

Russias Civil War

Geoffrey Swain

Russias Civil War:

The Russian Civil War Evan Mawdsley, 2000 The Russian Civil War of 1917-1920 out of which the Soviet Union was born was one of the most significant events of the twentieth century The collapse of the Tsarist regime and the failure of the Kerensky Provisional Government nearly led to the complete disintegration of the Russian state This book however is not simply the story of that collapse and the rebellion that accompanied it but of the painful and costly reconstruction of Russian power under a Soviet regime Page 4 of cover

Red Victory W. Bruce Lincoln, 1989 A chronicle of the Russian Civil War from 1918 to 1921

The Origins of the Russian Civil War Geoffrey Swain, 2013-11-26 Concentrating on the turbulent months from February 1917 to November 1918 Geoffrey Swain explores the origins of the Civil War against the wider background of revolutionary Russia He examines the aims of the anti Bolshevik insurgents themselves but he also shows how far the fear of civil war governed the action of the Provisional Government and even the plans of the Bolsheviks If the war itself can seem a fairly straightforward line up of revolutionaries and counter revolutionaries this study reveals how complex were the motives of the people who precipitated it

The Bolshevik Revolution and Russian Civil War Rex A. Wade, 2001 Examines the Bolshevik Revolution and the Russian Civil War through narrative history and analysis biographies and primary documents also includes a glossary an annotated bibliography and a time line

The "Russian" Civil Wars, 1916-1926 Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book s focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author s concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917-1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses

on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state Russian Civil War Michael Foley,2020-01-31 This historical study examines how the Bolshevik Revolution and Russian Civil War influenced events on the world stage in the Great War and beyond The Russian Revolution of 1917 is remembered as the catalyst for a bloody conflict between the Communist Red Army and the anti Communist White Army But in reality the conflict was far more complex and multifaceted involving forces from outside Russia In this probing history Michael Foley examines the Russian Civil War in terms of its relationship to the larger conflict raging across Europe It is an epic tale of brutal violence and political upheaval featuring a colorful cast of characters including Tsar Nicholas II Vladimir Lenin Leon Trotsky Joseph Stalin and Winston Churchill **The Russian Revolution** Nik Cornish,2012-07-19 Often the drama of the October Revolution and the Bolshevik seizure of power overshadow the disastrous Russian German war that preceded it and the extended confusing many sided civil war between the Reds and the Whites that followed But Nik Cornishs vivid photographic history gives equal coverage to each of these momentous events and shows how the Russian empire of the Romanovs was transformed into the Soviet dictatorship Contemporary photographs show the leading characters in the drama Tsar Nicholas II Kerensky Lenin and Trotsky and other Bolsheviks and the White commanders Denikin Kolchak Wrangel and the rest But they also record in an unforgettable way the ordinary people who were caught up in the surge of events civilian crowds on the city streets peasant groups in the villages the faces of common soldiers on all sides who fought on multiple fronts across Russia from Poland the Baltic states and the White Sea to the Black Sea and Siberia The scale of the conflict was remarkable as was the intensity of the experience of those who took part and witnessed it and this collection of historic photographs gives a poignant insight into the conditions of their time It is a fascinating introduction to a period that saw a sea change in Russian history *The Russian Civil War* V.P. Butt,Geoffrey Swain,A.B. Murphy,N.A. Myshov,2016-01-07 Russia s experiences during the Civil War determined the framework within which the Russian people were governed throughout the Soviet period These newly released documents reveal how the events of 1918-22 reflected struggles and tensions in Russian society that were more complex than the simple Red White propaganda war In this collection the authors have sought out documents which highlight the complexities of the struggle exploring episodes which shed light on what was a multifaceted struggle which left wounds on Russian society which never healed **Russia in Flames** Laura Engelstein,2017-09-19 October 1917 heralded as the culmination of the Russian Revolution remains a defining moment in world history Even a hundred years after the events that led to the emergence of the world s first self proclaimed socialist state debate continues over whether as historian E H Carr put it decades ago these earth shaking days were a landmark in the emancipation of mankind from past oppression or a crime and a disaster Some things are clear After the implosion of the three hundred year old Romanov dynasty as a result of the First

