Russias Fighting Forces:

Russia's Fighting Forces Sergei Nicholas Kournakoff,1942 **The Russian Revolution** Sheila Fitzpatrick,2017-09-29

The Russian Revolution had a decisive impact on the history of the twentieth century In the years following the collapse of the Soviet regime and the opening of its archives it has become possible to step back and see the full picture Starting with an overview of the roots of the revolution Fitzpatrick takes the story from 1917 through Stalin s revolution from above to the great purges of the 1930s She tells a gripping story of a Marxist revolution that was intended to transform the world visited enormous suffering on the Russian people and like the French Revolution before it ended up by devouring its own children This updated edition contains a fully revised bibliography and updated introduction to address the centenary what does it all mean in retrospect

Trends in Russia's Armed Forces Keith Crane,Olga Oliker,Brian Nichiporuk,2019-10-10 The authors assess how Russian military forces are postured and resourced and how they are likely to operate They also discuss the goals and effects of Russian military reform efforts including initiatives that span all of the Russian armed forces services and independent branches Touching on most of Russia s armed forces major capabilities the authors conclude with a look at how those capabilities are being integrated in practice

Russia's First Civil War Chester S. L. Dunning,2010-11-01 He shows that serfs did not actively participate in the civil war and that the abolition of serfdom was never a rebel goal Instead most rebels were petty gentry professional soldiers townsmen and cossacks who were united in fierce opposition to tsars they believed to be illegitimate usurpers

Ukraine Symposium: International Law in the Crucible of Conflict - Vol. 1 Sean Watts,Ronald Alcala,Mehmet Çoban,2025-05-12 This volume features articles that address a range of topics arising from the Ukraine Russia conflict Among other things the volume examines subjects associated with the battlefield status and protections afforded to combatants prisoners of war foreign fighters and civilians It also evaluates the use of particular weapons such as Molotov cocktails and thermobaric munitions while also examining the conflict from the perspective of the jus ad bellum

Russia's Corporate Soldiers Seth G. Jones,Catrina Doxee,Brian Katz,Eric McQueen,Joe Moye,2021-11-07 This report examines Russia s growing use of private military companies PMCs to increase its influence through irregular means In recent years Moscow has expanded its

overseas use of PMCs to countries such as Ukraine Syria Libya Sudan the Central African Republic Madagascar and Mozambique Many of the PMCs operating in these countries such as the Wagner Group frequently cooperate with the Russian government including the Kremlin Ministry of Defense particularly the Main Intelligence Directorate or GRU Foreign Intelligence Service SVR and Federal Security Service FSB and perform a variety of combat paramilitary security and intelligence tasks However many of these PMCs have a poor track record including operational failures and human rights abuses and there are opportunities to exploit PMC vulnerabilities Although Russian PMCs present only one of a variety of national security threats and challenges facing the United States this report assesses that they warrant a more substantive and coordinated response from the United States and its partners

Russian National Interests and the Current Crisis in Russia Henry Trofimenko, 2019-05-23 First published in 1999 this book analyses the national interests of Russia as they are indicated by the current policies of the Russian government and formulated in public and not so public discussions in high echelons of government The author not only sums up and critically reviews those interests in general but gives detailed analysis of specific interests of Russia in Europe Asia and the Middle East A large chapter is devoted to the review of converging and diverging interests of the USA and Russia The main value of the book is in its philosophical aspect An outstanding Russian foreign policy expert who for 20 years participated in inner debates on a high level on issues of Soviet foreign policy and was considered by US politicians and scholars to be one of the top experts in Moscow on the US foreign policy and military strategy muses over the fate of Russia and its current foreign policy and domestic predicaments

The Russian Way of War Lester W. Grau, Charles K. Bartles, 2018 Force Structure Tactics and Modernization of the Russian Ground Forces The mighty Soviet Army is no more The feckless Russian Army that stumbled into Chechnya is no more Today's Russian Army is modern better manned better equipped and designed for maneuver combat under nuclear threatened conditions This is your source for the tactics equipment force structure and theoretical underpinnings of a major Eurasian power Here's what the experts are saying A superb baseline study for understanding how and why the modern Russian Army functions as it does Essential for specialist and generalist alike Colonel Ret David M Glantz foremost Western author on the Soviet Union in World War II and Editor of The Journal of Slavic Military Studies Congratulations to Les Grau and Chuck Bartles on filling a gap which has yawned steadily wider since the end of the USSR Their book addresses evolving Russian views on war including the blurring of its nature and levels and the consequent Russian approaches to the Ground Forces force structuring manning equipping and tactics Confidence is conferred on the validity of their arguments and conclusions by copious footnoting mostly from an impressive array of primary sources It is this firm grounding in Russian military writings coupled with the authors understanding of war and the Russian way of thinking about it that imparts such an authoritative tone to this impressive work Charles Dick former Director of the Combat Studies Research Centre Senior Fellow at the Defence Academy of the United Kingdom author of the 1991 British Army Field Manual Volume 2 A Treatise on

