people the cards somehow strike universal chords that can resonate through popular culture in the contexts of art television movies even comic books The symbolism within the cards and the cards as symbols themselves make Tarot an excellent device for the media of popular culture in numerous ways They make horror movies scarier They make paintings more provocative They provide illustrative structure to comics and can establish the traits of television characters The Cards The Evolution and Power of Tarot begins with an extensive review of the history of Tarot from its roots as a game to its supposed connection to ancient Egyptian magic through its place in secret societies and to its current use in meditation and psychology This section ends with an examination of the people who make up today s Tarot community Then specific areas of popular culture art television movies and comics are each given a chapter in which to survey the use of Tarot In this section author Patrick Maille analyzes such works as Deadpool Books of Magic by Neil Gaiman Disney s Haunted Mansion Sherlock Holmes Game of Shadows The Andy Griffith Show Buffy the Vampire Slayer and King of the Hill The cards are evocative images in their own right but the mystical fascination they inspire makes them a fantastic tool to be used in our favorite shows and stories
