sofa and say I think I'll take a nap and then he would close his eyes and if the company commenced talking he would start up and say to Ruth who was sitting very still in the corner Ruth don't make such a noise and when Ruth's mother would whisper gently in his ear Wouldn't it be better dear if you laid down up stairs Equally astonishing to the unsophisticated Ruth was the demureness with which they would bend over their books when the pale meek-eyed widow employed as duenna went the rounds after tea to see if each inmate was preparing the next day's lessons and the coolness with which they would jump up on her departure put on their bonnets and shawls and slip out at the side street door to meet expectant lovers and when the pale widow went the rounds again at nine o'clock she would find them demurely seated just where she left them apparently busily conning their lessons The doctor regarded it as a little automaton 40 for pleasant AEsculapian experiments in his idle hours the old lady viewed it as another barrier between herself and Harry and another tie to cement his already too strong attachment for Ruth and Betty groaned when she thought of the puny interloper in connection with washing and ironing days and had already made up her mind that the first time its nurse used her new saucepan to make gruel she would strike for higher wages
