Campbell, 2022-12-22 Justice for conflict related sexual violence remains a critical problem for global society today This ground breaking book addresses pressing questions for international justice what do existing approaches to international justice offer to victims of war and societies in conflict And what possibilities do they provide for feminist social transformation The Justice of Humans develops a new feminist approach to international justice Adopting a socio legal perspective it studies two major contemporary examples of legal and feminist approaches to justice the International Criminal Tribunal for the former Yugoslavia and the Women's Court former Yugoslavia focusing on their treatment of sexual violence as a gender based crime Drawing on feminist social theory legal analysis and empirical research the book offers an innovative feminist framework for understanding international justice and offers new theoretical and practical strategies for building feminist justice *Contemporary Feminisms in Social Work Practice* Sarah Wendt, Nicole Moulding, 2016-01-29

Contemporary Feminisms in Social Work Practice explores feminism as core to social work knowledge practice and ethics It demonstrates how gender neutral perspectives and practices obscure gender discourses and power relations It also shows feminist social work practice can transform areas of social work not specifically concerned with gender through its emphasis on relationships and power Within and outside feminism there is a growing assumption that equality has been won and is readily available to all women However women continue to dominate the ranks of the poor in developed and developing countries around the world male perpetrated violence against women and children has not reduced women outnumber men by up to three to one in the diagnosis of common mental health problems and women continue to be severely underrepresented in every realm of power decision making and wealth This worrying context draws attention to the ways

gender relations structure most of the problems faced by the women men and children in the day to day worlds in which social work operates Drawing together key contemporary thinking about feminism and its place in social work this international collection looks at both core curriculum areas taught in social work programs and a wide range of practice fields that involve key challenges and opportunities for future feminist social work This book is suitable for all social work students and academics It examines the nuanced nature of power relationships in the everyday and areas such as working with cross cultural communities mental health interpersonal violence and abuse homelessness child protection ageing disability and sexuality **SCOLAG** ,2004 Consent Alan Reed,Michael Bohlander,Nicola Wake,Emma Smith,2016-10-14 This volume presents a leading contribution to the substantive arena relating to consent in the criminal law In broad terms the ambit of legally valid consent in extant law is contestable and opaque and reveals significant problems in adoption of consistent approaches to doctrinal and theoretical underpinnings of consent This book seeks to provide a logical template to focus the debate The overall concept addresses three specific elements within this arena embracing an overarching synergy between them This edifice engages in an examination of UK provisions with specialist contributions on Irish and Scottish law and in contrasting these provisions against alternative domestic jurisdictions as well as comparative contributions addressing a particularised research grid for consent The comparative chapters provide a wider background of how other legal systems treat a variety of specialised issues relating to consent in the context of the criminal law The debate in relation to consent principles continues for academics practitioners and within the criminal justice system Having expert descriptions of the wider issues surrounding the particular discussion and of other legal systems approaches serves to stimulate and inform that debate This collection will be a major source of reference for future discussion
