Bullwhip Justice George Richard Knight, 2011-12-02 As I grew up hearing stories of my grandfather and his adventures in life I wrote a novel and called it West by Bullwhip It was historical fiction but many of the life stories about my grandfather James Alburn Knight later picking up the name Jack and his family were true happenings Bullwhip Justice has many of the same characters but is total fiction My publisher for the first book said I had failed to put romance in the book and needed to write about a love interest for my main character So we now have Bullwhip Justice and a love affair that carries our main character on highs and lows of several magnitudes It fulfills the meaning behind the title Jack continues his skillful use of the bullwhip and finds the use helpful in reducing the death rate in the growing west saving the final justice as the perfect place to display the diversity of the bullwhip
