Past and Present: Ice to Hyps John Stephen Farmer,1896 **The Glenbuchat Ballads** David Buchan,James
Moreira,2011-01-05 Sometime in the early nineteenth century most likely in the year 1818 the Reverend Robert Scott
minister of the parish of Glenbuchat in Aberdeenshire Scotland compiled a collection of traditional ballads that until now has
not been published Most of the ballad collections produced during the Scottish Romantic Revival were eventually
anthologized in Francis James Child s seminal English and Scottish Popular Ballads five volumes 1882 96 Yet the Glenbuchat
manuscripts containing sixty eight ballads in four folio volumes were not included in Child s volumes The complete work only
came to light in 1949 when it was donated to the Special Collections of the Aberdeen University Library by a descendent of
the original compiler Scott did not give the precise locations of where he collected his ballads or name the performers but
the texts are unique and appear to have been drawn from oral sources As such the ballads reveal a great deal about the
nature of traditional music at the time they were collected The Glenbuchat Ballads were originally prepared for publication
by David Buchan one of the leading ballad scholars of the twentieth century Upon Buchan s death his former student James
Moreira took up and completed his work and wrote the detailed introductory essay and annotations in this volume **The**
