Sacheverell Sitwell A Symposium

Allan Pero, Gyllian Phillips

Sacheverell Sitwell A Symposium:

Sacheverell Sitwell Sacheverell Sitwell, 1975 *The Many Facades of Edith Sitwell* Allan Pero, Gyllian Phillips, 2017-06-13 A fascinating book that takes us deep into Edith Sitwell's world of artifice, disguise, high camp and verbal ingenuity. In these essays, Sitwell emerges as a central figure in an alternative avant-garde in early twentieth-century Britain. Faye Hammill, author of *Sophistication: A Literary and Cultural History*, establishing Edith Sitwell at the center of British modernism. This volume showcases her many achievements in poetry, autobiography, novel writing, criticism, art and performance. Forgoing the gossip about her eccentric appearance and self-fashioned persona that has too often overshadowed serious writing about her work, the contributors explore how Sitwell combined persona and poetry to foster an outpouring of iconoclastic creativity. *The Many Facades of Edith Sitwell* argues that Sitwell was crucial to the development of a British avant-garde that operated alongside the conventionally accepted transatlantic modernism of Ezra Pound and T.S. Eliot. With Sitwell as an influential literary player and social architect, the British interwar arts scene was not an ascetic escape from personality as the modernism of Pound and Eliot has often been characterized, but an alternative space of flamboyant, extravagant and ornate performance. Allan Pero is associate professor of English at the University of Western Ontario. Gyllian Phillips is associate professor of English studies at Nipissing University. *The Brother-Sister Culture in Nineteenth-Century Literature* V. Sanders, 2001-12-17 This book argues that brother-sister relationships idealized by the Romantics intensified in nineteenth-century English domestic culture and is a neglected key to understanding Victorian gender relations. Attracted by the apparent purity of the sibling bond, novelists and poets also acknowledged its innate ambivalence and instability through conflicting patterns of sublimated devotion, revenge, fantasy and corrosive obsession. The final chapter shows how the brother-sister bond was permanently changed by the experience of the First World War.

Osbert Sitwell Philip Ziegler, 1999 A wonderfully witty major new biography of the renowned poet, novelist, essayist and legendary twentieth-century eccentric from the best-selling author of *Mountbatten* and *King Edward VIII*. The Sitwells, Osbert, Edith and Sacheverell, were the enfants terribles of the 1920s, outflanked in the 1930s by the politically conscious generation of Auden, Isherwood and Spender, then resurgent after World War II when Osbert's autobiography *Left Hand Right Hand* achieved critical and commercial success and he and Edith took the United States by storm. At the heart of every literary fracas from 1918 until well after 1945, Osbert was a close friend and sometime sparring partner of T.S. Eliot, Aldous Huxley, Evelyn Waugh and Cyril Connolly, and a ferocious enemy of Noel Coward, the Leavises and Winston Churchill. His love life was notoriously turbulent; he could be outrageous, perverse, arrogant, bullying; he could be generous, loyal, considerate, public spirited, but he was never dull. Meticulously researched and beautifully written, this entertaining biography provides extraordinary social insights, a striking overview of literary Britain in this century, and above all, a moving portrait of a remarkable human being. *The Annual Obituary*, 1988 *Sacheverell Sitwell: a Symposium*; Derek Parker, 1975 *The*

Sitwells John Pearson, 1980 John Pearson has sympathetically portrayed the often turbulent private lives of this remarkable English family of poets memoirists critics and patrons and has evaluated their literary output in a book that is as entertaining as it is knowledgeable Index illustrations *The Sitwells and the Arts of the 1920s and 1930s* Katie Bent, National Portrait Gallery (Great Britain), 1994 Battle is in the curve of their nostrils wrote Arnold Bennett of the Sitwells They issue forth from their bright pavilions and demand trouble Poets patrons of the arts and ardent self publicists the three siblings Edith Osbert and Sacheverell rarely missed an opportunity to promote themselves or denounce their sworn enemy the philistine They were natural subjects and targets for the media Unconventional aristocratic physically imposing all more than six feet tall they were bold talented and provocative and there were three of them This book celebrates their lives and their artistic crusade which brought them into contact and conflict with many of the leading figures of the arts in the early part of this century Gertrude Stein T S Eliot Dylan Thomas and Evelyn Waugh were among their friends their favourite enemies included Wyndham Lewis Noel Coward and D H Lawrence **American Book Collector**, 1982 **Faith and Freedom**, 1979 **A Literary History of England Vol. 4** A Baugh, 2004-06-02 First published in 1959 The scope of this four volume work makes it valuable as a work of reference connecting one period with another an placing each author clearly in the setting of his time This is the fourth volume and includes the Nineteenth Century and after 1789 1939 *Bibliography of the Openhym Collection of Modern British Literature and Social History, Herrick Memorial Library, Alfred University*, 1980 **T.P.'s Weekly**, 1928 Reader's Guide to Great Britain, 1977 **The Bookman**, 1924 **Narrative Across Media** Marie-Laure Ryan, 2004-01-01 Narratology has been conceived from its earliest days as a project that transcends disciplines and media The essays gathered here address the question of how narrative migrates mutates and creates meaning as it is expressed across various media Dividing the inquiry into five areas face to face narrative still pictures moving pictures music and digital media Narrative across Media investigates how the intrinsic properties of the supporting medium shape the form of narrative and affect the narrative experience Unlike other interdisciplinary approaches to narrative studies all of which have tended to concentrate on narrative across language supported fields this unique collection provides a much needed analysis of how narrative operates when expressed through visual gestural electronic and musical means In doing so the collection redefines the act of storytelling Although the fields of media and narrative studies have been invigorated by a variety of theoretical approaches this volume seeks to avoid a dominant theoretical bias by providing instead a collection of concrete studies that inspire a direct look at texts rather than relying on a particular theory of interpretation A contribution to both narrative and media studies Narrative across Media is the first attempt to bridge the two disciplines **Facades** John Pearson, 2011-12-01 First published in 1978 Fa ades details the lives of three of the twentieth century s most intriguing literary figures Edith Osbert and Sacheverell Sitwell Aristocrats emanating from a privileged but loveless youth they moulded the scene of the English avant garde throughout the 1920s and in Cyril Connolly s words had they not been there a whole

area of life would have been missing Picking up prot g s and starting feuds with equal alacrity they were never far from controversy and were often slighted for being better known for the fa ades which they put up around their work rather than their artistic out put in itself Whether these fa ades were set up to hide their art or their deeply conflicted personal lives is one of the most compelling problems brought up by Pearson With as much attention paid to both the private and public aspects of their lives this biography captures the manifest intrigue of one of England s strangest and most flamboyant families and the whole host of fascinating characters from T S Eliot to Gertrude Stein with whom their paths intersect

The History of Broadcasting in the United Kingdom: Volume V: Competition Asa Briggs,1995-03-23 Part of a five volume history of the rise and development of broadcasting in the United Kingdom **The New Cambridge Bibliography of**

English Literature: Volume 4, 1900-1950 George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **National Union Catalog** ,1982 Includes entries for maps and atlases

Reviewing **Sacheverell Sitwell A Symposium**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing.
