Sacrament Of Sexuality:

Sacrament of Sexuality Morton T. Kelsey, 1991 **Sacrament of Sexuality** Morton Kelsey, Barbara Kelsey, 1994-06-01
From celibacy to family from hetero to homosexuality and from the relationship of sexuality to scripture relationships marriage psychology and love *Seven Sacraments for Everyone* Dale F. Coye, 2014-03-31 Millions of Christians are abandoning their churches to become spiritual seekers but now find themselves adrift Without the church what do we believe in Where do we look for the Sacred in our lives The seed of an answer can be found in the Roman Catholic sacraments but with a shift in focus from rites and rituals to human experience It s not baptism it s the birth of a child that is holy It s not the wedding ceremony it s the sublime oneness we feel in the arms of our best beloved that lifts us into the realm of the Divine *Seven Sacraments for Everyone* maps the roads that lead to these out of this world experiences and into the heartland of the Sacred By acknowledging these moments of Mystery and teaching our children to respect them we will find the clues to a universal moral code on which to build a healthier more meaningful world Human Sexuality in the Catholic Tradition Kieran Scott, Harold Daly Horell, 2007 Contemporary culture provides conflicting and confusing messages about the meaning and purpose of human sexuality and often sex education that is offered often does not promote a mature integrated understanding of sexuality *Human Sexuality in the Catholic Tradition* meets the great need for pastoral guidance in addressing moral issues of sexuality in both the Church and broader culture today Kieran Scott and Harold Horell explore with other leading scholars how to draw from the best Christian faith traditions to renew our understanding of sexuality explore the integration of our sexuality and our spirituality and develop life affirming and life sustaining ways of approaching contemporary sexual issues This book explores sexuality from spiritual psychological moral and ministerial perspectives and addresses specific issues such as sex and marriage celibacy homosexuality and cohabitation **Sacramental Guidelines** Kenan B. Osborne, 1995 *Sacramental Guidelines* is an indispensable tool for religious education teachers Parents and pastors will appreciate its straightforward overview of the sacraments and how they function in our faith as the heart of our Catholic belief and the soul of our spirituality *The Mystery of Marriage: A Theology of the Body and the Sacrament* Perry J. Cahall, 2014-12-01 This remarkable study offers a comprehensive explanation of the Catholic Church s teaching on the sacrament of marriage Incorporating the rich insights found in St John Paul II s *Theology of the Body* Dr Cahall presents a theology of marriage that incorporates the biblical systematic pastoral and historical traditions which have shaped our understanding of this sacrament **Christian Perspectives on Sexuality and Gender** Elizabeth Stuart, Adrian Thatcher, 1996 This collection of articles present a variety of broadly Christian responses to issues such as sexuality and gender sexuality and spirituality gay and lesbian sexuality sexuality and violence sexuality and singleness and the family Love, Sexuality, and the Sacrament of Marriage John Chryssavgis, 1996 Two essays *Love and Sexuality in the Image of Divine Love* and *The Sacrament of Marriage* The Orthodox Service introduce the reader to the Orthodox perspective on this

all important issue With extensive excerpts from twenty two Church fathers and modern Orthodox theologians ranging from Basil the Great and Gregory of Nyssa to Alexander Elchaninov and Kallistos Ware **Marital Sexuality** Cintolesi Galmez, Lorenzo, Ortíz Petersen, Carla, 2015-02-10 The married couple has the privilege of being co creator with God to have children hand in hand with God and to transmit his life Something that is highlighted in the encyclical *humanae Vitae* is the serious duty of transmitting human life has always been for the couple as free and responsible collaborators of God the Creator his holiness Paul VI speaks of serious duty because of the huge importance that entails the wonderful mission of having children however it must be done in an atmosphere of responsible parenting in the task of regulating each conception and the responsibility that has to do with answering and addressing the needs of another on the one hand the needs of the unborn child in addition to that of those already born plus the ability of parents to develop their parenting in all of its capacity and finally God's needs to transcend within humanity Sexual Reformation? Manitza Kotzé, Nadia Marais, Nina Müller van Velden, 2022-02-28 Inasmuch as sex and sexuality are not words often spoken from pulpits and in academic theological circles a vast number of utterances have been made in the name of so called Christian values and biblical views on sex and sexuality These are often given from moral ethical perspectives and seemingly very prescriptive who should have sex with whom when sex should take place which purposes sex should serve and especially when sex is wrong Moreover often there is little or no recognition of the complexities surrounding human sexuality resulting in what appears to be a blueprint for sexuality applicable to all persons This volume contains fourteen theological and ethical reflections by South African scholars on human sexuality with the aim of exploring what a sexual reformation within Christian dialogue might entail Presented in three sections namely systematic theological reflections biblical reflections and ethical reflections the essays represent a range of topics from a variety of perspectives Luther and marriage sexual abuse in the Catholic Church body theology and the sexual revolution reproductive technologies sexuality and reproduction reproductive loss hermeneutical choices and gender reformation in South Africa queer engagements with bra Joseph explorations on Paul and sex rape culture and violent deities the church's moral authority and sexual ethics practical theological considerations regarding infertility empirical research on masculinities in Zambia and the lived experience of transgender people in African Independent Churches

Dads and Daughters Joe Kelly, 2003-05-13 Every father can make a huge difference in his daughter's life As the primary male role model in a girl's life fathers influence their daughters in profound ways from how they see themselves to what they come to expect from men and the world at large But men often don't realize the importance of their interactions or may shy away from too close involvement because of their inexperience or conditioning Especially as girls move into adolescence fathers may find themselves feeling distant from their daughters or awkward with the changing dynamic Communication becomes difficult and parenting issues more complicated But this is also the time when daughters most need their fathers to be an even greater presence in their lives Dads and Daughters is a tool to bridge that gap and build a rewarding and joyful father daughter relationship From father to father and with insights from many other dads Joe Kelly shows men how they can strengthen their relationships with their daughters and explores the tremendous rewards this relationship can bring Starting with a self assessment quiz titled How Am I Doing as My Daughter's Father dads can immediately see what kind of role they play in their daughter's life To educate fathers and offer solutions when problems arise Dads and Daughters then offers thoughtful coverage of the most pivotal issues today's girls face such as sex and dating body image alcohol and drugs media culture and violence money and responsibility and the future In doing so he both illuminates the culture our daughters live in

and shows fathers how to guide their daughters toward rewarding healthy lives Earth Crammed with Heaven Elizabeth Dreyer, 1994 For too long says Elizabeth Dreyer the kind of spirituality taught to Christian lay people has been clerical and monastic It has not been grounded in the ways of living actually experienced by lay people incorporating sexuality childraising work the marketplace and the earth A major effort is being made in our day to reformulate spirituality in a way that makes sense to ordinary Christians More than anything else this new attitude proclaims that God is best discovered not in the withdrawal from everyday life but in the act of living it Earth Crammed with Heaven is a pioneering attempt to articulate the paradigm shift in attitudes toward lay spirituality It is written for persons who are on an intentional spiritual journey that has everyday existence and the entire world as its focal points It maintains that baptized Christians do not have to change their daily activities in order to become saints The potential for sainthood is located in the depth and intentionality of ordinary living BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
