Seven Jersey Murders:

Seven Jersey Murders Gerald Tomlinson, 2003 Seven Jersey Murders covers seven highly publicized homicide cases in New Jersey between the years 1900 and 1921 It begins with the tragic death of a seventeen year old Paterson mill girl Jennie Bosschietter who was drugged and raped by four young men about town It then describes the shooting of Mary Bevans a farmer s wife in Peters Valley in 1903 and next the bathtub drowning of beautiful Ocey Snead in East Orange in 1909 The last two cases the slayings of John V Piper in 1917 in New Brunswick and Janette Lawrence in 1921 in Madison are officially unsolved Taken together the seven cases comprise a vivid part of the social history of New Jersey in the early 20th century

Mysticism in Newburyport Peter James Ford, 2023-02-19 MYSTICISM IN NEWBURYPORT is a seven book series revealing ancient secrets from masters of all cultures along with modern day breakthroughs by scientists and quantum physicists of our times These tales began flowing after Peter s powerful spiritual awakening in Newburyport Massachusetts Newburyport is a quaint little historic seaport on the coast heading towards New Hampshire Peter had been sober in the 12 step recovery program for many years and had recovered from his alcoholism Peter s love of Nature had brought him to the Newburyport area This area is rich with Nature s treasures Native American Heritage and many tales from the tall cargo ships of olden days High street was lined with homes of these Sea Captains Peter s awakening had given him new eyes and new highly evolved senses Peter was to have powerful past lives experience with his Mystery Woman guide named Layne Layne was a mystic that would tell people things about themselves that there was no way she could know She would look you in the eyes and tell you your deepest secrets She also knew about the Earth s electromagnetic grids and helped Peter understand what he was experiencing in Newburyport Peter s new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport Market Square was one of the crossroads for these powerful electromagnet energies that gives life to our planet Peter was to share the secrets that were revealed to him in his writings

The Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony Ann D. Gordon, 2013-01-10 The hush of the title comes suddenly when first Elizabeth Cady Stanton dies on October 26 1902 and three years later Susan B Anthony dies on March 13 1906 It is sudden because Stanton despite near blindness and immobility wrote so intently right to the end that editors had supplies of her articles on hand to publish several months after her death It is sudden because Anthony at the age of eighty five set off for one more transcontinental trip telling a friend on the Pacific Coast it will be just as well if I come to the end on the cars or anywhere as to be at home Volume VI of this extraordinary series of selected papers is inescapably about endings death and silence But death happens here to women still in the fight An Awful Hush is about reformers trained in the school of anti slavery trying to practice their craft in the age of Jim Crow and a new American Empire It recounts new challenges to an aristocracy of sex whether among the bishops of the Episcopal church the voters of California or the trustees of the University of Rochester And it sends last messages about woman suffrage As Stanton wrote

to Theodore Roosevelt on the day before she died Surely there is no greater monopoly than that of all men in denying to all women a voice in the laws they are compelled to obey With the publication of Volume VI this series is now complete

Mystic Peter James Ford,2023-10-19 Mysticism in Newburyport is a seven book series revealing ancient secrets from masters of all cultures along with modern day breakthroughs by scientists and quantum physicists of our times These tales began flowing after Peter s powerful spiritual awakening in Newburyport Massachusetts Newburyport is a quaint little historic seaport on the coast of Massachusetts heading toward New Hampshire Peter had been sober in the 12 step recovery program for many years and had recovered from his alcoholism Peter s love of Nature had brought him to the Newburyport area This area is rich with Nature s treasures Native American Heritage and many tales from the tall cargo ships of olden days High Street was lined with homes of these Sea Captains Peter s awakening had given him new eyes and new highly evolved senses Peter was to have powerful past life experiences with his Mystery Woman guide named Layne Layne was a mystic who would tell people things about themselves that there was no way she could know She would look you in the eyes and tell you your deepest secrets She also knew about the Earth s electromagnetic grids and helped Peter understand what he was experiencing in Newburyport Peter s new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport Market Square was one of the crossroads for these powerful electromagnet energies that give life to our planet Peter was to share the secrets that were revealed to him in his writings

Reflections Peter James Ford,2024-03-27 Peter James Ford The Unlikely Messenger is a unique individual with a broad understanding of life from having lived life from many lifestyles Peter experienced the good the bad the ugly and then an awakening and redemption His younger years found him struggling with alcoholism and the drugs of the sixties with having learning disabilities including attention deficit disorder and growing up in a violent environment Peter turned to physical training and motorcycles and found much satisfaction in both At an early age Peter crawled into the 12 step recovery program a broken man This was the beginning of Peter s spiritual journey Over the years Peter attained the promises of the program and began living a great life Many years later Peter was initiated into a yogic path that had begun thousands of years ago by an ancient lineage of Masters Peter did not realize that his profound spiritual experience at that time was actually a powerful Kundalini Awakening within him Shortly after his awakening these mystic tales of past lives and powerful wisdom truths began flowing Peter has just completed his seventh book about his life adventures and spiritual journey Peter hopes people find something useful in his writings or at least that they will bring a smile to your face when thinking about Peter this Unlikely Messenger

Vision Quest Peter James Ford,2023-12-13 VISION QUEST is a book recording the continual soul expansion of the seeker Peter James Ford Peter s journey began after a powerful spiritual experience in the little historic seaport in Newburyport Massachusetts In Peter s late night meditations which were along the Merrimac River the boardwalk the Salisbury Reservation on the Atlantic Ocean Plum Island Maudsley Estate State Park Pow Wow Hill Native

