*Exploring Psychology, Eighth Edition, In Modules* David G. Myers,2010-07-08 Exploring Psychology Eighth Edition in Modules is the modular version of the 1 bestselling brief introduction to psychology David Myers s Exploring Psychology All the Myers hallmarks are here the captivating writing coverage based on the latest research helpful pedagogical support in a format that delivers the utmost in student accessibility and teaching flexibility **Exploring Psychology** David G.

Myers,2009-12-25 This edition contains the following changes Hundreds of new research citations representing the most exciting and important new discoveries in our field Organizational changes based on changes in the field For example the heavily revised consciousness modules now follow the neuroscience modules and are titled Consciousness and the Two Track Mind to reflect the dual processing and cognitive neuroscience themes Fine tuned writing with countless small and large improvements in the way concepts are presented supported by the input and creative ideas of hundreds of contributing instructors students and friends A sharp new art program that teaches more effectively Continually improving coverage of cultural and gender diversity issues *Introducing Psychology* Daniel L. Schacter,Daniel T. Gilbert,Daniel M.

Wegner,2009-12-25 Reads like a good book Written in the style of their award winning nonfiction books the Dans capture students attention in a way few textbooks can claim Each chapter each page is written with narrative hooks that retain student interest by engaging their curiosity compassion and interest in the world around them Students who read *Introducing Psychology* will quickly learn to critically examine the world around them and apply the lessons of psychology to their own lives Teaches like a great textbook The Dans focus the essential topics within psychology without diluting the explanation or removing examples intended to illustrate concepts By refining their coverage to the most clear thought provoking and illustrative examples the Dans manage to accomplish two difficult goals making thoughtful content choices covering the various fields of psychology and doing so in a manner that retains clarity and emphasizes student engagement

**Psychology** Daniel L. Schacter,Daniel T. Gilbert,Daniel M. Wegner,2009 An introduction to psychology doesn t have to be science challenged to be student friendly After all what more powerful tool is there for captivating students than the real science behind what we know This skillful presentation centers on a smart selection of pioneering and cutting edge experiments and examples it effectively conveys the remarkable achievements of psychology with the right amount of critical judgment to introduce the field s fundamental ideas to students from publisher *Psychology* Peter O. Gray,2010-01-04 An introductory text that explores psychology s major theories and the evidence that supports and refutes them This title incorporates research helping students to probe for the purposes and biological origins of behaviour the whys and hows of human psychology **Psychology In Modules (Spiral)** David G. Myers,2009-09-28 Why Myers David Myers has become

the world's best selling introductory psychology author by serving the needs of instructors and students so well Each Myers textbook offers an impeccable combination of up to date research well crafted pedagogy and effective media and supplements Most of all each Myers text demonstrates why this author's style works so well for students with his signature compassionate companionable voice and superb judgment about how to communicate the science of psychology and its human impact Why Modules This modules based version of Myers best selling full length text Psychology breaking down that book's 16 chapters into 59 short modules is yet another example of the author's ability to understand what works in the classroom It comes from Myers experiences with students who strongly prefer textbooks divided into briefer segments instead of lengthier chapters and with instructors who appreciate the flexibility offered by the modular format Modular organization presents material in smaller segments Students can easily read any module in a single sitting Self standing modules Instructors can assign modules in their own preferred order The modules make no assumptions about what students have previously read Illustrations and key terms are repeated as needed This modular organization of short stand alone text units enhances teacher flexibility Instead of assigning the entire Sensation and Perception chapter instructors can assign the module on vision the module on hearing and or the module on the other senses in whatever order they choose Watch our new videos from David Myers here including our animation on THE TESTING EFFECT narrated by David Myers

**Psychology in Everyday Life** David G. Myers, 2008-10-17 LEARN IT LIVE IT Why take psychology What makes psychology a science Can it really help me understand my feelings and behaviors Or how I get along with family and friends Now from the world's foremost author for the introductory psychology classroom comes a new textbook that makes learning about the psychology of our lives a captivating experience for students at all levels Carried by the author's acclaimed empathetic voice Psychology in Everyday Life is David Myers most inviting text to date This new book represents a breakthrough in the interplay of text and visuals yet as always provides a rich source of scientific insights into the lives we live Any student regardless of age or background will find it a text that speaks directly to him or her and will embrace it not just for its grade raising potential but for its revelations about what makes a person a stronger student a more tuned in friend or partner a more effective worker or a wiser parent

**Psychology In Modules** David G. Myers, 2009-09-28 This version of the main text breaks down the chapters into shorter modules for more accessibility The smaller chunks allow students to better grasp and explore psychological concepts The modules also allow more flexibility in teaching as cross references to other chapters have been replaced with brief explanations

**Myers' Psychology for AP\*** David G. Myers, 2010-03-12 Already The Bestselling AP Psychology Author Myers Writes His First Exclusive AP Psych Text Watch Dave G Myers introduce this new text here David G Myers is best known for his top selling college psychology texts used successfully across North America in thousands of AP courses As effective as Myers college texts have been for the AP course we believe his new text will be even better because Myers Psychology for AP has been written especially for the AP course
