Scope Of Political Theology:

The Scope of Political Theology Alistair Kee, 1978 Since the publication of Alistair Kee's Reader in Political Theology exploration of the subject has continued and its implications have been worked out in different parts of the world This second collection includes material which has not previously been published and the sections reflect the great variety of contexts in which political theology is now appearing political theology Pentecostal conscience feminist perspectives on theology the politics of mission spirituality in politics Asian theology ecology and community The selections are from the works of well known writers including J B Metz Rosemary Ruether and J M Bonino and also writers less well known at least in the West Tissa Balasuriya Josef Widyatmadja and Carlos Talavera Alistair Kee has written helpful introductions to each section and there are biographical notes on the authors and suggestions for further reading in particular areas **Political Theology**

Reimagined Alex Dubilet, Vincent W. Lloyd, 2025-07-25 The contributors to Political Theology Reimagined center decolonial Black queer feminist and Marxist modes of critical practice to offer a cutting edge vision of the field that foregrounds a political theology animated by both a fascination with and suspicion of the secular **THE SCOPE OF POLITICAL**

THEOLOGY. Howard Clark Kee, **Political Theology for a Plural Age** Michael Jon Kessler, 2013-05-07 Political Theology for a Plural Age provides historic and contemporary understandings of political engagement in Christianity Judaism and Islam engaging political theologies not merely as a set of theoretical concepts but as religious beliefs and principles that motivate specific political action **Ambrosiaster's Political Theology** Sophie Lunn-Rockcliffe, 2007-10-04 A study of the

writings of the late 4th century Christian writer Ambrosiaster whose works were influential on his near contemporaries and throughout the Middle Ages Sophie Lunn Rockcliffe discusses his political theology and also addresses the problem of the author's mysterious identity placing him in a broad historical and intellectual context *Christian Political Theology in an Age of Discontent* Jonathan Cole, 2019-05-16 At a moment in which interest in political theology is rising acceptance of a public role for religion is declining and cynicism regarding both political and religious institutions is overflowing this book investigates the possibilities and constraints of a Christian political theology that can meaningfully mediate Scripture doctrine and political reality In critical dialogue with political theologians and political philosophers past and present we explore the origins meaning and purpose of Christian political theology in an age of growing discontent with the once impregnable liberal democratic order of yesteryear Approaching politics as both art and science this book lays a challenge at the feet of political theologians to offer a theological account of politics that is genuinely illuminating of political reality and efficacious for the faithful who seek to operate within it The Future of Political Theology Péter Losonczi, Mika

Luoma-aho, Aakash Singh, 2016-03-16 Recent shifts in the contemporary cultural political and religious landscape are engendering intensive attention concerning political theology New trends and traditional ideas equally colour these movements Given that a medley of recent books and articles have exhaustively treated both the history and the current

resurgence of political theology we now find ourselves faced with the task of reinventing and redefining the future of political theology This book presents a rich overview of fresh contemporary theoretical approaches uniquely prioritizing the prospects of the future of political theology but also making room for significant interventions from philosophy and political theory Including prominent essays on Judaic Islamic Buddhist and Christian perspectives this book balances elements from post modern theology with more classical as well as anti post modern approaches

Critical Theory and Political Theology

Paul S. Chung,2019-05-02 This book deals with the aftermath of the enlightenment and its legacy in the political social and racial context It discusses the incomplete project of modernity in terms of social contract theory racial justice issues and political theology in the postcolonial context Hermeneutical realism and cultural linguistic inquiry become substantial features in elaborating postcolonial political theology and its ethical stance against the colonization of lifeworld and its pathologies A study of critical theory and political theology is of a reconstructive character in seeking to relocate critical theory and political ethics in the context of alternative modernities at the level of postcolonial theory

Radical Political Theology Clayton Crockett,2013-10-01

In the 1960s the strict opposition between the religious and the secular began to break down blurring the distinction between political philosophy and political theology This collapse contributed to the decline of modern liberalism which supported a neutral value free space for capitalism It also deeply unsettled political religious and philosophical realms forced to confront the conceptual stakes of a return to religion Gamely intervening in a contest that defies simple resolutions Clayton Crockett conceives of the postmodern convergence of the secular and the religious as a basis for emancipatory political thought Engaging themes of sovereignty democracy potentiality law and event from a religious and political point of view Crockett articulates a theological vision that responds to our contemporary world and its theo political realities Specifically he claims we should think about God and the state in terms of potentiality rather than sovereign power Deploying new concepts such as Slavoj i ek s idea of parallax and Catherine Malabou s notion of plasticity his argument engages with debates over the nature and status of religion ideology and messianism Tangling with the work of Derrida Deleuze Spinoza Antonio Negri Giorgio Agamben Alain Badiou John D Caputo and Catherine Keller Crockett concludes with a reconsideration of democracy as a form of political thought and religious practice underscoring its ties to modern liberal capitalism while also envisioning a more authentic democracy unconstrained by those ties

Political

Theology Based in Community Marty Tomszak,2023-09-18 In Political Theology Based in Community Dorothy Day The Catholic Worker Movement and Overcoming Otherness Marty Tomszak sutures together the seemingly disparate realms of radical political theology communally oriented pedagogy the Catholic Worker movement and Catholic Social Teaching to carve a new way of doing ethics in our contemporary sphere Through an adoption of weak theology and atheism brought into the fold by John Caputo and Richard Kearney specifically and partnering them with the groundbreaking work of Dorothy Day and Peter Maurin in their outpouring of works of mercy Tomszak highlights the hope present in radical hospitality for

our world This hope is addressed to the distinct publics of the academy the Church and wider society as this radical ethic provides distinct answers for a multitude of current crises
