Seven Beforewakeup Stories:

British Books in Print ,1985 The New Beacon ,1978 The Seventh Sorcerer Stephen Hayes,2013-02 On the surface Chopville appears not unlike any other small town in rural Australia However its underbelly is more than extraordinary Amongst its modest community reside six people from two very different families they make up the six most powerful people in the world today Branded as Sorcerers they are the only six people in the world with true magical power Yet these two families do not cooperate together and although there is no open fighting in the year 2010 things weren't always that peaceful John Playman knows this as well as anyone at the age of 14 he is familiar with the concept of magic having been raised in a family heavily involved in the magical war 30 years earlier even though he has never met any of the Sorcerers himself This year however all that is about to change John and a group of his school friends will find themselves in an unprecedented situation and carrying a responsibility almost too great to comprehend John and his cohorts struggle on two fronts with their hormones raging and with the discovery of whom among them is to become the Seventh Sorcerer
