**An Introduction to Concepts of Nutrition: a Participant Workbook** Anja

Morris-Paxton, 2019-02-13 The concepts of nutrition encompass two kinds of knowledge and ability. The first one is a knowledge and understanding of the individual nutrients that we need as human beings to work, learn, socialize and exercise at our best. We need to understand what they are, what they do, and what happens if we do not have these nutrients. The second one is the ability to use these nutrients together to understand which foods they come from and what to do with these foods so that we get all the nutrients we need in the amounts that we need them. This program looks at nutrition from a holistic point of view that it not only gives facts about the nutrients we need but also looks at what to do with our newfound knowledge and understanding.

**The Miracles of Jesus - Women's Bible Study Participant Workbook** Jessica

LaGrone, 2017-09-05 Jesus demonstrated the presence and power of God by performing miracles. He turned water into wine, healed the sick, calmed the storm, opened blind eyes and raised the dead. While these beloved stories draw our attention to divine power, they also have something else in common: human desperation. Every time we see Jesus performing a miracle, we also get a glimpse into the gift of desperation, a gift that opens us to the dramatic power of God through our desperate need for him. In this six week Bible study, Jessica LaGrone leads us in a captivating exploration of the miracles of Jesus, helping us to see that our weakness is an invitation for God to work powerfully in our lives and reminding us that we need God on our best days just as much as we do on our worst. Themes and miracle stories include the gift of desperation, turning water into wine, and other signs of God's response of fullness in our times of emptiness; the miracle of abundance, feeding the 5,000 and other abundance stories; miracles on the water, calming the storm, walking on water, the abundant catch; Jesus our healer; 5 stories of healing, death and resurrection; Lazarus, Jairus' daughter; the miracle we all receive: the Incarnation. The participant workbook includes five days of lessons for each week, combining study of Scripture with personal reflection, application and prayer. Other components for the Bible study available separately include a Leader Guide, DVD with six 20-25 minute sessions and boxed Leader Kit.
