Seven Wonders of the Industrial World, 2007 *Mysticism in Newburyport* Peter James Ford, 2022-10-05 SHADOW RIDERS is the third book in this seven book series under the title MYSTICISM IN NEWBURYPORT It is the continuing

unfolding story of just another soul's re-awakening in this lifetime to the truth of his divinity. After Peter's younger wild years growing up in Lynn, Massachusetts, with heavy alcohol use and abusing all the drugs of the sixties along with his love of riding motorcycles and physical training, he found himself crawling into the 12-step recovery program for alcoholics. Peter abused alcohol for seven years and he drank alcoholically right from his first drink. He used all the drugs of the sixties and combined both alcohol and drugs, which brought him to his knees at a very young age. He was to be involved in endless trouble with police cars and motorcycle crashes, high-speed chases, arrests, and many broken bones. Peter's journey in the recovery program began with a spiritual awakening, and he began his education about the spiritual principles and the ancient wisdom from the past. While Peter was living in the Newburyport area and reading ancient writings from meditation masters, Peter was to have a profound spiritual experience, and his journey back to his true self really began. Through the grace of a meditation master, Peter's own inner spiritual energy called kundalini burst wide open, and this energy flowed up his spine and chakras and caused incredible insights and experiences. It was later that Peter learned about Kundalini Yoga and what had happened to him. Peter was to have profound experiences in long nights of meditation down by the Merrimac River and to have numerous past-life experiences. To honor his spiritual awakening while in this historic seaport, he decided to use the name MYSTICISM IN NEWBURYPORT for the title. Peter's first book was introduced at the Miami International Book Fair as a modern-day version of the Herman Hesse classic novel SIDDHARTHA. These tales are about all the great people from this time in Peter's life and all the gifts and blessings that have flowed and continue to flow to this silly Irish seeker. Peter hopes that his writings will be of some use to others or at least bring a smile to the reader's face about the unique life of just another seeker. This book is dedicated to Barbara Eleanor Parton. She is in the below pictures on our bikes.
