Service Evangelism:

Service Evangelism Richard Stoll Armstrong, 1979-01-01 Service Evangelism has been used by thousands of pastors and lay leaders throughout the United States and Canada to advance a style of evangelism that combines the social and personal dimensions of the gospel

Four Views of Youth Ministry and the Church Wesley Black, Chap Clark, Malan Nel, 2010-01-05 Join the conversation as experts propose defend and explore Four Views of Youth Ministry and the Church In a dialog that often gets downright feisty four youth ministry academicians delineate their distinct philosophical and ecclesiological views regarding how youth ministry relates to the church at large and leave a taste of what s profound and what s not in these four typologies Inclusive congregational Malan Nel What happens when a church thoroughly integrates its adolescents making them full partners in every aspect of congregational life Preparatory Wesley Black Why and how should a church consider its teenagers as disciples in training and its youth ministry a school of preparation for future participation in church life Missional Chap Clark What does a church look like whose youth ministry does not necessarily nurture church kids but is essentially evangelistic Whose youths and youth workers are considered missionaries Strategic Mark Senter How feasible is it for a youth ministry to become a new church on its own the youth pastor becoming the pastor and the new church planted with the blessing of the mother church In Four View of Your Ministry and the Church solid academic writing and an inviting tone and design create a compelling text for both in the field practicing youth workers and undergraduates and graduate students

Models of Evangelism Priscilla Pope-Levison, 2020-10-27 Many sincere Christians dismiss evangelism due to enduring evangelistic caricatures This book helps readers move beyond those caricatures to consider thoughtfully and practically how they can engage in evangelism whether it s through one on one conversations social media social justice or the liturgy of worship services At once biblical theological historical and practical this book by a seasoned scholar offers an engaging well researched and well organized presentation and analysis of eight models of evangelism Covering a breadth of approaches from personal evangelism to media evangelism and everything in between Priscilla Pope Levison encourages readers to take a deeper look at evangelism and discover a model that captures their attention Each chapter introduces and assesses a model biblically theologically historically and practically allowing for easy comparison across the board The book also includes end of chapter study questions to further help readers interact with each model

Evangelism Today Scott Dawson, Scott Lenning, 2009-08-01 Although the message of the Gospel never changes our methods for communicating it need to adjust to an ever changing audience Evangelism Today helps believers whether individually or in groups share their faith in a culturally relevant way This book draws on insights from dozens of evangelists church leaders and educators to reveal present and future trends of evangelism in America It explores whether evangelism is still needed and in what form what the local church s role should be and where the biggest evangelistic opportunities are emerging Readers in any occupation or stage of life will gain a renewed passion for spreading the message of the cross from this practical and

straightforward book *Be Dynamic (Acts 1-12)* Warren W. Wiersbe, 2012-12-10 The ministry of the Holy Spirit is not a luxury it is an absolute necessity writes celebrated author and respected pastor Warren Wiersbe In his first of two books covering Acts *Be Dynamic* focuses on Peter's ministry mostly in Israel and centered in Jerusalem Through explaining Luke's record of the Gospel's advancement and church expansion Wiersbe opens the door to understanding the work of the church today Using hard hitting quotes from recognized names like St Augustine and John Bunyan Wiersbe proves himself as a well read author and gifted writer The depth of his study is astounding yet the accessibility of his text for every age group is evident as well He proves what Luke intended for Acts to be interpreted not as the apostles glorious acts but as the life changing acts of the Holy Spirit The same Spirit lives in believers today the same God calls followers to expand His church and the same basic problems still arise within the church but the same power available then is still available now to change the nations *Saving Souls, Serving Society* Heidi Rolland Unruh, Ronald J. Sider, 2005-10-06 As public funding for social services has been slashed there has arisen an unprecedented interest in the potential and dangers of faith based institutions as agents of social change This text seeks to answer pressing questions surrounding this important and controversial issue

Churches That Make a Difference Ronald J. Sider, Philip N. Olson, Heidi Rolland Unruh, 2002-04-01 Churches over the past generations have been weakened by a failure to meet both the physical and spiritual needs of their communities Many have adopted a narrow vision focusing on only one aspect of ministry But in today's environment of faith based opportunities many Christians are eager to start reaching out to their world with both Good News and good works and therefore they are searching for appropriate ways to integrate both into their ministry In *Churches That Make a Difference* best selling author Ron Sider and his coauthors give those involved in community outreach a comprehensive resource for developing holistic ministry a balance of evangelism and social outreach Illustrations and helpful organizational tips detail the how to's of an effective holistic ministry Case studies that show how different churches across the United States reach out to their communities provide a variety of ideas and practical applications User friendly tools are included as well for congregational studies surveys evaluations and community assessments The authors draw on extensive experience with church ministries and faith based organizations as they share the life changing vision and biblical mandate for living the whole gospel Church leaders will be encouraged in their process of developing and maintaining a holistic ministry and local churches will rediscover a passion for loving the whole person the way Jesus did *The 7 Principles of an Evangelistic Life* Douglas M. Cecil, 2003-06-01 Just hearing the word evangelism stirs emotions in believers and unbelievers alike Because of this many believers shy away from the topic altogether Douglas Cecil believes we must bring a sense of balance into our approach to evangelism *The 7 Principles of an Evangelistic Life* is not another book on evangelism methods rather the author focuses on helping believers develop a lifestyle of evangelism that relies completely on the Holy Spirit Evangelism is a spiritual adventure and readers will be challenged to re think how they live it out **Small Group Outreach** Jeffrey