American Burial Grounds and Old Hill Burial Grounds he was having vivid explosions in his mind of seemingly past life experiences and powerful insights Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see Peter's intuition and senses increased in an almost scary powerful way giving Peter wisdom from unseen sources The source may be the Akashic Records Library that is not a physical library but a place in the ethers that contains all the wisdom and knowledge ever known to anyone over the eons We can access this power through ancient spiritual practices and apparently Peter has done just that Stories and Tales began flowing from Peter and he wrote his first book In the last three years Peter has written eight more books and shares everything he has found from his journeys to the inner worlds Peter wrote a seven book series under the title MYSTICISM IN NEWBURYPORT with an eighth bonus companion book called MYSTIC Now you are holding his new writings in your hands Peter laughingly calls himself An Unlikely Messenger as his younger years were nothing resembling anything spiritual So here is the story of just another seeker realizing his divinity and returning to his own heart *Murder and Its Consequences* Leigh B. Bienen, 2010-08-31 Resource added for the Psychology includes Sociology 108091 courses [Out of the Mouths of Serial Killers](#) Mary Brett, 2021-01-19 Learn why serial killers kill through their own words including Ted Bundy Jeffrey Dahmer the BTK Killer Aileen Wuornos and more than 70 others In this one of a kind book author Mary Brett corresponded with some of America's most evil convicted serial killers and asked just one question WHY Their return letters give an insightful look into the dark mind of each killer The reader also will be able to scrutinize direct quotes unedited from interrogation statements trial testimony media interviews and parole hearing inquests Seventy five serial killers are included in the book some only known to the unfortunate victims family friends and community while others are the most infamous in the annals of serial killers All bios feature the crime the capture the victims and background facts Crime scene photos some graphic are featured **Spree Killers** Mark Safarik, Katherine Ramsland, 2019-10-18 Spree Killers Practical Classifications for Law Enforcement and Criminology is the only exhaustive up to date analytical book on spree killers standing apart from those dedicated to mass murderers and serial killers Multicides have traditionally been categorized as double triple mass serial and spree while mass and serial have been further divided into subcategories Spree killing which involves the killing of at least three persons at two or more locations due to a precipitating incident that fuels the urge to kill remains a poorly defined concept In the United States the Federal Bureau of Investigation FBI eliminated this term from its multicide nomenclature in 2005 but the authors examination of 359 cases involving 419 spree killers from 43 countries shows that not only is there enough diversity among spree killers to form classifications similar to those devised for mass and serial but also that subtypes offer distinct utility for identification tracking and warning potential targets Spree Killers outline the designation of spree killer specifically and thoroughly In addition to looking at existing literature specific cases and the behavioral patterns it offers a fully worked up profile for the typology The behaviors and motives for spree killers align in six categories which are detailed in full The book

provides unique insight for police forensic and investigative personnel into what to look for to respond to and in some cases identify and stopping certain types of spree killings Philadelphia's Black Mafia S.P. Griffin,2005-12-08 Philadelphia's Black Mafia could be used as primary reading in deviance and organized crime courses Academicians in the fields of criminology sociology history political science and African American Studies will find the book compelling and important This book provides the first sociological analysis to date of Philadelphia's infamous Black Mafia which has organized crime with varying degrees of success in predominantly African American sections of the city dating back to the late 1960's Philadelphia's Black Mafia is a first step in developing both data and sophisticated theoretical propositions germane to the ongoing study of organized crime uses primary source documents including confidential law enforcement files court transcripts and interviews explores the group's activities in detail depicting some of the most notorious crimes in Philadelphia's history thoroughly examines the organization of the Black Mafia and the group's alliances conspiracies and conflicts challenges many of the current historical and theoretical assumptions regarding organized crime Channel Island Murders Nicola Sly,2013-05-15 Although an idyllic setting where violent crime is thankfully rare the Channel Islands have a shadier side Contained within the pages of this book are twenty five historic cases of murder committed in the Channel Islands They include a fatal assault on John Francis in 1894 which remains unsolved the murder by Philippe Jolin of his father in 1829 and the murder and suicide committed by Eugenie Toupin in 1881 all of which occurred in Jersey In Guernsey elderly widow Elizabeth Saujon was murdered during the course of a robbery in 1853 Edward Hooper drunkenly beat his wife to death in 1890 and housekeeper Elizabeth de la Mare murdered her elderly employer in 1935 wanting to hasten his demise on the understanding that she was the sole beneficiary of his will Nicola Sly's carefully researched and enthralling text will appeal to everyone interested in true crime and the shady side of Jersey Guernsey and Alderney's history *The Historic Murder Trial of George Crawford* David Bradley,2014-05-23 The Depression era murder trial of George Crawford in Northern Virginia helped end the exclusion of African Americans from juries Nearly forgotten today the murders ensuing manhunt extradition battle and sensational trial enthralled the nation Before it was over the U.S. House of Representatives threatened to impeach a federal judge the age-old states rights debate was renewed and a rift nearly split the fledgling NAACP In the end the story's hero Howard University Law School dean Charles Hamilton Houston was the subject of public ridicule from critics who had little understanding of the inner workings of the case This book puts the Crawford murder trial in its fullest context side by side with relevant events of the time **Murders in the United States** R.
