The Russian Revolution: A Very Short Introduction S. A. Smith, 2002-02-21 This introduction to the Russian Revolution provides a narrative of the main developments between 1917 and 1936 It sees the process as the result of a backward society which sought modernisation and ended in political tyranny **The Russian Revolution** Stephen Anthony Smith, 2002 This introduction to the Russian Revolution provides a narrative of the main developments between 1917 and 1936 It sees the process as the result of a backward society which sought modernisation and ended in political tyranny

Russian History Geoffrey Hosking, 2012-03-29 Spanning the divide between Europe and Asia Russia is a multi ethnic empire with a huge territory strategically placed and abundantly provided with natural resources But Russia's territory has a harsh climate is cut off from most maritime contact with the outside world and has open and vulnerable land frontiers It has therefore had to devote much of its wealth to the armed forces and the sheer size of the empire has made it difficult to mobilise resources and to govern effectively especially given the diversity of its people In this Very Short Introduction Geoffrey Hosking discusses all aspects of Russian history from the struggle by the state to control society the transformation of the empire into a multi ethnic empire Russia's relationship with the West Europe the Soviet experience and the post Soviet era ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **Revolutions: A Very Short Introduction** Jack A. Goldstone, 2014-01-06 From 1789 in France to 2011 in Cairo revolutions have shaken the world In their pursuit of social justice revolutionaries have taken on the assembled might of monarchies empires and dictatorships They have often though not always sparked cataclysmic violence and have at times won miraculous victories though at other times suffered devastating defeat This Very Short Introduction illuminates the revolutionaries their strategies their successes and failures and the ways in which revolutions continue to dominate world events and the popular imagination Starting with the city states of ancient Greece and Rome Jack Goldstone traces the development of revolutions through the Renaissance and Reformation the Enlightenment and liberal constitutional revolutions such as in America and their opposite the communist revolutions of the 20th century He shows how revolutions overturned dictators in Nicaragua and Iran and brought the collapse of communism in the Soviet Union and Eastern Europe and examines the new wave of non violent color revolutions the Philippines Yellow Revolution Ukraine's Orange Revolution and the Arab Uprisings of 2011 12 that rocked the Middle East Goldstone also sheds light on the major theories of revolution exploring the causes of revolutionary waves the role of revolutionary leaders the strategies and processes of revolutionary change and the intersection between revolutions and shifting patterns of global power Finally the author examines the reasons for diverse revolutionary outcomes from democracy to civil war and authoritarian rule and the likely future of

revolution in years to come About the Series Oxford's Very Short Introductions series offers concise and original introductions to a wide range of subjects from Islam to Sociology Politics to Classics Literary Theory to History and Archaeology to the Bible Not simply a textbook of definitions each volume in this series provides trenchant and provocative yet always balanced and complete discussions of the central issues in a given discipline or field Every Very Short Introduction gives a readable evolution of the subject in question demonstrating how the subject has developed and how it has influenced society Eventually the series will encompass every major academic discipline offering all students an accessible and abundant reference library Whatever the area of study that one deems important or appealing whatever the topic that fascinates the general reader the Very Short Introductions series has a handy and affordable guide that will likely prove indispensable

The Origins of the Russian Revolution, 1861-1917 Alan Wood, 2004-06 A concise introduction to the Russian Revolution and its origins dating back to the emancipation of the Russian peasant serfs in 1861

A Short History of the Russian Revolution Geoffrey Swain, 2022-01-27 The 1917 Revolution sent shockwaves throughout the globe setting a chain of events in motion that would change the entire course of the 20th century With the overthrow of the Romanov Dynasty Russia was plunged into the political unknown and from the crucible of social unrest ideological conflict and violent civil war the world's first communist state was forged In this revised edition Geoffrey Swain provides an incisive overview of one of the most complex and turbulent periods in modern history tracing key moments from the abdication of Tsar Nicolas II to the Bolshevik seizure of power A leading authority on Russia and Eastern Europe Geoffrey Swain highlights the important legacies of 1905 demonstrating how early revolutionary ambitions among the masses culminated in the events of 1917 Challenging conventions in Soviet scholarship this revised edition shows that the Bolshevik concepts of discipline and ideology that had mobilised the revolution set an unnecessary course towards dictatorship and terror Covering new historiography in the field this revised edition places a renewed emphasis on the social and cultural upheaval experienced in Russia amid the nation's political turmoil

