Seven Masters of Supernatural Fiction Edward Wagenknecht, 1991-10-30 Critical essays on J Sheridan Le Fanu Henry James M R James Algernon Blackwood Arthur Machen Walter de la Mare and Marjorie Bowen [Seven Masters of Supernatural Fiction](#) Edward Wagenknecht, 1991-10-30 Critical essays on J Sheridan Le Fanu Henry James M R James Algernon Blackwood Arthur Machen Walter de la Mare and Marjorie Bowen **The Furies of Marjorie Bowen** John C. Tibbetts, 2019-11-25 This first book length critical examination of the life and work of Marjorie Bowen 1885 1952 reveals a major English writer whose prodigious output included stories of history romance and the supernatural As Pulitzer Prize winning critic Michael Dirda writes in his Foreword Bowen may be the finest British woman writer of the uncanny of the last century a view that echoes the high regard of cultural historian Edward Wagenknecht who called her a literary phenomenon one whose best work places her alongside such contemporaries as Edith Wharton and Daphne du Maurier Publicly acclaimed known only by a series of pseudonyms including Marjorie Bowen but privately inscrutable she was and is a mysterious and complex character Drawing for the first time upon archival resources and the cooperation of the Bowen Estate this book reveals a woman who saw herself as a rationalist and serious historian but also as a mystic and dark enchantress of dread Above all through a lifetime of domestic storms and creative ecstasy Bowen worked tirelessly as both a professional writer and a consummate artist always seeking as she once confessed to find beauty in dark places *Street Urchins, Sociopaths and Degenerates* David Floyd, 2014-02-15 From the notable emergence of orphan figures in late eighteenth century literature through early and middle period Victorian fiction and as this book argues well into the fin de siecle this potent literary type is remarkable for its consistent recurrence and its metamorphosis as a register of cultural conditions The striking ubiquity of orphans in the literature of these periods encourages inquiry into their metaphoric implications and the manner in which they function as barometers of burgeoning social concerns The overwhelming majority of criticism focusing on orphans centres particularly on the form as an early to middle century convention primarily found in social and domestic works in effect the non traditional aberrant at times Gothic orphan of the fin de siecle has been largely overlooked if not denied outright This oversight has given rise to the need for a study of this potent cultural figure as it pertains to preoccupations characteristic of more recent instances This book examines the noticeable difference between orphans of genre fiction of the fin de siecle and their predecessors in works including first wave Gothic and the majority of Victorian fiction and the variance of their symbolic references and cultural implications *Science Fiction and Fantasy Reference Index, 1985-1991* Halbert W. Hall, 1993 [The Mammoth Book of Best New Horror 16](#) Stephen Jones, 2012-03-01 The latest edition of the world s foremost annual showcase of horror and dark fantasy fiction Here are some of the very best short stories and novellas by today s finest exponents of horror fiction including Kim Newman Neil Gaiman China Mi ville Paul McAuley Glen Hirshberg Ramsey Campbell and Tanith Lee The Mammoth Book of Best New Horror 16 also contains the most comprehensive overview

of horror around the world during the year lists of useful contact addresses and a fascinating necrology It is the one book that is required reading for every fan of macabre fiction **Horror Literature from Gothic to Post-Modern** Michele Brittany, Nicholas Diak, 2020-03-02 From shambling zombies to Gothic ghosts horror has entertained thrill seeking readers for centuries A versatile literary genre it offers commentary on societal issues fresh insight into the everyday and moral tales disguised in haunting tropes and grotesque acts with many stories worthy of critical appraisal This collection of new essays takes in a range of topics focusing on historic works such as Ann Radcliffe s *Gaston de Blondville* 1826 and modern novels including Max Brooks *World War Z* Other contributions examine weird fiction Stephen King Richard Laymon Indigenous Australian monster mythology and horror in picture books for young children *Future natural* Jon Bird, Barry Curtis, Melinda Mash, Tim Putnam, George Robertson, Lisa Tickner, 1996-03-21 Brings together leading theorists of culture and science to discuss the concept of nature Recent developments in biotechnologies electronic media and ecological politics are discussed *The White People and Other Weird Stories* Arthur Machen, 2011-09-27 Classic tales of the fantastic creepy and weird with a foreword from the award winning director of *The Shape of Water* Guillermo Del Toro Machen s weird tales of the creepy and fantastic finally come to Penguin Classics With an introduction from S T Joshi editor of *American Supernatural Tales* *The White People and Other Weird Stories* is the perfect introduction to the father of weird fiction The title story *The White People* is an exercise in the bizarre leaving the reader disoriented and on edge From the first page Machen turns even fundamental truths upside down as his character Ambrose explains there have been those who have sounded the very depths of sin who all their lives have never done an ill deed setting the stage for a tale entirely without logic For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators *Horror Literature through History* Matt Cardin, 2017-09-21 This two volume set offers comprehensive coverage of horror literature that spans its deep history dominant themes significant works and major authors such as Stephen King Edgar Allan Poe and Anne Rice as well as lesser known horror writers Many of today s horror story fans who appreciate horror through movies television video games graphic novels and other forms probably don t realize that horror literature is not only one of the most popular types of literature but one of the oldest People have always been mesmerized by stories that speak to their deepest fears *Horror Literature through History* shows 21st century horror fans the literary sources of their favorite entertainment and the rich intrinsic value of horror literature in its own right Through profiles of major authors critical analyses of important works and overview essays focused on horror during particular periods as well as on related issues such as religion apocalypticism social criticism and gender readers will discover the fascinating early roots and evolution of horror writings

