Scots in the West Indies, 1707-1857 David Dobson, 2006 **Scots in the West Indies, 1707-1857** David Dobson, 2009-06 This book began as Jean Stephenson's effort to validate the family tradition that her great great grandparents emigrated from Belfast to South Carolina under the leadership of Covenanter Presbyterian minister William Martin in 1772 The author was not only able to authenticate the crux of the story but in the process to place nearly 500 Scotch Irish families in South Carolina on the eve of the Revolutionary War Genealogists will want to pore over the land evidences assembled by the author from entries found in the Council Journal namely authorizations survey abstracts wills deeds and other records which demonstrate where each family settled or was entitled to settle The families which are grouped under the vessel they traveled in are identified by the name of the household head names of spouse and children number of acres surveyed county location of the nearest body of water and the names of abutting neighbor and the source of the information **Scots in the West Indies** David Dobson, 1997 **Scotland** Murray Pittock, 2022-09-27 An engaging and authoritative history of Scotland's influence in the world and the world's on Scotland from the Thirty Years War to the present day Scotland is one of the oldest nations in the world yet by some it is hardly counted as a nation at all Neither a colony of England nor a fully equal partner in the British union Scotland has often been seen as simply a component part of British history But the story of Scotland is one of innovation exploration resistance and global consequence In this wide ranging deeply researched account Murray Pittock examines the place of Scotland in the world He explores Scotland and Empire the rise of nationalism and the pressures on the country from an increasingly monolithic understanding of Britishness From the Thirty Years War to Jacobite risings and today's ongoing independence debates Scotland and its diaspora have undergone profound changes This groundbreaking account reveals the diversity of Scotland's history and shows how after the country disappeared from the map as an independent state it continued to build a global brand **Scottish Ancestry** Sherry Irvine, 2003-06-01 The world of genealogical research has changed dramatically in the years since this book debuted In this revised second edition Sherry Irvine mixes her award winning methodology with up to date instruction on how to utilize the latest computer and internet sources for Scottish research She also broadens the scope from a guide for North Americans to a useful resource for researchers from all over the globe For family historians researching Scottish roots this book continues to be indispensable **A Parcel of Ribbons : Letters of the 18th Century Lee Family in London and Jamaica** Anne M Powers, 2012 Set among the sugar plantations of Jamaica and the balls and masquerades of Georgian London the story is told by the Lee family in their own words In 1749 thirteen year old Robert Cooper Lee sailed to Jamaica taking a parcel of ribbons for sale When his family was left all but penniless Robert and his brothers forged new lives in Jamaica fathered children with women who were the descendants of slaves and supported their sister left behind in England Robert returned to London with his family in 1771 A prominent attorney respected throughout Jamaica and among the West

Jamaica and Scottish anti abolitionists Two Charlestonians at War Barbara L. Bellows, 2018-02-21 Tracing the intersecting lives of a Confederate plantation owner and a free black Union soldier Barbara L Bellows Two Charlestonians at War offers a poignant allegory of the fraught interdependent relationship between wartime enemies in the Civil War South Through the eyes of these very different soldiers Bellows brings a remarkable new perspective to the oft told saga of the Civil War Recounted in alternating chapters the lives of Charleston natives born a mile apart Captain Thomas Pinckney and Sergeant Joseph Humphries Barquet illuminate one another s motives for joining the war as well as the experiences that shaped their worldviews Pinckney a rice planter and scion of one of America s founding families joined the Confederacy in hope of reclaiming an idealized agrarian past and Barquet a free man of color and brick mason fought with the Union to claim his rights as an American citizen Their circumstances set the two men on seemingly divergent paths that nonetheless crossed on the embattled coast of South Carolina Born free in 1823 Barquet grew up among Charleston s tight knit community of the colored elite During his twenties he joined the northward exodus of free blacks leaving the city and began his nomadic career as a tireless campaigner for black rights and abolition In 1863 at age forty he enlisted in the 54th Massachusetts Volunteer Infantry the renowned Glory regiment of northern black men His varied challenges and struggles including his later frustrated attempts to play a role in postwar Republican politics in Illinois provide a panoramic view of the free black experience in nineteenth century America In contrast to the questing Barquet Thomas Pinckney remained deeply connected to the rice fields and maritime forests of South Carolina He greeted the arrival of war by establishing a home guard to protect his family s Santee River plantations that would later integrate into the 4th South Carolina Cavalry After the war Pinckney distanced himself from the racist violence of Reconstruction politics and focused on the daunting task of restoring his ruined plantations with newly freed laborers The two Charlestonians chance encounter on Morris Island where in 1864 Sergeant Barquet stood guard over the captured Captain Pinckney inspired Bellows compelling narrative Her extensive research adds rich detail to our knowledge of the dynamics between whites and free blacks during this tumultuous era Two Charlestonians at War gives readers an intimate depiction of the ideological distance that might separate American citizens even as their shared history unites them
