The Israeli press rarely refers to the movement since its inception, despite the considerable publicity it has enjoyed in The New York Times. "The number of Israeli Christians who will observe Yom Kippur is likely to be the lowest among all 1990's religious holidays," says Yehuda D. Kohn, editor of *Haaretz*, an Israeli newspaper, in an article entitled "Kippur: The Jewish Religion, a Jewish Nation, a Jewish People, and the Jewish People in Israel." "The Jewish people in Israel," he writes, "are not all Jews, and not all Jews are in Israel, and not all Jews are Jewish." "It seems that the number of Jewish Israelis, like other postmodernists, is growing smaller and smaller."<sup>1</sup>

to insolvency in 2012 The Regulator only lowered its financial viability rating for Cosmopolitan in December 2012 despite the fact that he had been monitoring the situation for months and the possibility of insolvency had been raised in the media two months previously The report also raises concerns about how effectively the Regulator is discharging his remit for consumer regulation Noting that of 111 complaints related to consumer standards referred to the Regulator no case of serious consumer detriment was found the Report calls for an annual external check to be carried out to provide assurance that the Regulator is discharging his duties effectively
