K. Mather,2020-10-08 The Interpreting Spirit is both a consideration of the Spirit s role in the interpretation of Scripture and a celebration of renewal scholarship It examines those who have focused on the Spirit s role in their hermeneutical considerations recognizing common uniting themes amidst the diversity of scholarly approach and opinion Working on the principle that the Spirit communicates in ways that seek to unify and celebrate the other Mather works diachronically from 1970 identifying and drawing together these common uniting hallmarks into a collective understanding Pivotal to Mather s argument is her emphasis that we do not just interpret Scripture but that the Spirit through Scripture and working in our lives in ways that lead us towards Scripture interprets us The Interpreting Spirit is the first comprehensive analysis of the conversation surrounding pneumatic interpretation that has been taking place particularly among renewal scholars since 1970 It seeks to answer the notoriously difficult question What does the Spirit do in the process of biblical interpretation

**Unleashed** Peter J. Bellini, 2018-10-31 The ministry of casting out demons is either entirely dismissed on one hand or misused and abused on the other A closed system natural worldview utterly rejects the notion of a spirit world with spirit beings To the other extreme some shortsighted deliverance ministries reject the validity of the health professions and identify every problem in the life of the believer as demonic The theology of these ministries fails to account for the power of the cross and its daily application in the life of the believer as the normal way in which God delivers from sin and evil All challenges in the life of the believer do not necessitate a deliverance session Unleashed is a book that offers a balanced perspective on these matters including an instrument that can be used to assist in discerning the probable need for deliverance The C1-13 instrument is revolutionary transcending the usual inventories by applying variables that are key factors to differentiating degrees of demonic influence The instrument is also distinct due to its integrative approach that cross references the work of other professional fields to arrive at a comprehensive picture of the problem and thus a more extensive and effective treatment

**All Sickness IS NOT Physical** Henry Whitehead,2013-07 All sickness is not physical is a book that I have desired to write because of the controversial issues that surround the issue of sickness and disease I believe that I have been given a profound revelation about the subject Because there are so many points of view about this subject matter it has almost become disheartening to discuss it therefore many people will never receive the healing they seek In this simplistic but informative and inspiring book I desire to share with you the revelation knowledge that God has given me to challenge you to look at sickness and disorders differently not to feel guilty or condemned but to be informed and released from the insidious strongholds that plague us and hinders us from living the quality life intended Henry Whitehead

**Adventures in Spiritual Warfare** William P. Payne,2018-05-04 Even though they lack the words to describe it most people know that spiritual warfare is real This book pulls back the curtains and gives the reader a front row seat to the most exciting show of our time Each chapter pairs riveting personal stories with solid biblical teaching to give the reader practical guidelines for defeating Satan and living a victorious Christian life Perhaps you feel like Peter felt when Jesus commanded him to leave the safety of his boat and step upon the tempestuous sea Because he trusted Jesus he obeyed him Later Jesus told the disciples that they would do greater things This book will help you find the courage to step out of your comfort zone and walk into the world of power ministry Thankfully a series of profound encounters with evil supernaturalism forced me to overcome my internal resistance to spiritual warfare After I learned how to flow with the Spirit defeat the enemy and set the captives free my life has never been the same Are you ready to join the battle
