Sacrifice and Delight Alan W. Jones,1992-01-01 *The Abingdon African American Preaching Library* Kirk Byron Jones,2010-10-01 God's people need to hear a word from the Lord to know their God is with them and to transcend this world and be taken to the very feet of Jesus The preacher is charged with assisting in this mission While there may be different theological perspectives and different methods of sermon preparation and delivery one thing remains constant the need for quality preaching resources Drawing upon the rich and powerful tradition of the black church The Abingdon African American Preaching Library offers a wealth of thoughtful biblically grounded preaching aids including special days in the Black Church tradition To read the Introduction to the book click here [Feminization of the Clergy in America](#) Paula D. Nesbitt,1997 Recent years have seen the entry of large numbers of women into the ordained clergy of Protestant churches Nesbitt here analyzes the extent to which the large scale entry of women into the ministry has affected the occupation

Fulfilled Kirk Byron Jones,2013-09-17 Leadership can be mentally emotionally and spiritually exhausting The pace is relentless The expectations are weighty The challenges are daunting But it is possible to live and lead a new way with that deep sense of contentment that all leaders yearn for It is possible to be fulfilled even today Fulfilled articulates a new approach for the exhausted leader This Christian theology of leadership is based on three inner capacities which every leader already possesses but which most of us simply ignore or disregard the capacity for stillness awareness and playfulness The author examines these capacities and shows the reader how draw upon them in daily life Vibrant leadership taps into this wellspring of inner capacities continually available to every leader It is not the exclusive possession of the gifted faithful few but is a grace provided for all The fulfilled leader lives in wisdom peace and joy and is successful in all the most important ways

The Sacraments Joseph Martos,2009-08-01 What are the sacraments really For centuries the religious lives of Catholics and other Christians have revolved around church rituals with generally accepted individual and social effects What precisely are those effects and how are they produced Traditional theology used Greek philosophy to understand the sacraments and how they work But is there no other way to understand them In fact there are a number of ways and this book invites you to look at the sacraments through a variety of lenses psychology sociology anthropology history theology morality and spirituality As the introduction to this volume challenges If you read this book and especially if you engage in the interactive study to which it invites you your understanding of sacraments will be changed forever To help personalize your investigation the author has created a web site with thought provoking questions that encourage you to interact with the ideas being proposed in this volume To engage these topics more deeply see [www TheSacraments org](http://www.TheSacraments.org) *On the Way* James J. Rawls,2018-05-29 On the Way is a book of reflections on one man's journey of faith Its origins lie in the universal longing of humankind for something beyond ourselves for something once present that has diminished with the passing of time This presence now is sensed only fleetingly yet the longing persists The title of the book has a double meaning On the

Way refers to the journey of faith our lifelong pilgrimage from God and to God But it also points to the one who leads us on this journey the one who says I am the way and the truth and the life On the Way is a collection of one hundred devotional readings reminiscent of Spurgeon s classic Morning and Evening Daily Readings and the Benedictine Lectio Divina It is intended to stir within the reader some forward movement in their own journey of faith What people are saying about On the Way James J Rawls draws on wisdom from across the ages Here he shares his ongoing conversation with these many voices within the framework of a deep personal and practical faith This book is a great gift and blessing The Rt Rev Barry L Beisner VII Bishop of the Episcopal Diocese of Northern California This is a wonderful book beautifully written insightful and filled with wisdom and warmth Gil Bailie founder of The Cornerstone Forum and author of God s Gamble The Gravitational Power of Crucified Love 2016 James Rawls has a capacity for clarity of thought and graceful articulation that the reader will find fully present in these meditations Savor consume and digest them Repeat again and again The Rev L Ann Hallisey D Min Professional Coach and Organization Consultant former Dean of Students Church Divinity School of the Pacific Berkeley

Choosing Peace Through Daily Practices Ellen Ott Marshall, 2005 Choosing Peace through Daily Practice is intended for people who feel both called to and daunted by the vocation of peacemaking How do we live out this calling in a world that seeks peace through violence How do we live out this calling in a society that understands peace as the absence of violence rather than the presence of justice How do we live out this calling in a time when the daily news reinforces the perception that peace is truly untenable The contributors all of whom teach at Claremont School of Theology argue in their essays that we live out this calling by practicing peace in and through our daily devotions work and interaction with others The first set

of essays explores the vocation of peacemaking explains practices language and highlights the connection between the processes of peace in the world and peace in the home The remaining chapters describe practices of peacemaking in spiritual life classroom discourse congregational ministry and community interaction A journal or historical account of the life, travels, sufferings, Christian experiences, and labour of love in the work of the ministry of that ancient, eminent, and faithful servant of Jesus Christ, George Fox George Fox, 1831