World War Russia was in crisis one interim government replaced another in the vacuum left by imperial collapse In this monumental and sweeping new account Laura Engelstein delves into the seven years of chaos surrounding 1917 the war the revolutionary upheaval and the civil strife it provoked These were years of breakdown and brutal violence on all sides punctuated by the decisive turning points of February and October As Engelstein proves definitively the struggle for power engaged not only civil society and party leaders but the broad masses of the population and every corner of the far reaching empire well beyond Moscow and Petrograd Yet in addition to the bloodshed they unleashed the revolution and civil war revealed democratic yearnings even if ideas of what constituted democracy differed dramatically Into that vacuum left by the Romanov collapse rushed long suppressed hopes and dreams about social justice and equality But any possible experiment in self rule was cut short by the October Revolution Under the banner of true democracy and against all odds the Bolshevik triumph resulted in the ruthless repression of all opposition The Bolsheviks managed to harness the social breakdown caused by the war and institutionalize violence as a method of state building creating a new society and a new form of power Russia in Flames offers a compelling narrative of heroic effort and brutal disappointment revealing that what happened during these seven years was both a landmark in the emancipation of Russia from past oppression and a world shattering disaster As regimes fall and rise as civil wars erupt as state violence targets civilian populations it is a story that remains profoundly and enduringly relevant

Experiencing Russia's Civil War Donald J. Raleigh, 2021-05-11 This book is the only comprehensive history of the total experience of the Russian Civil War Focusing on the key Volga city of Saratov and the surrounding region Donald Raleigh is the first historian to fully show how the experience of civil war embedded itself into both the people's and the state's outlook and behavior He demonstrates how and why the programs and ideals that had propelled the Bolsheviks into power were so quickly lost and the repressive Soviet party state was born Experiencing Russia's Civil War is based on exhaustive use of previously classified local and central archives It is also bold and ambitious in its breadth of thematic coverage dealing with all aspects of the war experience from institutional evolution and demographics to survival strategies Complicating our understanding of this formative period Raleigh provides compelling evidence that many features of the Soviet system that we associate with the Stalin era were already adumbrated and practiced by the early 1920s as Bolshevism became closed to real alternatives Raleigh interprets this as the consequence of a complex dynamic shaped by Russia's political tradition and culture Bolshevik ideology and dire political economic and military crises starting with World War I and strongly reinforced by the indelible mythologized experience of survival in the Civil War Fluidly written replete with new information and always engaged with important questions this is history finely wrought

Russia Antony Beevor, 2022-09-20 Riveting There is a wealth of new information here that adds considerable texture and nuance to his story and helps to set Russia apart from previous works The Wall Street Journal An epic new account of the conflict that reshaped Eastern Europe and set the stage for the rest of the twentieth century Between 1917 and 1921 a devastating struggle took place in Russia

following the collapse of the Tsarist empire The doomed White alliance of moderate socialists and reactionary monarchists stood little chance against Trotsky's Red Army and the single minded Communist dictatorship under Lenin In the savage civil war that followed terror begat terror which in turn led to ever greater cruelty with man's inhumanity to man woman and child The struggle became a world war by proxy as Churchill deployed weaponry and troops from the British empire while contingents from the United States France Italy Japan Poland and Czechoslovakia played rival parts Using the most up to date scholarship and archival research Antony Beevor assembles the complete picture in a gripping narrative that conveys the conflict through the eyes of everyone from the worker on the streets of Petrograd to the cavalry officer on the battlefield and the doctor in an improvised hospital

Making War, Forging Revolution Peter Holquist, 2002-12-30 Reinterpreting the emergence of the Soviet state Holquist situates the Bolshevik Revolution within the continuum of mobilization and violence that began with World War I and extended through Russia's civil war thereby providing a genealogy for Bolshevik political practices that places them clearly among Russian and European wartime measures

