Real Love in an Angry World Rick Bezet,2017-07-04 The world doesn t dislike Christians because we are godly honest and stand for justice It dislikes us because we can be downright mean Somewhere in our engagement of culture we have drifted to one of two extremes compromising on truth or condemning all those who disagree But Jesus despite enemies on all sides somehow managed to speak the truth in love and calls us to do the same Whichever ditch you tend to fall into Rick Bezet wants to help

In Real Love in an Angry World he calls on believers not to abandon the truth just because they don't want to hurt someone's feelings but also not to present that truth in angry diatribes on social media. He invites readers to sit in on his real conversations with real people who need to hear the gospel showing them how it can be done in loving and courageous ways. For anyone unsure if they are doing more harm than good when they talk or don't talk about matters of faith, this book offers a compassionate and inspirational corrective.

An Old Testament Theology Bruce K. Waltke, 2011-04-19 The Old Testament is more than a religious history of the nation of Israel. It is more than a portrait gallery of heroes of the faith. It is even more than a theological and prophetic backdrop to the New Testament. Beyond these, the Old Testament is inspired revelation of the very nature, character, and works of God. As renowned Old Testament scholar Bruce Waltke writes in the preface of this book, the Old Testament's every sentence is fraught with theology worthy of reflection. This book is the result of decades of reflection informed by an extensive knowledge of the Hebrew language, the best of critical scholarship, a deep understanding of both the content and spirit of the Old Testament, and a thoroughly evangelical conviction. Taking a narrative, chronological approach to the text, Waltke employs rhetorical criticism to illuminate the theologies of the biblical narrators. Through careful study, he shows that the unifying theme of the Old Testament is the breaking in of the kingdom of God. This theme helps the reader better understand not only the Old Testament but also the New Testament, the continuity of the entire Bible, and ultimately God himself.
