Seven Hundred Sixty First Tank Battalion:

The 761st Tank Battalion Childrens Press Staff, Kathryn Browne Pfeifer, 1994-03-01 **Black Defenders of America, 1775-1973** Robert Ewell Greene, 1974 This book describes the careers of black Americans in the armed forces from the Revolution through the Vietnam War Official Army Register United States. Adjutant-General's Office, 1928 Official Army Register for ... United States. Adjutant-General's Office, 1938 *U. S. Army Register* United States. Adjutant-General's Office, 1938 **U.S. Army Register** United States. Department of the Army, United States. Adjutant-General's Office, 1927

Congressional Record United States. Congress, 1945 **The American People in World War II** David M. Kennedy, 2003-11-20 Even as the New Deal was coping with the Depression a new menace was developing abroad Exploiting Germany's own economic burdens Hitler reached out to the disaffected turning their aimless discontent into loyal support for his Nazi Party In Asia Japan harbored imperial ambitions of its own The same generation of Americans who battled the Depression eventually had to shoulder arms in another conflict that wreaked worldwide destruction ushered in the nuclear age and forever changed their way of life and their country's relationship to the rest of the world The American People in World War II the second installment of Kennedy's Pulitzer Prize winning Freedom from Fear explains how the nation agonized over its role in the conflict how it fought the war why the United States emerged victorious and why the consequences of victory were sometimes sweet sometimes ironic In a compelling narrative Kennedy analyzes the determinants of American strategy the painful choices faced by commanders and statesmen and the agonies inflicted on the millions of ordinary Americans who were compelled to swallow their fears and face battle as best they could The American People in World War II is a gripping narrative and an invaluable analysis of the trials and victories through which modern America was formed The African American Press in World War II Paul Alkebulan, 2014-04-17 Black journalists have vigorously exercised their First Amendment right since the founding of Freedom's Journal in 1827 World War II was no different in this regard and Paul Alkebulan argues that it was the most important moment in the long history of that important institution American historians have often postulated that WWII was a pivotal moment for the modern civil rights movement This argument is partially based on the pressing need to convincingly appeal to the patriotism and self interest of black citizens in the fight against fascism and its racial doctrines This appeal would have to recognize long standing and well known grievances of African Americans and offer some immediate resolution to these problems such as increased access to better housing and improved job prospects 230 African American newspapers were prime actors in this struggle Black editors and journalists gave a coherent and organized voice to the legitimate aspirations and grievances of African Americans for decades prior to WWII In addition they presented an alternative and more inclusive vision of democracy The African American Press in World War II Toward Victory at Home and Abroad shows how they accomplished this goal and is different from other works in this field because it interprets WWII at home and abroad through the eyes of a diverse black press

Alkebulan shows the wide ranging interest of the press prior to the war and during the conflict Labor union struggles equal funding for black education the criminal justice system and the Italian invasion of Ethiopia were some of subjects covered before and during the war Historians tend to write as if the African American press was ideologically homogenous but according to Alkebulan this is not the case For example prior to the war African American journalists were both sympathetic and opposed to Japanese ambitions in the Pacific A Philip Randolph s socialist journal The Messenger accurately warned against Imperial Japan s activities in Asia during WWI There are other instances that run counter to the common wisdom During World War II the Negro Newspaper Publishers Association not only pursued equal rights at home but also lectured blacks military and civilian about the need to avoid any behavior that would have a negative impact on the public image of the civil rights movement The African American Press in World War II explores press coverage of international affairs in more depth than similar works The African American press tended to conflate the civil rights movement with the anti colonial struggle taking place in Africa Asia and the Caribbean Alkebulan demonstrates how George Padmore and W E B Du Bois were instrumental in this trend While it heightened interest in anti colonialism it also failed to delineate crucial differences between fighting for national independence and demanding equal citizenship rights in one s native land

Standing at the Scratch Line Guy Johnson, 2001-06-12 Raised in the steamy bayous of New Orleans in the early 1900s LeRoi King Tremain caught up in his family s ongoing feud with the rival DuMont family learns to fight But when the teenage King mistakenly kills two white deputies during a botched raid on the DuMonts the Tremains fear of reprisal forces King to flee Louisiana King thus embarks on an adventure that first takes him to France where he fights in World War I as a member of the segregated 369th Battalion in the bigoted army he finds himself locked in combat with American soldiers as well as with Germans When he returns to America he battles the Mob in Jazz Age Harlem the KKK in Louisiana and crooked politicians trying to destroy a black township in Oklahoma King Tremain is driven by two principal forces He wants to be treated with respect and he wants to create a family dynasty much like the one he left behind in Louisiana This is a stunning debut by novelist Guy Johnson that provides a true depiction of the lives of African Americans in the early decades of the twentieth century

Marine Corps Tanks and Ontos in Vietnam LtCol Ray Stewart USMC, 2021-02-05 Book 3 the last of a three book series continues from 1968 in book 2 to cover the action of Marine Corps Tankers and Ontos crewmen fighting the locally grown Viet Cong the better armed trained organized and equipped Viet Cong main forces and the North Vietnamese Army regulars from 1969 through 1970 in I Corps South Vietnam As in books 1 and 2 and continuing in book 3 it features hundreds of personal stories and on the spot real time interviews of Marines just returning from their fight all of which are framed within the official unit command chronologies and after action reports including documented lessons learned The maps personal pictures organizational charts and the citing of each Marine who gave his life are also linked to the Vietnam Wall and to the Foundation s website with volumes of additional information about the Marines and Ontos crewmen who left
