Severnye Rabkazy:

Red Arctic John McCannon, 1998-04-09 A work of refreshing originality and vivid appeal *Red Arctic* tells the story of Stalinist Russia's massive campaign to explore and develop its Northern territories during the 1930s Author John McCannon recounts the dramatic stories of the polar expeditions conducted by foot ship and plane that were the pride of Stalinist Russia in order to expose the reality behind them chaotic blunders bureaucratic competition and the eventual rise of the Gulag as the dominant force in the North *Red Arctic* also traces the development of the polar based popular culture of the decade making use of memoirs films radio broadcasts children's books and cultural ephemera ranging from placards to postage stamps to show how Russia's Arctic Myth became an integral part of the overall socialist realist aesthetic that animated Stalinist culture throughout the 1930s

Arctic Mirrors Yuri Slezkine, 2016-11-01 For over five hundred years the Russians wondered what kind of people their Arctic and sub Arctic subjects were They have mouths between their shoulders and eyes in their chests reported a fifteenth century tale They rove around live of their own free will and beat the Russian people complained a seventeenth century Cossack Their actions are exceedingly rude They do not take off their hats and do not bow to each other huffed an eighteenth century scholar They are children of nature and guardians of ecological balance rhapsodized early nineteenth century and late twentieth century romantics Even the Bolsheviks who categorized the circumpolar foragers as authentic proletarians were repeatedly puzzled by the peoples from the late Neolithic period who by virtue of their extreme backwardness cannot keep up either economically or culturally with the furious speed of the emerging socialist society Whether described as brutes aliens or endangered indigenous populations the so called small peoples of the north have consistently remained a point of contrast for speculations on Russian identity and a convenient testing ground for policies and images that grew out of these speculations In *Arctic Mirrors* a vividly rendered history of circumpolar peoples in the Russian empire and the Russian mind Yuri Slezkine offers the first in depth interpretation of this relationship No other book in any language links the history of a colonized non Russian people to the full sweep of Russian intellectual and cultural history Enhancing his account with vintage prints and photographs Slezkine reenacts the procession of Russian fur traders missionaries tsarist bureaucrats radical intellectuals professional ethnographers and commissars who struggled to reform and conceptualize this most alien of their subject populations Slezkine reconstructs from a vast range of sources the successive official policies and prevailing attitudes toward the northern peoples interweaving the resonant narratives of Russian and indigenous contemporaries with the extravagant images of popular Russian fiction As he examines the many ironies and ambivalences involved in successive Russian attempts to overcome northern and hence their own otherness Slezkine explores the wider issues of ethnic identity cultural change nationalist rhetoric and not so European colonialism

Russian Prose Writers After World War II Christine Rydel, 2005 Whether the writers in this period described the war the Great Terror the gulag experience exile repression or simply everyday life in the city or in the country they generally

turned to a major theme of Russian literature since the Revolution the fate of the individual human being in a mass state In the literature often the state won due to its power at other times individuals triumphed because of their moral convictions The same can be said of these writers Widener Library Shelflist: Slavic history and literatures Harvard University.
