Severiano Ballesteros:

Seve Alistair Tait, 2012-05-31 Seve is the most extrovert player Europe has ever produced Playboy good looks along with a magnetism that attracted non golfers to the game made him the biggest drawing card Europe has ever had He emerged on the world scene with typical Ian hitting one of the most outrageous shots ever seen at the 1976 Open Championship Three years later he became the youngest Open Champion of the modern era when he won the first of his five major championships Ballesteros started Europe's domination of the Majors throughout the 80s and 90s paving the way for Nick Faldo Bernhard Langer Ian Woosnam Sandy Lyle and Jose Maria Olazabal His play in the Ryder Cup fuelled by an intense dislike for Americans helped restore Europe's pride in the event Driven by Basque pride and with a fiery Latin temperament Seve has often let his heart rule his head Seve is the remarkable story of one of the game's most fascinating characters **Seve** Ballesteros, 2007 There are golfers and there are golfers And then there's Seve Severiano Ballesteros is perhaps the most naturally gifted golfer ever to have walked a fairway From the moment his brother Manuel gave him his first club a 3 iron he was unstoppable he played shots others could only dream of A few weeks before his seventeenth birthday he turned pro Five years later he won the Open A year after that he became the first European ever to win the Masters A genius had arrived For the best part of two decades Seve dominated the golfing landscape With 94 wins to date as a professional including 5 Majors 6 European Order of Merit titles and the No 1 position in the Official World Golf Rankings he became a sporting phenomenon an athlete who transcended and still transcends his sport But Seve stands for more than simple excellence Almost single handedly Seve gave European golf credibility almost single handedly he made the Ryder Cup one of the greatest contests in world sport And when as captain he finally lifted the trophy on home soil in 1997 a whole continent rejoiced His pride and passion have inspired millions and we have taken him to our hearts Now for the first time Seve tells his story From his humble beginnings right up to the present day here at last is the man behind the magic in his own words Like its author SEVE is utterly entertaining blazingly charismatic and unique and like its author it wears its heart on its sleeve But SEVE is more than Seve the golfing magician Seve the proud family man and Seve the fierce patriot It is simply Seve **Severiano Ballesteros** David Cannon, 1986-01-01 **The Captain Myth** Richard Gillis, 2016-08-25 The War on the Shore the Battle of Brookline the Miracle of Medinah the Ryder Cup is golf's and arguably one of international sport's most intense high profile tournaments Two teams tussle through 28 matches over three days for no prize money but enormous national pride And purportedly in charge of those two teams are the captains whose reputations are shaped forever by their players results out on the course Justin Rose's unlikely 35 foot on the 17th green at Medinah Country Club set up Europe's triumph and one of modern sport's most remarkable turnarounds in the 2012 Ryder Cup It also established Davis Love II as a bad captain and saw Jose Maria Olazabal feted for a series of leadership masterstrokes In reality neither captain had much to do with that putt being sunk Yet the pressure remains on the captains to lead their team to victory As

each Cup passes more theories are put forward about how to win Some of these combine traditional golfing nous with cutting edge sports psychology Others are red herrings that have led captains down any number of blind alleys So what can a captain do to win the Ryder Cup Using exclusive interviews and saturation reporting Gillis shows how strategy has evolved since the very first match in 1927 exploring the enduring and often surprising role played by some of the game's greatest stars including Walter Hagen Arnold Palmer Jack Nicklaus Tony Jacklin Seve Ballesteros and Paul Azinger **The Captain Myth** uses golf's greatest event to examine some fundamental questions about leadership teams and motivation **Latino**

Ever wonder whether Tiger Woods in his prime would have beaten Bobby Jones Ben Hogan or Jack Nicklaus in their primes And could any of them have beaten Babe Zaharias Obviously if Bobby Jones were returned to life and health and then given his old hickory shafted mashie persimmon headed driver and rubber core ball in a match against Jordan Spieth the outcome would be foreordained But what if the impact of the training equipment courses and traveling conditions could be neutralized in order to create a measurement Now for the first time questions are answered about the relative abilities of the greatest players in the history of professional golf In The Hole Truth Bill Felber provides a relativistic approach for evaluating and comparing the performance of golfers while acknowledging the game s changing nature The Hole Truth analyzes the performances of players relative to their peers creating an index of exceptionality that automatically factors the changing nature of the game through time That index is based on the standard deviation of the performances of players in golf s recognized major championships dating back to 1860 More than two hundred players are rated in comparison with one another more than sixty of them in detail with profiles providing context on their ranking For the dedicated golf fan The Hole Truth is an engaging way to see in the numbers where their favorite golfers rank across eras and where current players like
