Altsheler, 2008-09-01 **The Scouts of Stonewall the Story of the Great Valley Campaign** Joseph A. Altsheler, 2018-08-15 The Scouts of Stonewall The Story of the Great Valley Campaign Large Print By Joseph A Altsheler A young officer in dingy Confederate gray rode slowly on a powerful bay horse through a forest of oak It was a noble woodland clear of undergrowth the fine trees standing in rows like those of a park They were bare of leaves but the winter had been mild so far and a carpet of short grass yet green covered the ground To the rider's right flowed a small river of clear water one of the beautiful streams of the great Virginia valleys Harry Kenton threw his head back a little and drew deep breaths of the cool crisp air The light wind had the touch of life in it As the cool puffs blew upon him and filled his lungs his chest expanded and his strong pulses beat more strongly But a boy in years he had already done a man's work and he had been through those deeps of passion and despair which war alone brings A year spent in the open and with few nights under roof had enlarged Harry Kenton's frame and had colored his face a deep red His great ancestor Henry Ware had been very fair and Harry like him became scarlet of cheek under the beat of wind and rain Had anyone with a discerning eye been there to see he would have called this youth one of the finest types of the South that rode forth so boldly to war He sat his saddle with the ease and grace that come only of long practice and he controlled his horse with the slightest touch of the rein The open frank face showed hate of nobody although the soul behind it was devoted without any reserve to the cause for which he fought We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been
