinkers of the empire and then the Soviet Union enchanted readers with their idealism philosophical insight and revolutionary fervor Morson describes the Russian literary tradition as an argument between a radical intelligentsia that uncompromisingly followed ideology down the paths of revolution and violence and writers who probed ever more deeply into the human condition The debate concerned what Russians called the accursed questions If there is no God are good and evil merely human constructs Should we look for life s essence in ordinary or extreme conditions Are individual minds best understood in terms of an overarching theory or as Tolstoy thought by tracing the tiny alternations of consciousness Exploring apologia for bloodshed Morson adapts Mikhail Bakhtin s concept of the non alibi the idea that one cannot escape or displace responsibility for one s actions And throughout Morson isolates a characteristic theme of Russian culture how the aspiration to relieve profound suffering can lead to either heartfelt empathy or bloodthirsty tyranny What emerges is a contest between unyielding dogmatism and open minded dialogue between heady certainty and a humble sense of wonder at the world s elusive complexity a thought provoking journey into inescapable questions

Russian Prose Writers After World War II Christine Rydel, 2005 Whether the writers in this period described the war the Great Terror the gulag experience exile repression or simply everyday life in the city or in the country they generally turned to a major theme of Russian literature since the Revolution the fate of the individual human being in a mass state In the literature often the state won due to its power at other times individuals triumphed because of their moral convictions The same can be said of these writers

Challenge and Continuity ,2021-09-06 Challenge and Continuity is the first full length attempt to map an important feature of nineteenth and twentieth century literature the thematic novel It analyses it first in D H Lawrence revealing how in The Rainbow and Women in Love the psychology of the characters is brought into a wider social and ideological context that generates their controlling themes Having defined an alternative tradition exemplified by George Eliot and Tolstoy focused primarily on individual development it examines how that kind of interest was aligned in the nineteenth century with the thematic in a loose fashion by Charlotte Bront Turgenev Hardy and Wells and more precisely by Stendhal Flaubert and Emily Bront Challenge and Continuity goes on to identify the core of the thematic tradition in the work of Dickens Hawthorne Melville Dostoevsky and Conrad It is then revealed as a distinguishing feature of modernism in Ford Forster Joyce and Woolf with continuations into Huxley Orwell and Beckett With its complex of well researched links over a very wide area this book should appeal to scholars and students alike and also to the general reader with some knowledge of the field Fyodor