as well as the reciprocal influence of horror literature and horror cinema This unique two volume reference set provides wide coverage that is current and compelling to modern readers who are of course also eager consumers of entertainment In the first section overview essays on horror during different historical periods situate works of horror literature within the social cultural historical and intellectual currents of their respective eras creating a seamless narrative of the genre s evolution from ancient times to the present The second section demonstrates how otherwise unrelated works of horror have influenced each other how horror subgenres have evolved and how a broad range of topics within horror such as ghosts vampires religion and gender roles have been handled across time The set also provides alphabetically arranged reference entries on authors works and specialized topics that enable readers to zero in on information and concepts presented in the other sections

Fantasy and Horror Neil Barron,1999-06-17 More than 2 300 works of fiction and poetry are discussed each cross referenced to other works with similar or contrasting themes Winners and nominees for major awards are identified Books that are part of a series are flagged with a complete list of books in series included in a final chapter along with a comprehensive list of awards of translations and of young adult and children s books *The Vampire in Folklore, History, Literature, Film and Television* ,2015-09-18 This comprehensive bibliography covers writings about vampires and related creatures from the 19th century to the present More than 6 000 entries document the vampire s penetration of Western culture from scholarly discourse to popular culture politics and cook books Sections by topic list works covering various aspects including general sources folklore and history vampires in literature music and art metaphorical vampires and the contemporary vampire community Vampires from film and television from Bela Lugosi s Dracula to Buffy the Vampire Slayer True Blood and the Twilight Saga are well represented **British Short-fiction Writers, 1880-1914** William F.

Encyclopedia of British Writers Christine L. Krueger,2014-07 This concise encyclopedic reference profiles more than 800 British poets *Medieval Studies and the Ghost Stories of M. R. James* Patrick J. Murphy,2017-02-28 Montague Rhodes James authored some of the most highly regarded ghost stories of all time classics such as Oh Whistle and I ll Come to You My Lad that have been adapted many times over for radio and television and have never gone out of print But while James is best known as a fiction writer and storyteller he was also a provost of King s College Cambridge and Eton College and a legendary and influential scholar whose pioneering work in the study of biblical texts and medieval manuscripts art and architecture is still relevant today In *Medieval Studies and the Ghost Stories of M R James* Patrick J Murphy argues that

these twin careers are inextricably linked James's research not only informed his fiction but also reflected his anxieties about the nature of academic life and explored the delicate divide between professional university men and erratic hobbyists or antiquaries Murphy shows how detailed attention to the scholarly inspirations behind James's fiction provides considerable insight into a formative moment in medieval studies as well as into James's methods as a master stylist of understated horror During his life James often claimed that his stories were mere entertainments pleasing distractions from a life largely defined by academic discipline and restraint and readers over the years have been content to take him at his word This intriguing volume however convincingly proves otherwise *Studies in Short Fiction* ,1991 That Other World Princess Grace Irish Library. International Conference,1998 The traditional folklore tales of Ireland involving the supernatural and the fantastic have had a profound influence on the shaping of the country and on Irish literature No other country has produced so many famous authors whose work has reflected those influences These themes were the subject of a symposium held in May 1998 at the Princess Grace Irish Library The papers from this symposium are published in these two volumes **Science Fiction and Fantasy Literature, 1975-1991** R. Reginald,Mary Wickizer Burgess,Daryl Furumi Mallett,1992 Science fiction constitutes one of the largest and most widely read genres in literature and this reference provides bibliographical data on some 20 000 science fiction fantasy and horror fiction books as well as nonfiction monographs about the literature A companion to Reginald's Science Fiction and Fantasy Literature 1700 1974 Gale 1979 the present volume is alphabetically arranged by approximately 10 000 author names The entry for each individual work includes title publisher date and place published number of pages hardbound or paperback format and type of book novel anthology etc Where appropriate entries also provide translation notes series information pseudonyms and remarks on special features such as celebrity introductions Includes indexes of titles series awards and doubles for locating volumes containing two novels Annotation copyright by Book News Inc Portland OR
