Miethe, 2016-04-19 Dr Norman L Geisler has been called the father of evangelical Christian philosophy He has written more than one hundred books and taught at universities and top seminaries for some fifty six years He was the first president of the Evangelical Philosophical Society and the founder and first president of the International Society of Christian Apologetics He has spoken or debated in more than two dozen countries and held pastoral pulpit ministries in four states Many view him as a cross between Thomas Aquinas and Billy Graham No one has done more to communicate the modern challenges of the Faith to the average Christian to the church and to the academy This volume offers creative and constructive essays from twenty three contributors all notable in their own right who preserve and propagate Dr Geisler s ideas and express appreciation for his influence Those who know him best say he is true faithful and blessed by God Food and God Joel R. Soza, 2009-05-13 The central thesis of this book is that Western culture and American culture in particular needs an immediate change with regard to food and eating Western over indulgence is exacerbated by hunger and deprivation in the world Learning to think theologically and not just medically or psychologically about one s eating habits will lead to positive personal and communal changes In Food and God Joel Soza offers readers a deeper understanding of Christian faith one that will help them learn to think of eating as not merely a physical act but as a spiritual exercise Readers will become more aware of world need and preference for others while also learning how to improve their own health control their own weight and develop greater spiritual awareness and sensitivity in the daily and routine activity of eating This book evaluates both Old and New Testaments as well as some theology in the history of the Church to arrive at an understanding of how one should think about food and eating in relationship to God and the world The reader will learn of the key role food plays in the biblical creation and temptation narratives They will learn of

the enormous labor that went into food preparation in the ancient world and what sages have had to say about food indulgence throughout time and many cultures Finally readers will encounter Jesus s invitation to think about food in spiritual ways gaining an understanding as to what it means that Christianity is a movement with table fellowship at the forefront of its faith expression [To Serve God and Wal-Mart](#) Bethany Moreton,2010-09-07 This extraordinary biography of Wal Mart s world shows how a Christian pro business movement grew from the bottom up as well as the top down bolstering an economic vision that sanctifies corporate globalization **Anchor** James B.
