Scouts Old West:

Fearless Scouts Jeff Savage, 2012-01-01 Kit Carson aimed his rifle and fired killing an elk The young scout walked over to bag his prize Without warning two grizzly bears emerged from the trees Carson managed to escape the bears but lost the elk Scouts like Kit Carson had to be ready for anything on the western frontier Americans eager to move west needed help to get there While famous explorers often got the credit for discovering trails and creating maps they could never have done it without the leadership of scouts Author Jeff Savage explores the fearless scouts who opened up the West for others to follow

Scouts of the Wild West Jeff Savage, 1995 Among the many responsibilities of the scout were that of trail finder or blazer locator of food and water and being the eyes and ears of the people they were entrusted with to guide Legendary scouts Bill Cody Kit Carson Jim Bridger and Sacajawea are among the many people whose fascinating experiences are relived on these pages

Man-Hunters of the Old West Robert K. DeArment, 2017-04-06 Settlers in the frontier West were often easy prey for criminals Policing efforts were scattered at best and often amounted to vigilante retaliation To create a semblance of order freelance enforcers of the law known as man hunters undertook the search for fugitives These pursuers have often been portrayed as ruthless bounty hunters no better than the felons they pursued Robert K DeArment s detailed account of their careers redeems their reputations and reveals the truth behind their fascinating legends As DeArment shows man hunters were far more likely to capture felons alive than their popular image suggests Although Wanted Dead or Alive reward notices were posted during this period they were reserved for the most murderous desperadoes Man hunters also came from a variety of backgrounds in the East and the West of the eight men whose stories DeArment tells one began as an officer for an express company and another was the head of an organization of local lawmen Others included a railroad detective a Texas Ranger a Pinkerton operative and a shotgun messenger for a stagecoach line All were tough survivors living through gunshot wounds snakebites disease buffalo stampedes and every other hazard of life in the Wild West They also crossed paths with famous criminals and sheriffs from John Wesley Hardin and Sam Bass to Wyatt Earp Butch Cassidy and the Sundance Kid Telling the true stories of famous men who risked their lives to bring western outlaws to justice Man Hunters of the Old West dispels long held myths of their cold blooded vigilantism and brings fresh nuance to the lives and legends that made the West wild
