The book covers my life growing up as a child in a poor neighborhood helping my single parent mom raise six sisters and brothers. I never lost sight of the challenges facing my family and doing whatever was necessary to help. Working after school was mandatory for our existence. I later went on to earn a BS in Electrical Engineering from Tennessee State University and a Masters degree in Industrial Engineering from the University of Toledo. I handled the opportunities as they presented themselves. The Corvette was suffering from poor quality and low customer satisfaction when I arrived, and at my retirement we had achieved the highest quality and customer satisfaction ever experienced. August 29, 2013 I am being inducted into the Corvette Hall of Fame of the National Corvette Museum. *Barrel and Box and Packages* , 1917. Public Service Magazine , 1921. Beginning in the Garden of Eden between God and Lucifer, truth and falsehood, good and evil, light and darkness. A battle for the souls of Man. God created man to multiply, subdue, and have dominion over the earth. But Lucifer or Satan, the ruler of the world system, was envious of God's love for man. He deceived Adam and Eve to sin against God. Ever since then, Satan has ensnared various men across time, advancing his agenda to create world-wide financial dominion, thus controlling the political, spiritual, and economic systems everywhere with himself taking full lordship over God's creation. This is why I, Grace Baumgarten, Cannot Be Silenced. With this being an election year,

in the USA and its consequent Changing of the guard being informed about the secret societies or Enlightened Elites is imperative Their ideology True freedom is liberation from God and from moral constraints with no absolute faith To them All truth is relative to the individual or group With back room dealings ruinous bailouts and elimination of basic human values theyve turned the USA over to be dissected corporate style and theyre forcing this fraud on you and me Yet our founding fathers constructed a different concept one of freedom under the authority of Almighty God as the Great Ruler with His creation nations and peoples empowered from on High His Bible and His Commandments are the authoritative Word of God and the basis for law life and true liberty My first book was just the beginning and so much has happened Therefore following a one year sabbatical I started writing one sentence at a time knowing one day this book would be born I Cannot Be Silenced