Documentary Film: A Very Short Introduction Patricia Aufderheide, 2007-11-28 Documentary film can encompass anything from Robert Flaherty's pioneering ethnography *Nanook of the North* to Michael Moore's anti Iraq War polemic *Fahrenheit 9/11* from Dziga Vertov's artful Soviet propaganda piece *Man with a Movie Camera* to Luc Jacquet's heart tugging wildlife epic *March of the Penguins* In this concise crisply written guide Patricia Aufderheide takes readers along the diverse paths of documentary history and charts the lively often fierce debates among filmmakers and scholars about the best ways to represent reality and to tell the truths worth telling Beginning with an overview of the central issues of documentary filmmaking its definitions and

purposes its forms and founders Aufderheide focuses on several of its key subgenres including public affairs films government propaganda particularly the works produced during World War II historical documentaries and nature films Her thematic approach allows readers to enter the subject matter through the kinds of films that first attracted them to documentaries and it permits her to make connections between eras as well as revealing the ongoing nature of documentary's core controversies involving objectivity advocacy and bias Interwoven throughout are discussions of the ethical and practical considerations that arise with every aspect of documentary production A particularly useful feature of the book is an appended list of 100 great documentaries that anyone with a serious interest in the genre should see Drawing on the author's four decades of experience as a film scholar and critic this book is the perfect introduction not just for teachers and students but also for all thoughtful filmgoers and for those who aspire to make documentaries themselves About the Series Combining authority with wit accessibility and style Very Short Introductions offer an introduction to some of life's most interesting topics Written by experts for the newcomer they demonstrate the finest contemporary thinking about the central problems and issues in hundreds of key topics from philosophy to Freud quantum theory to Islam *The Russian Revolution, 1900-1927* Robert Service, 2009-06-02 This popular concise and highly readable study discusses the key themes and debates about the Russian Revolution Robert Service's lively analysis examines state and society under the Romanovs from 1900 The February and October Revolutions of 1917 The final years of the Romanov dynasty and the start of the Soviet order Comparisons with political social and economic trends elsewhere in the world The extent to which the later development of the USSR was conditioned by the October Revolution Clear and incisive the fourth edition has been thoroughly revised and updated in the light of the latest research and features a new scene setting Introduction and maps Service's text remains the essential starting point for anyone studying this tumultuous period in the history of Russia and the world in the twentieth century **1917: Stories and Poems from the Russian Revolution**, 2016-12-13 1917 Stories and Poems from the Russian Revolution is a collection of literary responses to one of the most cataclysmic events in modern world history which exposes the immense conflictedness and doubt conviction and hope pessimism and optimism which political events provoked among contemporary writers sometimes at the same time even in the same person This dazzling panorama of thought language and form includes work by authors who are already well known to the English speaking world Bulgakov Pasternak Akhmatova Mayakovsky as well as others whose work we have the pleasure of encountering here for the very first time in English Edited by Boris Dralyuk the acclaimed translator of Isaac Babel's Red Cavalry also published by Pushkin Press 1917 includes works by some of the best Russian writers some already famous in the English speaking world some published here for the very first time It is an anthology for everyone those who are coming to Russian literature for the first time those who are already experienced students of it and those who simply want to know how it felt to live through this extreme period in history POETRY Marina Tsvetaeva You stepped from a stately cathedral Night Northeaster Roar of soldiers Roar of waves
