Sevilla in Focus Juan Agustín Núñez Guardede,2001-07 **Maritime History as Global History** Maria Fusaro,Amélia Polónia,2017-10-18 This study aims to provide new insights into the connections between maritime history and global history It demonstrates the significance of maritime activity as a conduit of global exchange by examining local national and international interdependencies and trade networks and a broad range of time periods geographical areas and various sub divisions of maritime historical research It is composed of ten essays with an introductory chapter and concluding chapter The first five essays discuss the effects globalisation on shipping in the early modern period the following three discuss maritime transportation and the economics of industrialisation from the nineteenth century to the present day the next discusses the impact of global entrepreneurialism on maritime history the penultimate discusses the connections and variables between maritime and global history and the concluding chapter examines the theoretical assumptions surrounding the two disciplines using the globalisation of Early Modern Spain as a case study to do so The study demonstrates that the core strength of maritime history is its essential place in global history and that the process of globalisation began at sea

Juan de Pareja: Afro-Hispanic Painter in the Age of Velázquez David Pullins, Vanessa K. Valdés, 2023-04-03 Diego Velázquez's portrait of Juan de Pareja ca 1608-1670 has long been a landmark of European art but this provocative study focuses on its subject an enslaved man who went on to build his own successful career as an artist This catalogue the first scholarly monograph on Pareja discusses the painter's ties to the Madrid School of the 1660s and revises our understanding of artistic production during Spain's Golden Age with a focus on enslaved artists and artisans The authors illuminate the highly skilled labor within Seville's multiracial society the role of Black saints and confraternities in the promotion of Catholicism among enslaved populations and early twentieth century scholar Arturo Schomburg's project to recover Pareja's legacy The book also includes the first illustrated and annotated list of known works attributed to Pareja **The Influence of Italian Culture on the Sevillian Golden Age of Painting** Rafael Japón, 2022-03-20 This book explores the cultural exchange between Italy and Spain in the seventeenth century examining Spanish collectors' predilection for Italian painting and its influence on Spanish painters Focused on collecting and using a novel methodology this volume studies how the painters of the Sevillian school including Francisco Pacheco Diego Velázquez Alonso Cano and Bartolomé Esteban Murillo perceived and were influenced by Italian painting Through many examples it is shown how the presence in Andalusia of various works and copies of works by artists such as Michelangelo Caravaggio and Guido Reni inspired famous compositions by these Spanish artists In addition the book delves into the historical political and social context of this period The book will be of interest to scholars working in art history Renaissance studies and Italian and Spanish history **Challenging Austerity** Beltrán Roca, Emma Martín-Díaz, Ibán Díaz-Parra, 2017-11-22 This book analyses social movements and radical political parties' strategies in Spain Greece Portugal and Italy from 2008 to today Events in 2011 such as the Arab Spring and

the indignados movement in Spain initiated a new cycle of social protest This book explores how the economic crisis and policies of austerity have transformed and continue to transform social movements trade unions and radical political parties in Southern Europe The economic crisis has led to a rise in protest movements which confront political institutions and conventional forms of democracy and develop new spatial and organisational strategies This book examines these cases in addition to those groups who contrastingly have used institutional politics to achieve their aims such as new political parties like Podemos in Spain or Movimento 5 Stelle in Italy Analysing the extent to which there has been a change in approach when it comes to contesting neo liberal capitalism this book makes an important contribution to the study of social movements and radical politics With a comparative perspective and an emphasis on studying the largely unexplored recent social and political dynamics in the European periphery this book is essential reading for students scholars and activists interested in social movements radical politics and European politics more generally

The Best of All Possible Islands Richard Maddox,2012-02-01 The 1992 world s fair in Seville serves as a vantage point from which to examine Spain s developing democracy and Europe s emerging unification according to Richard Maddox in *The Best of All Possible Islands* Visited by over fourteen million people the Seville Expo drew the participation of more than one hundred countries and dozens of corporations As part of Spain s miraculous year in which Barcelona hosted the summer Olympics and Madrid was designated the Cultural Capital of Europe the Expo advanced a remarkably optimistic cosmopolitan and liberal vision of the past present and future of the new Spain and the new Europe Yet no aspect of this vision went unchallenged and the Expo was at the center of fierce political rivalries and dramatic manifestations of popular discontent In an engaging and accessible narrative Richard Maddox demonstrates how visitors and local residents understood the significance of the event in ways that largely escaped the knowledge and control of the Expo s organizers Understanding how and why this occurred casts critical light on the transformation of Spain since the end of the Franco dictatorship in 1976 and illuminates some of the key cultural and political dilemmas that processes of European and global integration pose for citizens of democratic societies

Urban Policy in the Framework of the 2030 Agenda María Ángeles Huete García,Adrián Rodríguez Miranda,Vicente Ugalde,Rafael Merinero Rodríguez,2023-08-30 The book provides comparative information about the materialization of the 2030 Agenda in urban policy in ten countries located in Europe and Latin America The Declaration of Quito is the starting point for the implementation of SDGs into public policies in urban areas However there are fewer efforts to understand the impact that the 2030 Agenda and specifically the instruments developed for its application in cities The information of each country is presented in relation to two aspects the construction of a public policy style in each country and the results and impacts on urban public policies implemented in specific cities within the national frameworks The first means the emergence of a public policy framework and its materialization in public policy instruments In this regard the book raises the following questions To what extent have the SDGs come to generate a common framework for cities in the countries And how Urban SDGs are translated to national urban policies The second

results and impacts at the local level is related to two aspects a substantive the goals of the policy and b procedural management aspects related to the policy design governance and institutional capacity building

Seville In Focus Introduction

In the digital age, access to information has become easier than ever before. The ability to download Seville In Focus has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Seville In Focus has opened up a world of possibilities. Downloading Seville In Focus provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Seville In Focus has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Seville In Focus. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Seville In Focus. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Seville In Focus, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software

installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Seville In Focus has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