Soviet Operational Art and author of *From Victory to Stalemate The Western Front Summer 1944* and *From Defeat to Victory The Eastern Front Summer 1944* Dr Lester Grau s and Chuck Bartles professional research on the Russian Armed Forces is widely read throughout the world and especially in Russia Russia s Armed Forces have changed much since the large scale reforms of 2008 which brought the Russian Army to the level of the world s other leading armies The speed of reform combined with limited information about their core mechanisms represented a difficult challenge to the authors They have done a great job and created a book which could be called an encyclopedia of the modern armed forces of Russia They used their wisdom and talents to explore vital elements of the Russian military machine the system of recruitment and training structure of units of different levels methods and tactics in defense and offence and even such little known fields as the Arctic forces and the latest Russian combat robotics Dr Vadim Kozyulin Professor of Military Science and Project Director Project on Asian Security Emerging Technologies and Global Security Project PIR Center Moscow Probably the best book on the Russian Armed Forces published in North America during the past ten years A must read for all analysts and professionals following Russian affairs A reliable account of the strong and weak aspects of the Russian Army Provides the first look on what the Russian Ministry of Defense learned from best Western practices and then applied them on Russian soil Ruslan Pukhov Director of the Moscow based Centre for the Analysis of Strategies and Technologies CAST and member of the Public Council of the Russian Federation Ministry of Defense Author of *Brothers Armed Military Aspects of the Crisis in Ukraine* Russia s New Army and *The Tanks of August* **The New Russia** ,1920 This publication includes the continuation of *Bulletins of the Russian liberation committee* under the heading *Facts and documents* **Journal of the United States Artillery** ,1948 **Military Review** ,1967 **Quarterly Review of Military Literature** ,1942 *Review of Current Military Literature* ,1942 *The Statesman's Year-Book* M. Epstein,2016-12-28 The classic reference work that provides annually updated information on the countries of the world **Spymaster** Helen Fry,2021-11-30 The dramatic story of a man who stood at the center of British intelligence operations the ultimate spymaster of World War Two Thomas Kendrick Thomas Kendrick 1881 1972 was central to the British Secret Service from its beginnings through to the Second World War Under the guise of British Passport Officer he ran spy networks across Europe facilitated the escape of Austrian Jews and later went on to set up the M Room a listening operation which elicited information of the same significance and scope as Bletchley Park Yet the work of Kendrick and its full significance remains largely unknown Helen Fry draws on extensive original research to tell the story of this remarkable British intelligence officer Kendrick s life sheds light on the development of MI6 itself he was one of the few men to serve Britain across three wars two of which while working for the British Secret Service Fry explores the private and public sides of Kendrick revealing him to be the epitome of the English gent easily able to charm those around him and scrupulously secretive **Fortress Earth** Travis Hightower,2010 Earth is a small blue world in a solar system barely hanging on to the edge of a galaxy between 200 and 400 billion stars The race of beings that inhabit

this world the more ancient and evolved races of the galaxy consider to be quite primitive They are isolated still absorbed in themselves and alone in their view of the universe That was how their world was supposed to stay until one of the most war driven race s of the galaxy discovers a rare resource on this tiny backwater planet and they want it Duke Ross is unusual for a brash young fighter pilot Underneath the head strong and cocky exterior is the heart of a family man who loves his wife and child and enjoys the peace presented by an unusual non aggressive martial art As hostile invaders from the stars tear his world out from under him Duke finds himself becoming the chosen champion of alien beings that wish to defend the Earth and restore its rightful peace in the galaxy They bestow upon him a secret which can unlock an unimaginable power and grant the Earth and humanity it s salvation But the journey to the mythical Air Force base in the Nevada desert known to pilots as Dreamland will be long and dangerous for a pilot without wings Accompanied by his faithful wingman an incorrigible ex girlfriend turned reporter and a few other skilled allies Duke must complete a sojourn across a devastated American landscape They must fight their way past and elude a very persistent alien general who has made it his mission to capture Duke and the technology he holds But not even Duke knows the full extent of the secret power he carries or what will be revealed when he reaches his goal And in the shadows an even more sinister and ancient power plots the downfall of much more than just the tiny island fortress known as Earth
