Scripture And Knowledge An Ebay On Religious Epistemology Studies In The History Of Religions:

Joyce in the Belly of the Big Truck; Workbook Joyce A. Cascio, 2005-05 **Scripture and Knowledge** Shlomo Biderman, 1995 Scripture and Knowledge clarifies the epistemological uses of scripture and examines some of the ways in which these uses have been understood in religious traditions The author contends that philosophers have neglected scripture as a means of understanding religion He shows the inadequacy of prevalent emphases on either the content or the social function of scripture as the sole measure of its role As the author demonstrates scripture has a unique epistemological aspect that of a framework that gives believers a total picture of the world and its significance A discussion of the knowledge claims made by scripture and of the authority by which these claims are justified is accompanied by extended examples from Jewish and Hindu sources **Studies in the History of Religions** Bentley Layton, *Biblical Knowing* Dru Johnson, 2014-08-28 The importance of human knowledge and the consequences of error are constantly stressed within Scripture which emphasizes the knowledge of good and evil knowing that YHWH IS your God knowing that Jesus is the Christ and the goal of developing Israel into a wise and discerning people We too long for confidence in our understanding the assurance that our most basic knowledge is not ultimately incorrect Biblical Knowing assesses what Israel knew but more importantly how she was meant to know introducing a comprehensive scriptural epistemology firmly rooted in the Scripture s own presentation of important epistemological events in the story of Israel Because modern philosophy has also made authoritative claims about knowledge Biblical Knowing engages contemporary academic views of knowledge e g Reformed Epistemology scientific epistemology Virtue Epistemology etc and recent philosophical method e g Analytic Theology assessing them for points of congruence or departure from Scripture s own epistemology Additionally Biblical Knowing explores what proper knowing looks like in the task of theology itself in the teaching and preaching of the church and in the context of counseling **The Bible and Epistemology** Mary Healy, Robin A. Parry, 2007 Many theologians and Christian philosophers have given considerable attention to the theory of knowledge in recent years However the rich resources of the biblical literature on questions of knowledge especially the knowledge of God have hardly begun to be mined because biblical scholars have rarely posed such questions to the texts In this volume Protestant and Catholic biblical scholars reflect on what different parts of the Bible may have to contribute to our understanding of knowledge in general and the knowledge of God in particular Chapters on Deuteronomy the Psalms the Prophets Wisdom literature Luke Acts Johannine literature and Paul s letters reveal something of the Bible s diverse and nuanced approach to the issues The book ends with some reflections on the material from a theologian and from a Christian philosopher **Scripture and Science Not at Variance, with Remarks on the Historical Character, Plenary Inspiration and Surpassing Importance of the Earlier Chapters** John Henry Pratt, 2016-05-07 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original

work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Scripture's Knowing Dru Johnson, 2015-10-22 *Scripture's Knowing* is a guide to the emerging field of philosophical study of Scripture specifically about knowing Assuming that the Scriptures speak verbosely and persistently about knowing what do the biblical authors have to say How do they conceptualize ideas like truth and knowledge Most importantly how do we come to confidently know anything at all *Scripture's Knowing* follows the discourse on knowledge through key biblical texts and shows the similarity of biblical knowing with the scientific enterprise The findings are linked to the role of ritual in knowing and implications for theologians and churches today **Studies in the History of Religions** ,1954 A History of Religions Elizabeth Edson Gibson Evans, 1892 *Lectures on the History of Religions ...* ,1912