The Russian Civil War (1) Mikhail Khvastov, 1996-05-15 The main instrument with which the Bolsheviks imposed communism on Russia was the Red Army Traditionally the origins of this army were among the factory workers who laid down their tools and took up arms as a way of expressing their grievances Already formed by the time of the revolutions of 1905 and February 1917 these militant workers organised themselves into parliamentary detachments known as the krasnogvardeytsi or Red Guards In this first of two volumes see Men at Arms 305 White Armies focusing on the Russian Civil War 1917-1923 Mikhail Khvastov examines the Red Army's organisation weaponry uniforms and insignia

Civil War in South Russia, 1919-1920 Peter Kenez, 2021-01-08 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1977

Nestor Makhno in the Russian Civil War Michael Malet, 1982-06-18

The Russian Civil War Brian Murphy, Felix Patrikeeff, 2000 A B Murphy uses translated documents from Russian archives to give fresh insight into the Russian civil war a struggle whose outcome defined much of the history of our time Areas covered include Soviet relations with the Don Cossacks the problems of securing supplies for the Red Army the issue of disloyalty of the two successful cavalry commanders Colonel Mironov and Sergeant Budyonny as well as a selection of documents from White sources

The Russian Civil War, 1918-22 David Bullock, 2008 The Russian Civil War is the most important civil war of the 20th century changing the lives of over half a billion people and dramatically shaping the geography of Europe the Far East and Asia Over a four year period 20 countries battled in a crucible that would give birth to Communist revolutions worldwide and the Cold War David Bullock offers a fresh perspective on this conflict examining the forces involved as well as the fascinating intervention by Allied forces At the dawn of modern war as cavalry duelled with tanks aircraft and armoured

trains along shifting fronts this title tells a military story enacted against a backdrop of political and social revolution and within the context of immense human loss The reader cannot fail to be moved by the rare photographs and illustrations that make this history come alive Bloomsbury Publishing America's Secret War against Bolshevism David S.

Foglesong,2014-02-01 From the Russian revolutions of 1917 to the end of the Civil War in 1920 Woodrow Wilson s administration sought to oppose the Bolsheviks in a variety of covert ways Drawing on previously unavailable American and Russian archival material David Foglesong chronicles both sides of this secret war and reveals a new dimension to the first years of the U S Soviet rivalry Foglesong explores the evolution of Wilson s ambivalent attitudes toward socialism and revolution before 1917 and analyzes the social and cultural origins of American anti Bolshevism Constrained by his espousal of the principle of self determination by idealistic public sentiment and by congressional restrictions Wilson had to rely on secretive methods to affect the course of the Russian Civil War The administration provided covert financial and military aid to anti Bolshevik forces established clandestine spy networks concealed the purposes of limited military expeditions to northern Russia and Siberia and delivered ostensibly humanitarian assistance to soldiers fighting to overthrow the Soviet government In turn the Soviets developed and secretly funded a propaganda campaign in the United States designed to mobilize public opposition to anti Bolshevik activity promote American Soviet economic ties and win diplomatic recognition from Washington **Russia's Civil War** Geoffrey Swain,2008 During the Red Army s first major war its ill equipped starving troops fought fellow countrymen and an invasion force of 10 000 American British and French soldiers in the freezing wastelands of Siberia and the Ukraine A brutal and fast moving war sieges were broken by fiercely armored trains immortalized in Dr Zhivago Land battles in the frozen east of Europe such as Kazan and Kakhovka were very different from those fought in the west as the Nazis would also learn to their cost 20 years later

Whispering the Secrets of Language: An Psychological Quest through **Russias Civil War**

In a digitally-driven earth wherever monitors reign great and instant interaction drowns out the subtleties of language, the profound techniques and emotional nuances hidden within phrases often move unheard. Russias Civil War Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russias Civil War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russias Civil War has opened up a world of possibilities. Downloading Russias Civil War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russias Civil War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russias Civil War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russias Civil War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russias Civil War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download

Russias Civil War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russias Civil War Books

1. Where can I buy Russias Civil War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Russias Civil War book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Russias Civil War books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Russias Civil War audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
