Seven Years Of My Life:

Reminiscences of My Life In Camp Suzie King Taylor, 2014-11-20 Suzie King Taylor made a remarkable journey from slavery to freedom through service with the first black Civil War regiment to fight for freedom in America's history. Written toward the end of her life, her memories are not those of a battle veteran though she helped care for plenty of shattered bodies, heard the guns, and saw rebel soldiers at close range. At risk to her life and freedom, she served throughout the war as a teenaged nurse. Assigned as a laundress, she actually did very little laundering but instead played an important role in the care and spirits of black soldiers and their white commanders. Her depth of feeling about the past and her passionate hopes for the future bring her writing to life. This is an important contribution to American history that is made available in this volume for the first time for e-readers. Susie King Taylor 1848-1912 was an African American army nurse with the first black Union troops during the Civil War. She wrote the only memoir of an African American woman who had experience with combat troops. She was also the first African American to teach in a school for former slaves in Georgia. There is great beauty in some of the small details of Suzie King's recollections. She briefly ponders in amazement her ability to acclimate to the horrors of war. It seems strange how our aversion to seeing suffering is overcome in war; how we are able to see the most sickening sights such as men with their limbs blown off and mangled by the deadly shells without a shudder and instead of turning away, how we hurry to assist in alleviating their pain, bind up their wounds, and press the cool water to their parched lips with feelings only of sympathy and pity. She also writes of her delight in becoming proficient at field stripping, cleaning, and shooting a musket. Her final chapter is an eloquent plea for civil rights and a recognition that emancipation's promise was still a distant goal. Every memoir of the American Civil War provides us with another view of the catastrophe that changed the country forever. For the first time, this long out of print volume is available as an affordable, well-formatted book for e-readers and smartphones. Howard Anglin Palmer, 2021-12-06 For a boy growing up in Jamaica in the 1940s, going to school was not a given. Colonialism, colourism, and classism created educational barriers for anyone who wasn't rich or white. But from these early struggles, Howard Palmer devoted his career to education, even earning a PhD. This memoir covers the challenges and joys of Dr. Palmer's life from his family and Jamaican upbringing, his immigration to Canada in the 1960s, his lifelong educational pursuits, and raising his daughters after the tragic death of his wife. He also shares his insightful research into how Ontario's educational system was failing Black boys, findings that are sadly still relevant today. By sharing his story, Dr. Palmer hopes to encourage readers to examine their own personal journeys and gain a deeper understanding of persisting against the odds. **My Life** is a thorough, honest, and inspirational story of a Jamaican-Canadian man overcoming obstacles through faith and determination.

Kunneman, 2011-11-14 We live in an age when events and circumstances fill us with questions and apprehension What is going on Why are these things happening What is going to happen next Like the commercial about E F Hutton the world is longing to eavesdrop on secret conversations that might reveal answers to our tough questions In the Bible God always had a prophetic voice that carried His secrets to kings and leaders of nations In the same way today God desires for us to see and hear what heaven is up to concerning us here on earth This book gives important principles for receiving the secrets of the Lord whether they concern things such as terrorism violence and natural disasters or the daily occurrences of people in everyday life History of My Life Giacomo Casanova, 2007-02-06 The name of Giacomo Casanova Chevalier de Seingalt

1725-98 is now synonymous with amorous exploits and there are plenty of these vividly narrated in his memoirs But Casanova was not just an energetic lover In his time he was a diplomat businessman trainee priest traveler prisoner magician confidence man gambler professional entertainer and charlatan He financed business projects organized lotteries wrote opera libretti and dabbled in high politics Above all he was an autobiographer of enduring brilliance and subtlety who left behind him what is probably the most remarkable confession ever written Casanova explored to the full all the possibilities eighteenth century Venice offered by way of love and profit before being imprisoned escaping from jail and fleeing from the city to begin travels that took him across Europe In Moscow and London Berlin and Constantinople he met the famous men and women of his time Catherine the Great Voltaire Louis XV Rousseau and recorded his encounters for the memoirs he wrote in retirement at the end of his life History of My Life is by turns touching thrilling wonderfully comic and quite irresistible The present edition which includes approximately one third of Casanova's enormous and unfinished book contains all his major adventures and all his greatest affairs of the heart *I Survived the First Half of My Life* Lucynda, 2009-01-19

Born in a small town in New Hampshire Lucynda had a dream All she ever wanted in life was a little house with a white picket fence four kids and to live happily ever after She married her childhood sweetheart at age nineteen three weeks before he was to leave for Vietnam This book takes the reader down Lucynda's long and very rocky journey of divorce raising a child with his own personal challenges coming very close to committing suicide the bar scene and many very bad choices in men Then on to a second marriage that also fails but not until after encountering a stepchild with many emotional problems an extremely volatile relationship of being emotionally and sexually abused to finally experiencing personal growth peace and a relationship with God This book will make you cry make you laugh and hopefully help you to realize that you don't have to

stay in a bad relationship that there is hope for anyone who thinks they can't get out and that you will hopefully learn from her mistakes
