Scripture Alone Exploring The Bibles Accuracy Authority And Authenticity:

Scripture Alone James R. White, 2004-10-01 A denial of the sufficiency of Scripture is at the core of almost every form of opposition to the Christian faith today Scripture Alone is written to instill a passionate love for and understanding of the Bible In this defense of God s inspired Word readers will comprehend what God s Word is the nature of Scripture the relationship of the Bible to tradition how to apply Scripture to today s issues and much more Included is a faith inspiring study of the canon what it is and where it came from

Scoffers Simon Turpin, 2021-08-25 The pervasive influence of unbelievers is a force that demands an answer from the body of Christ Scoffers Responding to Those Who Deliberately Overlook Creation and the Flood offers a strong defense for biblical authority equipping believers to stand firm preach the truth and make disciples The reality of the biblical account of the Flood is that it is a horrifying account of judgment but also one of glorifying redemption The scoffers of Peter s day were very much like modern day skeptics in that they deliberately overlook the facts of biblical history The cost of their unbelief is catastrophic even within the Christian church Author Simon Turpin the executive director of Answers in Genesis in the U K prepares us to confidently counter the philosophical bias of scoffers by Revealing how the Gospel of salvation can only be understood in light of the Genesis account of a six day creation and the global Flood Providing an in depth analysis of 2 Peter 3 to defend the biblical account of Creation against the false notions propagated by scoffers Presenting a strong defense for the coming of Christ and Christianity for those who have rejected the truths found in Genesis 1:11 Scoffers gives today s Christian families and leaders a strong defense for the authority of God s Word helping the Church to withstand in the evil day and having done all to stand Ephesians 6:13

The Contextual Abuse of the Watchtower Society Brian Orr, 2013-12-06 The purpose of this work is to demonstrate the lack of reasoning and contextual misuse by the Jehovah s Witnesses in their use of sources and the Scriptures to support their erroneous beliefs and doctrines

of biblical truth Darrell H Hahn Hospice Chaplain Pastors and seminary students want our work even our academic writing to be beneficial to our own souls and also to our churches and families Unfortunately much of our academic work usually provides little direct benefit to those whom we care about the most To resolve this deficiency Nathan has re cast the produce of some of his best research into a more user friendly format Hes done this mainly with his family and church in his mind and on his heart I think hes done us all a great service in the process Chris Wilson Pastor of Payneville Baptist Church in Payneville KY

Book 3 Authority HC Kurt Jurgensmeier,2012-08-22 Is Scripture really our ultimate authority Most Christians answer this question by simply saying The Bible is my final authority But as we explain here such a view forgets that there is a human being between us and the Bible which is why there are a multitude of interpretations of the Bible that people live by Reformed theologians in particular have claimed that a testimony of the Spirit or some sort of an additional revelation of the Spirit confirms to us what is true But again we can demonstrate that there is no biblical or practical support for this Accordingly we are back to our God given reason and the right and responsibility of private judgment as our ultimate subjective authority by which we live by Postmoderns are right then to assert that our own reason is the god we live by But they are wrong to ignore that our ultimate objective authority is God Who our reasoning will be judged by **Biblical**

The Fight for Sola Scriptura Matthew Cserhati,2025-01-17 Today the exclusive authority of the Bible is under heavy attack This principle is known as sola scriptura The charismatic movement pays lip service to it it is ignored by liberalism and it is attacked by the Roman Catholic church But even the evangelical world cannot adequately defend the biblical teaching of sola scriptura since even the church has been compromised with competing authorities In this book the reader will understand what sola scriptura is and what it is not and how to articulate it defend it based on the Bible and apply it to his life An overview of the historical development of scriptural authority is provided Several different philosophies will be examined in this book and will be compared with one another on how they relate to Scripture These include the charismatic movement liberal theology Roman Catholicism Eastern Orthodoxy dispensationalism Open Theism

theistic evolution and certain strains of evangelicalism We shall see that the reason extra biblical authorities are given currency is because the authority of the Scriptures themselves are cast into doubt

Rethinking Eschatology Jason L. Quinter, 2025-01-23 In Rethinking Eschatology Jason L Quinter presents a compelling defense of postmillennialism a theological view that Christ s reign has already begun and is advancing throughout history Challenging popular end times scenarios of decline Quinter argues from a biblical and historical basis that the kingdom of God is progressively expanding through the global spread of the gospel Drawing on scholars like Kenneth Gentry and Keith Mathison he shows how the Scriptures depict a victorious ever growing Christian influence culminating in Christ s return and the final renewal of creation This book is ideal for students of Scripture church leaders and anyone seeking an optimistic and well reasoned perspective on God s plan for history and the future

The Case for Catholicism Trent Horn, 2017-11-29 This is the most up to date comprehensive and thorough defense of the Catholic Church against Protestant objections in print This book is especially relevant as the 500th anniversary of the Protestant Reformation draws near and discussion of the arguments made against the Church during that time in history receive renewed interest The Case for Catholicism answers arguments put forward by early Reformers like Luther and Calvin as well as contemporary defenders of Protestantism like Norm Geisler and R C Sproul It provides a meticulous defense of the biblical and historical nature of Catholic doctrines from Scripture and church history Finally in both answering Protestant objections to Catholicism and in providing evidence for the Faith The Case for Catholicism cites modern Protestant scholars who question Reformation assumptions and show how evidence from Scripture and church history support aspects of Catholic theology This book is divided into four sections with each answering a key question Christians have asked about the nature of their faith Those key questions are What is my authority What is the Church How am I saved Who belongs to the body of Christ The Case for Catholicism will become a reliable resource for any Catholic who desires a well researched readable and persuasive answer to Protestant arguments made against the Catholic faith
