Seven Days to a Brand New Me Ellen Conford, 1982-07 Maddy purchases a self help book to help her become exciting witty and ravishing in seven days Texts Of Desire Linda Christian-Smith, 2014-01-14 Popular fiction continues to be the object of both academic and political Interest as educators seek to understand the role literacy plays in constructing gender class race ethnic sexual age and national subjectivities of young women Popular fiction represents both Ideological closure and utopian possibilities Nowhere are these double edged qualities more evident than In popular teen romance fiction Texts of Desire examines stories in which desire fantasy politics and economics are intertwined with literacy femininities and schooling It focuses on the role of teen romance and other popular fiction in the construction and re construction of femininities Internationally These texts many of which focus on girls first love experiences have stunned the publishing world with their record sales and international readership in little over ten years Developed in the United States amid the conservative political Reaganism teen romance fiction condenses and articulates the long standing fears and resentments of conservative groups regarding feminism and women s growing independence and political power Texts of Desire is a stimulating collection of essays which draw on multidisciplinary approaches from cultural studies and feminist theories psychoanalysis semiotics reader research and critical theory Internationally recognised researchers explore the complexity of the worldwide teen romance novel phenomenon and the political character of women s schooling and literacies *Seven Days to a Brand-New Me* , **Becoming a Woman Through Romance** Linda K. Christian-Smith, 2019-10-01 A woman is incomplete without a man motherhood is a woman s destiny and a woman s place is in the home These conservative political themes are woven throughout teen romance fiction s sagas of hearts and flowers Using the theory and interpretive methods of feminism and cultural studies Christian Smith explores the contradictory role that popular culture plays in constructing gender class race age and sexual meanings Originally published in 1990 Becoming a Woman through Romance combines close textual analyses of thirty four teen romance novels written in the United States from 1942 1982 with a school study in three midwestern American schools Christian Smith situates teen romance fiction within the rapidly changing publishing industry and the important political and economic changes in the United States surrounding the rise of the New Right By analysing the structure of the novels in terms of the themes of romance sexuality and beautification and the Good Bad and Strong Weak dichotomies she demonstrates how each has shaped the novels versions of femininity over forty years She also shows that although romance fiction is presented as a universal model it is actually an expression of white middle class gender ideology and tension within this class This high readable comprehensive and coherent work was the first to combine in one volume three vital areas of cultural studies research the political economy of publishing textual analysis and a study of readers The first full scale study of teen romance fiction Becoming a Woman through Romance establishes the importance of the study of popular culture forms found in school for understanding the process of school materials in identity formation

Tranquility David W. Henderson, 2015-09-01 There's never enough time. So we try to cram as much as possible into what little time we have: work, friends, play, rest. But what if? How do I fit it all in? Isn't the right question? Scripture has a lot to say about time. Taking a cue from Ecclesiastes: Better one handful with tranquility than two handfuls with toil and chasing after the wind and drawing on everything from Augustine's Confessions to conversations with air traffic controllers. David W. Henderson encourages us to move beyond merely trying to open up a bit of margin or to say no once in a while and to take a purposeful step back from our lives to examine those internal and external dynamics that propel us into busyness and hurry. Sharing honest stories about his own struggles with busyness, he helps readers explore the way the Scriptures frame our time, understanding the times, making the most of the time, and trusting God with the rest. For anyone who is tired of feeling the push and pull of our time-bent culture, this book will be a welcome invitation to rest and to live artful and faithful lives marked by peace and tranquility.

Bibliotherapy Beverly West, Nancy Peske, 2008-12-10 Because women read books differently than guys do, every woman knows books are more than a way to kill time on the bus; they're therapy that fits in our bag. Whether we're wallowing in a sullen, perennial adolescence or our biological clock is ringing and we can't find the snooze button, books are the dog-eared friends that help us deal with our baggage as we navigate life's journey. Now Bibliotherapy prescribes the best of classic and contemporary Chick Lit that women turn to again and again for inspiration: A Tree Grows in Brooklyn for escape; Ladder of Years for revenge against the patriarchy; Our Blood and for bonding with our girlfriends; Waiting to Exhale; Upper thigh spread sparking a midlife crisis; Read A Lady's Life in the Rocky Mountains and remember that it's not over until the fat lady yodels; Did your pot of gold turn out to be fourteen karat tin? Open your eyes with Awakening to the Sacred and learn to savor your rainbow. Wondering what all the fuss is about? Climb into bed with Lady Chatterley's Lover and explore your pleasure potential. With provocative points to ponder as you read, What is the metaphorical significance of a codpiece? Fun quotes and a list of books that must not be read but in Dorothy Parker's words, thrown with great force. Bibliotherapy ensures you'll always find the right literary prescription, no matter what phase of life you're teetering on the brink of. Plus: Doomed but Inspired: Heroes Books to Read When You're Sick of Your Career and Are Seriously Considering Taking Up Alpaca Ranching in Peru; Bad Girls We'd Like to Have Over for Girls Night; Books That Are the Equivalent of Citronella for Men and much more. From the Trade Paperback edition.
