The Publishers' Trade List Annual ,1989 **Stories that Jesus Told** Charles Palm,1985 *Dominion over Wildlife?* Stephen M. Vantassel,2009-04-01 For centuries Christians believed that God granted humanity dominion over the animal kingdom meaning that we had a moral right to kill manage and eat animals including wildlife Recently however environmental and animal rights activists have assaulted this traditional perspective They argue that dominion as expressed in meat eating and hunting has resulted in species extinction and environmental degradation Christian Animal Rights CAR activists suggest that the church must reevaluate its traditional beliefs in light of the fact that God s original creation was free of human on animal violence God they argue did not want man s dominion to be expressed through trapping killing and eating of animals These violent activities only came about after the Fall as God condescended to our hardness of heart CAR activists point to Christ s sacrificial work of reconciliation as a model for modern Christian behavior as Christ sacrificed for us we should avoid eating meat and hunting as ways we can participate in Christ s non violent work of reconciling creation to himself In this book Stephen Vantassel investigates the biblical ethical and scientific arguments employed by the CAR movement concerning human wildlife relations In this regard the book engages in practical theology by addressing several important questions How should Christians treat our wildlife neighbors Has the Church been wrong in its understanding of human dominion Does God want Christians to avoid hunting trapping fishing and adopt a vegetarian lifestyle This book provides answers to these questions by detailing a theology the author calls Shepherdism Safari with Jesus Christ Gideon K. Wambua,2006-04-10 Safari with Jesus Christ is a compilation of testimonies of people who have witnessed Gods mighty power Reading this book is like reading the Bible in bed it facilitates reading the Bible in a new and interesting way Readers will no doubt be inspired to start or continue with their safari in Jesus Christ However when that darkest night arrived and I steeled myself to put my plan into place I called out to Christ for the first time in my life and He heard me Out of my despair I cried out to God asking Him to help me and take away the sad feelings that had taken full control of me I cant recall exactly the strange things that happened during my prayer but I was overcome by emotion and cant remember ever crying so hard I went into a deep sleep and the following day was delighted to find all my sadness gone God had infiltrated my foolproof plan From then on I vowed to surrender my life to Him and have never regretted my decision With your purchase of this book a donation 20% of royalty will be made to the rebuilding of churches initiative in Katrina affected areas God bless you go to www.safariwithjesuschrist.com please Gideon K Wambua **Learning Directory** ,1970 *Momentum* ,1985 Hittite Studies in Honor of Harry A. Hoffner Jr. on the Occasion of His 65th Birthday Gary Beckman,Richard H. Beal,Gregory McMahon,2003-06-30 A tribute to America s preeminent scholar of Hittite language and culture Professor Harry A Hoffner Jr of the Oriental Institute of the University of Chicago The thirty four contributors students and colleagues treat topics as diverse as Hittite contacts with the Mycenaean Greeks the topography of the Hittite capital and various aspects of Hittite

grammar and etymology **Safari Based Theology** Dr. Enos Lwamba, 2012-12-21 In Safari based Theology Dr Enos Lwamba has developed an approach to theology and mission based on his proposed safari motif for the development of theology and mission Based on his Ph D dissertation The Safari Motif in the Development of Theology in Africa Dr Lwamba argues that God has used a series of divine redemptive safaris in the Bible to reveal Himself progressively to people The author develops his proposed motif around a tri dimensional conception of reality and time and explores a threefold aspect of the safari mwanzo sasa and mwisho which provide keys to the African mindset He explores the various meanings and uses of the safari idea from both a biblical and theological perspective In addition to the literal safaris journey is an analogy of the church and believers are on a divine safari individually and collectively The safari model highlights the absolute necessity of the biblical message and the contextual situation to help Christians live effective and fruitful lives in society now and in future Inspired by both John Mbitis The African Concept of Time and Paul Hieberts The Flaw of the Excluded Middle the author utilizes biblical theological historical and contextual sources to make his point In the philosophical aspect of the safari the author develops his notion of an African conception of time modeled on the cultural safari idea which he relates to development of theology and mission He refutes the western influenced or commercially based notion that safari refers to a game hunting or tourist expedition to Africa Dr Lwamba promotes the argument that the philosophical framework and methodology drawn from the safari approach provides a more effective way of doing theology and mission in Africa and other contextual situations He also draws parallels to the safari concept from such sources as Augustines City of God John Bunyans The Pilgrims Progress and others in a refreshing and original style that the reader will find engaging The motif provides interpretational and practical application tools as it harmonizes the unity of the biblical message Its practical appeal makes Safari Based Theology a must read for Christians and others interested in their daily journey of faith The author contends that just as the idea of logos described the mindset conception of divine truth and aspirations of the Greek mind the concept of safari does the same for the African This book is highly recommended for pastors missionaries and teachers as well as students of Bible and theology culture and missions and other related disciplines **Bialik, the Hebrew Bible and the Literature of Nationalism**

David Aberbach, 2023-05-25 This book explores the life and poetry of Chaim Nachman Bialik 1873 1934 in the context of European national literature between the French Revolution and World War I showing how he helped create a modern Hebrew national culture spurring the revival of Hebrew as a spoken language The author begins with Bialik s background in the Tsarist Empire contextualizing Jewish powerlessness in Eastern Europe in the late nineteenth century As European anti Semitism grew Bialik emerged at the vanguard of a modern Hebrew national movement building on ancient biblical and rabbinic tradition and speaking to Jewish concerns in neo prophetic poems love poems poems for children and folk poems This book makes accessible a broad but representative selection of Bialik s poetry in translation Alongside this a variety of national poets are considered from across Europe including Solomos in Greece Mickiewicz in

Poland Shevchenko in Ukraine Njego in Serbia Pet fi in Hungary and Yeats in Ireland Aberbach argues that Bialik as Jewish national poet cannot be understood except in the dual context of ancient Jewish nationalism and modern European nationalism both political and cultural Written in clear and accessible prose this book will interest those studying modern European nationalism Hebrew literature Jewish history and anti-Semitism **Letters from the Hittite Kingdom** Harry A. Hoffner, 2009
