No Darkness at All Michael Maffucci, 2021-05-03 One of the most difficult things to understand about the Bible is why God seems so different in the Old testament than He does in the New Testament There are places in the Old Testament where God says I kill and I destroy There are many places where God appears to be very harsh when He deals with people For example Uzzah died on the spot when he reached out his hand to touch the ark of God The author is of the conviction that God is good all the time and is never the cause of death destruction or sickness of any kind The author also believes that the Bible is the inerrant word of God Because of his dilemma in trying to justify these two opposite paradigms he has done this detailed study on this subject because he believes the Bible cannot contradict itself Many have blamed God for their afflictions or at the very least they have accepted their problems as God s will for their life If you believe that God is doing something evil to you to teach you a lesson or to develop your faith how can you have faith to be healed or to be delivered from any difficulty Reading this book will help you see that God is good all the time and can do No Darkness At All 1 John 1 5 Careful grammatical research is done in this book that will give you evidence to the face that there is a great difference between what God causes and what God permits Each chapter in this work builds upon this evidence and will increase your faith in the goodness of God 2

Two Paradigms for Divine Healing Pavel Hejzlar, 2009-11-23 The doctrine and practice of healing through faith has been a hallmark of Pentecostalism since its inception and helps to account for the widespread appeal of the movement While divine healing as it is called by insiders has brought hope to the sick it has also been a source of disenchantment and controversy The present study offers a close look at the teaching of four major ministers of healing in the twentieth century United States The author distinguishes between the healing evangelists and pastoral ministers of healing who react to them This book discusses in detail the merits of both schools and the author proposes a solution to the problems inherent in the two paradigms under scrutiny

Christianity in Crisis Hank Hanegraaff, 2012-06-18. Nearly two decades ago, Hank Hanegraaff's award-winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith. But in the 21st century, there are new dangers: new teachers who threaten to do more damage than the last. These are not obscure teachers that Hanegraaff unmasks. We know their names. We have seen their faces, sat in their churches, and heard them shamelessly preach and promote the false pretexts of a "give to get" gospel. They are virtual rock stars who command the attention of presidential candidates and media moguls. Through make-believe miracles, urban legends, counterfeit Christs, and twisted theological reasoning, they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe. God cannot do anything in this earthly realm unless we give Him permission. Keep saying, "I have equality with God," talk yourself into it. Being poor is a sin. The Jews were not rejecting Jesus as Messiah; it was Jesus who was refusing to be the Messiah to the Jews. You create your own world the same way God creates His. He speaks and things happen; you speak and they happen. *Christianity in Crisis 21st Century* exposes darkness to light, pointing us back to a Christianity centered in Christ. From the Preface: Having lost the ability to think biblically, postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators. Pop culture beckons, and postmodern Christians have taken the bait. As a result, the biblical model of faith has given way to an increasingly bizarre array of fads and formulas.
