Scripture And Truth:

HIDDEN TRUTHS OF THE BIBLE LEIGHTON GORDON,2013-11 Do you desire to know the truth There are a lot of misconceptions about the Bible Lies are often passed down from generation to generation manipulating the word of God The only way to really and truly gain a full understanding of the Bible is by intensely studying it with great aspiration Some may be fine with not knowing the complete truth or pretending to be a sold out Christian and not honestly knowing what God s word says about many issues faced on a daily basis Individuals may be fine displaying that tag that reads Jesus is my co pilot on the front of their car In all reality Jesus is the pilot he operates the vehicle that drives us though life Most of us are driving underage and need some parental guidance God is our father and wants to keep us on the right path by nurturing us with his unique and supernatural word The Bible Jesus gives us the freedom to run to him or away from him Hidden Truths challenges you to consider the truth and what it entails Leighton directly approaches the truth in a daring way that reveals Jesus love for you and causes you to re evaluate your relationship with Jesus Leighton urges you to redevelop principles that you have been practicing the wrong way The only right way to do things is by following God s holy word **The Scripture of Truth; Its Origin, Its Languages, Its Translations, Its Canon, Its Symbols, Its Inspiration, Its Alleged Errors and Contradictions, Its Plan, Its Science, Other Sacred Books** Sidney Collett,1905 **The Truth of Scripture in Connection with Revelation, Inspiration, and the Canon** John James Given,2024-05-17 Reprint of the original first published in 1881 *Scripture Inquiry Into the State and Condition of Mankind* James Paterson,1828 **The Doctrine of Scripture** Brad East,2021-08-27 When Holy Scripture is read aloud in the liturgy the church confesses with joy and thanksgiving that it has heard the word of the Lord What does it mean to make that confession And why does it occasion praise The doctrine of Scripture is a theological investigation into those and related questions and this book is an exploration of that doctrine It argues backward from the church s liturgical practice presupposing the truth of the Christian confession namely that the canon does in fact mediate the living word of the risen Christ to and for his people What must be true of the sacred texts of Old and New Testament alike for such confession and the practices of worship in which they are embedded to be warranted By way of an answer the book examines six aspects of the doctrine of Scripture its source nature attributes ends interpretation and authority The result is a catholic and ecumenical presentation of the historic understanding of the Bible common to the people of God across the centuries an understanding rooted in the church s sacred tradition in service to the gospel and redounding to the glory of the triune God *Spiritual Tensions* Bob Dukes,2021-11-10 *Spiritual Tensions* is a 2 part workbook for emerging leaders *Living In The Tensions* will help disciples learn how to navigate the tensions in the spiritual life while *Tensions Within Christianity* focuses on issues that sometimes cause conflict among Christians Here s what you will find inside *Living In The Tensions* The Eternal Versus The Temporal Developing Realistic Expectations The Problem Of Sin Sorting Out Good And Bad The Spiritual Battle Tensions within Christianity Defining Success In The Church

Fudge,2017-01-27 A century before Martin Luther and the Reformation Jan Hus confronted the official Church and helped to change the face of medieval Europe A key figure in the history of Europe and Christianity and a catalyst for religious reform and social revolution Jan Hus was poised between tradition and innovation Taking a stand against the perceived corruption of the Church his continued defiance led to his excommunication and he was ultimately burned at the stake in 1415 What role did he play in shaping Medieval Europe And what is his legacy for today In this important and timely book Thomas A Fudge explores Jan Hus the man his work and his legacy Beginning his career at Prague University this brilliant Bohemian preacher was soon catapulted by virtue of his radical and popular theology to the forefront of European affairs This book fills a real gap in contemporary understanding of the medieval Church and offers an accessible and authoritative account of a most significant individual and his role in history Jan Hus belongs to the pantheon of extraordinary figures from medieval religious history His story is one of triumph and tragedy in a time of chaos and change God and Women JKohn D. Garr,2011-02-16 Since time immemorial women have been the most consistently and universally abused people group on Planet Earth as men in virtually every human culture have systematically unrelentingly and often violently dominated women Unfortunately women of faith have also been virtually bound in chains of submission and gagged by demands for silence since the end of the apostolic era God and Women brings serious biblical and historical scholarship to bear on the role of women in family society and church in an analysis of God s original intentions for women and for men at the moment when he created humanity Whether you are a woman or a man this book and the other volumes in this series will literally set you free challenging you to think and to act on divine truths from the Hebraic foundations of your faith You will clearly see God s original design and intent for women and you will start tearing down prison walls that have deprived half of God s children of the freedom to pursue his gifts and calling in the family in the society and especially in the community of faith **The Bible hand-book** Joseph Angus,1856
