Naming the Antichrist Robert C. Fuller,1996-11-21 The Antichrist though mentioned a mere four times in the Bible and then only obscurely has exercised a tight hold on popular imagination throughout history This has been particularly true in the U S says author Robert C Fuller where Americans have tended to view our nation as uniquely blessed by God a belief that leaves us especially prone to demonizing our enemies In Naming the Antichrist Fuller takes us on a fascinating journey through the dark side of the American religious psyche from the earliest American colonists right up to contemporary fundamentalists such as Pat Robertson and Hal Lindsey Fuller begins by offering a brief history of the idea of the Antichrist and its origins in the apocalyptic thought in the Judeo Christian tradition and traces the eventual 71Gws how the colonists saw Antichrist personified in native Americans and French Catholics in Anne Hutchinson Roger Williams and the witches of Salem in the Church of England and the King He looks at the Second Great Awakening in the early nineteenth century showing how such prominent Americans as Yale president Timothy Dwight and the Reverend Jedidiah Morse father of Samuel Morse saw the work of the Antichrist in phenomena ranging from the French Revolution to Masonry In the twentieth century he finds a startling array of hate mongers from Gerald Winrod who vilified Roosevelt as a pawn of the Antichrist to the Ku Klux Klan who drew on apocalyptic imagery in their attacks on Jews Catholics blacks socialists and others Finally Fuller considers contemporary fundamentalist writers such as Hal Lindsey author of The Late Great Planet Earth with some 19 million copies sold Mary Stewart Relfe whose candidates for the Antichrist have included such figures as Henry Kissinger Pope John Paul II and Anwar Sadat and a host of others who have found Antichrist in the sinister guise of the

European Economic Community the National Council of Churches feminism New Age religions and even supermarket barcodes and fibre optics the latter functioning as the eye of the Antichrist Throughout Fuller reveals in vivid detail how our unique American obsession with the Antichrist reflects the struggle to understand ourselves and our enemies within the mythic context of the battle of absolute good versus absolute evil From the Scofield Reference Bible no other book had greater impact on the American Antichrist tradition to the Scopes Monkey Trial Fuller provides an informative and often startling look at a thread that weaves persistently throughout American religious and cultural life **Lady Liberty** Richard N. Rhoades, 2013-07-10 The Statue of Liberty holds a special place in the hearts of Americans the people of France and freedom lovers throughout the world But up until now the full story behind its origins has not been told Author Richard N Rhoades peels back the mystery surrounding the icon explaining how French sculptor Frederic Auguste Bartholdi looked to a Roman goddess to serve as the model for the statue On Oct 28 1886 at the unveiling ceremony President Grover Cleveland praised Bartholdis goddess statue as greater than all that have been celebrated in ancient song But Rhoades goes beyond the historical data and examines the statues pagan origins by analyzing Scripture He establishes that the most revealing chroniclers of the Statue of Liberty were the Hebrew prophets who predicted the building and setting of an image of the Great Goddess of the ancient world on her own pedestal in a latter day country code named the land of Shinar Discover the real origins of the Statue of Liberty its adoption by the American people as a national icon and its historical and biblical significance in Lady Liberty The Ancient Goddess of America **Iraq: From Sumer To Saddam** Geoff Simons, 1993-11-29

Chronicles of the End Times Mark Davidson, 2018-10-05 Mark Davidson author of *Daniel Revisited* has created a unique interpretation of end time Bible prophecy using the ancient concentric reading method known as chiastics Lost centuries ago it was rediscovered by seminary scholars in the eighteenth century This reading method reveals the form of the scripture text via the flow of its words giving us a heightened sensitivity to the words in the text When combined with the words meanings we receive a greater understanding of prophetic scripture In *Daniel Revisited* Davidson showed us the four signposts four events prophesied in Daniel 7 and 8 and Revelation 6 to occur in the Middle East prior to the Rapture and Tribulation Now in *Chronicles of the End Times* chiastic reading has been applied to all of Daniel Revelation and other books pulling back the veil further to expand our view from four events to all the main events from the Middle East to the ends of the earth A chiastic reading of Daniel Zechariah 1 6 Matthew 23 25 and Revelation all shown in ninety illustrations yields many solid answers to the following questions as well as to many others How do Daniel 2 and 7 interact and why are the kingdoms metals and beasts What's the purpose of Daniel's Aramaic chapters and how do they affect the end times Which parts of Daniel 11 are to be fulfilled in ancient times versus end times What is the real identity of Mystery Babylon and how

does this help us in the end times How do the two scrolls of Revelation give greater understanding of the trumpets and bowls What are the Seven Events of the end times and which one is next This all may seem incredible for one book but is nevertheless true The chiastic reading of Bible prophecy revolutionizes our view of the end times and how we read Bible end time prophecy
