Welcome then to this travel guide for a journey with a particular purpose connecting with the elements that are so basic and universal to all of us. We will look at the many ways that different faiths have danced with earth, water, fire, and air throughout history, coming to a deeper appreciation of each way's uniqueness and a greater respect for one another's paths at the same time, remembering the commonality of our human beginnings.

The Preface: The root of human spirituality is grounded in four elements: earth, water, fire, and air. They are common to all people, and almost every spiritual path. They are the keys to our understanding of Spirit, and they can help you achieve personal fulfillment and reconnection with others. This inspiring guidebook explains the role of the elements in different faith traditions and how they've been incorporated into religious practices and ceremonies. You will be encouraged to explore your own spiritual connection to the elements through engaging activities, enlightening meditations, and evocative poems and prayers.

Earth, Water, Fire, and Air: a celebration of how all people are connected by the elements. You will come away with a deeper relationship to others, your own spirit, and this sacred planet. You can't help but be drawn into the elemental approach to spirituality detailed in these pages. Identifying the four basic elements as humanity's first ways of knowing Spirit, and reminding us of their value for spiritual nourishment.

Earth, Water, Fire, and Air: reveals our human interconnectedness and offers a fascinating look at element-based symbols, traditions, and ceremonies. Explore the spiritual traditions that have incorporated the elements into their practices, including Buddhism, Christianity, Earth-honoring paths, Hinduism, Islam, Judaism. Creative activity suggestions serve to enrich our spiritual relationship with each element, both individually and in community with others, and to help us discover how deeply nourishing it can be to live in an elemental way.

She Is Everywhere! Vol. 2 Lucia Chiavola Birnbaum, Annette Lyn Williams, Karen Nelson Villanueva, Ph. D. Lucia Chiavola Birnbaum, 2008. Splendid spiritual and subversive: this anthology offers a sampler of just some of the feminisms emerging in academic seminars, street demonstrations for justice, and places where people are reclaiming their ancestral values. *She Is Everywhere Vol. 2* is comprised of international essays, poems, and works of art from the growing community of women and men who recognize Her and feel Her call to expression in many forms. This unique volume presents a fresh look at women in the Judeo-Christian Bible, in the Koran, and in the kaleidoscopic beauty of the world's women, from her signs in caves, cliffs, and forests to her many faces, manifestations, and hidden places. Celebrate woman's spirituality, her colors, her islands and continents, her rages and blessings in weather, her silences, and her surprising epiphanies. *She Is Everywhere Vol. 2* leads the contemporary cultural and political nonviolent revolution for a radically democratic and harmonious world full of compassion, equality, and transformation.
