Intellectuals, Culture and Public Policy in France Jeremy Ahearne, 2010-01-01 French intellectuals have always defined themselves in political terms typically as opponents to a corrupt government but challenging state authority is not the only way intellectuals in France have exerted political influence Jeremy Aherne invokes a neglected dimension of French intellectuals practice where instead of denouncing the worlds of government and public policy French intellectuals become voluntarily entangled within them The book consists of a series of case studies exploring policy domains from religion and secularization to educational reform and the media It explores the political engagement of intellectuals such as Pierre Bourdieu Michel de Certeau and Andr Malraux and will be required reading for scholars of French political and social history

France and the Construction of Europe, 1944-2007 Michael Sutton, 2011-03 This comprehensive history shows how France coupled the pursuit of power and the furtherance of European integration over a 60 year period from the close of the Second World War to the hesitation caused by the French electorate s referendum rejection of the European Union s constitutional treaty in 2005

An Historical Geography of France Xavier de Planhol, Paul Claval, 1994-03-17 In this 1994 book Xavier de Planhol and Paul Claval two of France s leading scholars in the field trace the historical geography of their country from its roots in the Roman province of Gaul to the 1990s They demonstrate how for

centuries France was little more than an ideological concept despite its natural physical boundaries and long territorial history They examine the relatively late development of a more complex territorial geography involving political religious cultural agricultural and industrial unities and diversities The conclusion reached is that only in the twentieth century had France achieved a profound territorial unity and only now are the fragmentations of the past being overwritten OECD Regional Development Studies The Governance of Land Use in France Case studies of Clermont-Ferrand and Nantes Saint-Nazaire OECD,2017-02-28 This report examines how land is governed in France It describes the laws policies and practices that shape spatial and land use planning in the country as a whole and provides a detailed assessment of Clermont Ferrand and Nantes Saint Nazaire
