Seventy-five Years in California William Heath Davis, 1929 William Heath Davis 1822 1909 was the son of a Boston ship captain engaged in the Hawaiian trade and a Polynesian mother He visited California twice on trading voyages before setting up business there in 1838 In 1845 he settled permanently in San Francisco becoming one of the city's leading merchants His marriage to Mar a de Jesus Estudillo tied him to the Hispanic community in his adopted region Seventy five years in California 1929 is an expansion of Sixty years in California a book Davis published in 1889 It is a history of California as well as the author's memoirs of his life through the mid 1850s with an emphasis on the transformation of Yerba Buena to San Francisco the Gold Rush and the imposition of United States power in California **Annual Report of the President of the University for the Year Ending ...** Stanford University, 1929 **AMERICAN ARCHAEOLOGY AND ETHOLOGY VOLUME XXIII 1926-1928**, 1926 Seventy-five Years of Fire Insurance Springfield Fire and Marine Insurance Company, 1924 **Mark Twain's Letters, Volume 4** Mark Twain, 1988 You ought to see Livy me now a days you never saw such a serenely satisfied couple of doves in all your life I spent Jan 1 2 3 5 there left at 8 last night With my vile temper variable moods it seems an incomprehensible miracle that we two have been right together in the same house half the time for a year a half yet have never had a cross word or a lover's tiff or a pouting spell or a misunderstanding or the faintest shadow of a jealous suspicion Now isn't that absolutely wonderful Could I have had such an experience with any other girl on earth I am perfectly certain I could not We are to be married on Feb 2d So begins Volume 4 of the letters with Samuel Clemens anticipating his wedding to Olivia L Langdon The 338 letters in this volume document the first two years of a loving marriage that would last more than thirty years They recount in Clemens's own inimitable voice a tumultuous time a growing international fame the birth of a sickly first child and the near fatal illness of his wife At the beginning of 1870 fresh from the success of *The Innocents Abroad* Clemens is on the long agony of a lecture tour and planning to settle in Buffalo as editor of the *Express* By the end of 1871 he has moved to Hartford and is again on tour anticipating the publication of *Roughing It* and the birth of his second child The intervening letters show Clemens bursting with literary ideas business schemes and inventions and they show him erupting with frustration anger and grief but more often with dazzling humor and surprising self revelation In addition to *Roughing It* Clemens wrote some enduringly popular short pieces during this period but he saved some of his best writing for private letters many of which are published here for the first time *Man-Hunters of the Old West, Volume 2* Robert K. DeArment, 2018-02-15 Until the early twentieth century life in the American West could be rough and sometimes vicious Those who brought thieves and murderers to justice at times had to employ tactics as ruthless as their prey In this follow up to his first collection of biographies of the West's most recognized man hunters noted western historian Robert K DeArment recounts the remarkable careers of eight men Pat Garrett John Hughes Harry Love Harry Morse Frank Norfleet Bass Reeves Granville Stuart and Tom Tobin who pursued notorious criminals Volume 2 of *Man*

Hunters of the Old West shows that limited resources and dire conditions often made extralegal violence necessary for survival Harry Love the famous killer of California bandito Joaquin Murrieta and Tom Tobin who ended the murders of the Espinosa gang in Colorado tracked their quarries to remote hideouts shot them and cut off their heads to prove they had been eliminated Felon trackers like the vigilante organizations that preceded them on occasion administered summary justice the on the spot hanging of their captured prey especially if they believed the established court system was not working Some of the man hunters in DeArment s accounts were freelance scouts and trackers others were career officers of the law At least one Frank Norfleet was a private citizen turned dedicated nemesis of con artists Love Stuart and Morse began life as easterners who made their way West All the others were midwesterners or far westerners Some of these man hunters wrote about their adventures and were written about in turn Garrett s account of his hunt for Billy the Kid remains a best seller for example and both Reeves and Hughes have been credited for inspiring the Lone Ranger of TV and movie fame DeArment discusses constant threats to the man hunters survival the federal government s undependable presence and extralegal violence as major themes in western law enforcement In recounting these eight men s adventures this volume reveals the forces that made brutality seem commonplace Ugarit at Seventy-Five K. Lawson Younger,2007 In the spring of 1928 a Syrian farmer was plowing on the Mediterranean coast near a bay called Minet el Beida His plow ran into a stone just beneath the surface When he examined the obstruction he found a large man made flagstone that led into a tomb in which he found some valuable objects that he sold to a dealer Little did he know what he had discovered In April of 1929 C F A Schaeffer began excavation of the tombs but a month later he moved to the nearby tell of Ras Shamra On the afternoon of May 14 the first inscribed clay tablet came to light thus the beginnings of the study of Ugarit and the Ugaritic language Seventy five years have passed and the impact of this extraordinary discovery is still being felt Its impact on biblical studies perhaps has no equal In February 2005 some of the preeminent Ugaritologists of the present generation gathered at the Midwest Regional meetings of the American Oriental Society to commemorate these 75 years by reading the papers that are now published in this volume The first five essays deal with the Ugaritic texts while the last three deal with archaeological or historical issues University Bulletin University of California, Berkeley,1955 Hawaiian National Bibliography, 1780-1900 David W. Forbes,2003-02-28 The fourth and final volume of the Hawaiian National Bibliography 1780 1900 records the most volatile period in Hawaii s history American business interests and the desire for a constitutional monarchy were pitted against the desire of the monarchs King Kal kaua and Queen Liliuokalani to strengthen the power of the throne The convulsions of the 1887 and 1889 revolutions were succeeded by the overthrow of the monarchy on January 17 1893 Documents revealing the struggle over annexation beginning in 1893 and the counterrevolution of 1895 are an important component of this volume Annexation in 1898 was followed by a two year period during which functions of government and laws were altered to conform to those of the United States After the organic act became effective in 1900 vestiges of

monarchical Hawaii disappeared and the history of the Territory of Hawaii unfolded As with the previous volumes Volume 4 is a record of printed works touching on some aspect of the political religious cultural or social history of the Hawaiian Islands A valuable component of this series is the inclusion of newspaper and periodical accounts and single sheet publications such as broadsides circulars playbills and handbills Entries are extensively annotated and also provided for each are exact title date of publication size of volume collation of pages number and type of plates and maps references and location of copies
