Sacred Journey:

The Sacred Journey Charles Foster, 2010-12-27 When Yahweh became a man he was a homeless vagrant He walked through Palestine proclaiming that a mysterious kingdom had arrived He called people to follow him and that meant walking Charles Foster Humans are built to wander History is crisscrossed by their tracks Sometimes there are obvious reasons for it to get better food for themselves or their animals to escape weather wars or plague But sometimes they go at great expense and risk in the name of God seeking a place that feels sacred that speaks to the heart God himself seems to have a bias toward the nomad The road is a favored place a place of epiphany That s all very well if you are fit and free But what if you are paralyzed by responsibility or disease What if the only journey you can make is to the office the school or the bathroom Best selling English author and adventurer Charles Foster has wandered quite a bit and he knows what can be found and lost on a sacred journey He knows that pilgrimage involves doing something with whatever faith you have And faith like muscle likes being worked Exploring the history of pilgrimage across cultures and religions Foster uses tales of his own travels to examine the idea of approaching each day as a pilgrimage and he offers encouragement to anyone who wants to experience a sacred journey The result is an intoxicating highly readable blend of robust theology and lyrical anecdote an essential guidebook for every traveler in search of the truth about God himself and the world When Jesus said Follow me he meant us to hit the road with him The Sacred Journey will show you how The Ancient Practices There is a hunger in every human heart for connection primitive and raw to God To satisfy it many are beginning to explore traditional spiritual disciplines used for centuries everything from fixed hour prayer to fasting to sincere observance of the Sabbath Compelling and readable the Ancient Practices series is for every spiritual sojourner for every Christian seeker who wants more *The Sacred Journey* Frederick Buechner, 2010-12-07 A spiritual memoir of the American writer and Presbyterian minister from the time of his father s suicide Also includes information on his schooling his writings his depressions and his faithful dependence on God

Sacred Journeys Stanley Scott Jr

,2024-10-14 As I stood on the deck of my San Francisco home gazing out at the vast expanse of the Pacific Ocean I felt a stirring in my soul The rhythmic crashing of waves against the shore seemed to whisper ancient secrets calling me to lands unknown It was in this moment that I realized my journey a journey of spiritual discovery and personal growth was about to begin For years I had been deeply involved in my work with the ILWU Local 10 fighting for workers rights and striving to make a difference in my community But there was another battle I had been fighting one that had nearly cost me everything the battle against addiction In 2011 I found my way into the rooms of Alcoholics Anonymous marking the beginning of a transformative journey in recovery Now three years into my sobriety I felt a calling to expand my horizons to seek out new experiences that would deepen my spiritual understanding and strengthen my recovery The idea of traveling to distant lands not as an escape but as a pilgrimage of sorts began to take root in my mind It was then that I remembered the words of the great Maya Angelou Perhaps travel cannot prevent bigotry but by demonstrating that all peoples cry laugh eat worry and die it can introduce the idea that if we try and understand each other we may even become friends These words resonated deeply within me igniting a spark of curiosity and wonder that would lead me on an incredible journey across four continents My path would take me to four distinct destinations each with its own unique energy and spiritual significance 1 Cancun and Chich n Itz Mexico where ancient Mayan wisdom echoes through time 2 Punta Cana Dominican Republic where Caribbean rhythms pulse with resilience 3 Durban South Africa where unity flourishes in diversity 4 Honolulu Hawaii where the Aloha spirit embodies harmony with nature Little did I know that these four places seemingly unconnected would weave together a fabric of spiritual awakening and personal transformation Each destination would offer its own lessons its own challenges and its own moments of profound insight As I embarked on this journey I carried with me the strength and values instilled in me by my parents my experiences in the labor movement and the spiritual principles I had learned in recovery I was about to discover how these foundations would be tested reinforced and expanded through my encounters with ancient civilizations diverse cultures and the awe inspiring power of nature This book is not just a travelogue but a testament to the transformative power of travel when undertaken with an open heart and a seeking spirit It s an exploration of how God s handiwork is manifested in different corners of the world and how the resilience of people across cultures can inspire us to push forward in our own lives and recovery journeys Throughout these travels I would find myself drawn to moments of prayer and meditation often near bodies of water From the beaches of Cancun to the Indian Ocean in Durban from the Caribbean shores of Punta Cana to the Pacific waters of Hawaii these moments of spiritual connection would become cornerstones of my journey deepening my conscious contact with my Higher Power and reinforcing my commitment to recovery As we set off on this journey together I invite you to open your mind to the possibilities that lie ahead For in the story of my travels you may find echoes of your own spiritual journey your own quest for meaning and your own path to personal growth and recovery Let us begin our sacred journey stepping into the unknown with faith curiosity and a

willingness to be transformed by the wonders that await us Whether you re in recovery yourself curious about different cultures or simply seeking inspiration I hope that my experiences will offer you insight hope and the courage to embark on your own journey of discovery Remember as we say in the rooms of recovery More will be revealed So let s turn the page and see where this adventure takes us one day at a time

Sacred Journeys Michael J. Kurtz PhD,2018-01-09 Spiritual needs are as ancient as humankind Just as ancient is the impulse and the imperative to respond to those in distress The need for healing is universal So is the empowerment that love for others for ourselves and for God can bring The great Abrahamic faiths of Judaism Christianity and Islam have profound lessons rooted in deep spiritual understanding for those who suffer and for those who seek to bring a healing touch *Sacred Journeys Ecumenical Perspectives on Spiritual Care* draws from these faith traditions to provide a hopeful collection of inspirational essays on spiritual caregiving with essayists who were themselves led by the spirit to offer spiritual care in parishes in hospitals at schools on the streets and in locales near and far They show us that with Gods help rigorous training and the willingness to learn from our struggles and doubts it is possible to be a force for healing and good in this world Regardless of our background or calling we can be inspired to take a leap of faith in reaching out to others We are all called to take the risk of listening to the pain and fear of others to risk the opening of our hearts and to be ambassadors of Gods love to a hurting world This path is not easy but there is a joy and a sense of peace that radiates from the experiences of those who have walked the path before us
