Sex In Public The Incarnation Of Early Soviet Ideology:

Sex in Public Eric Naiman, 1999 Using strategies of reading developed by literary scholars he devotes special care to exploring the role of narrative in authoritative political texts The book breaks new ground in its attention to the ideological importance of the female body during this important formative stage of Bolshevik rule *Bolshevik Sexual Forensics* Dan Healey, 2022-11-15 In an effort to modernize criminal and civil investigations early Bolsheviks gave forensic doctors most of whom had been trained under the tsarist regime new authority over issues of sexuality Revolutionaries believed that forensic medicine could provide scientific and objective solutions to sexual disorder in the new society Bolshevik Sexual Forensics explores the institutional history of Russian and Soviet forensic medicine and examines the effects of its authority when confronting sexual disorder Healey compares sex crime investigations from Petrograd and Sverdlovsk in the 1920s to the numerous publications by forensic doctors and psychiatrists of the prerevolutionary and early Soviet periods to illustrate the role that these specialists played In addition Healey presents a fascinating look at how doctors diagnosed and treated hermaphroditism showing how Soviet physicians revolutionized the standard scientific view in these cases by taking into account individual desire This study sheds light on unexplored radical and reactionary forces that shaped the Bolshevik sexual revolution as lawmakers defined new ways of seeing sexual crime and disorder Forensic doctors struggled to interpret the replacement of the age of consent with a standard of sexual maturity a designation that made female sexuality a collective resource not part of an individual's personality Innocence experience and virginity played a major role in the expertise doctors furnished in rape and abuse trials Psychiatrists recoiled from the language of sexual psychology in their investigations of sex criminals Yet in the clinic Soviet physicians probed the desires of the two-sexed citizen whose psychology served as the basis for a distinctly modern approach to the erasure of the hermaphrodite Healey concludes that the vision of men and women as equals after a sexual revolution was undermined from the outset of the Soviet experiment Law and medicine failed to protect women and girls from violence and Soviet medicine's physiological and biological model of sexual citizenship erased the vision of sexual self-expression especially for women This groundbreaking study will appeal to Soviet historians and those interested in gender studies sexuality medicine and forensics **The Feminine in the Prose of Andrey Platonov** Philip Bullock, 2017-12-02 Andrey Platonovich Platonov 1899-1951 is increasingly regarded as one of the greatest writers of the Soviet period His linguistic virtuosity philosophical rigour and political unorthodoxy combined to create some of the most captivatingly absurd works of literature in any language Unsurprisingly many of these remained unpublished in his lifetime and indeed for many years thereafter In this lively and original study Philip Bullock traces the development of feminine imagery in Platonov's prose from the seemingly misogynist outrage of his early works to the tender reconciliation with domesticity in his final stories and argues that gender is a crucial feature of the author's audacious utopian vision *Sexual Liberation, Socialist Style* Kateřina Lišková, 2018-05-03 This is the first account of sexual liberation

in Eastern Europe during the Cold War Kate Iliakova reveals how in the case of Czechoslovakia important aspects of sexuality were already liberated during the 1950s abortion was legalized homosexuality decriminalized the female orgasm came into experts focus and all that was underscored by an emphasis on gender equality However with the coming of Normalization gender discourses reversed and women were to aspire to be caring mothers and docile wives Good sex was to cement a lasting marriage and family In contrast to the usual Western accounts highlighting the importance of social movements to sexual and gender freedom here we discover through the analysis of rich archival sources covering forty years of state socialism in Czechoslovakia how experts including sexologists demographers and psychologists advised the state on population development marriage and the family to shape the most intimate aspects of people's lives **The Oxford**

Handbook of Global Realisms Vaysman, 2025-11-04 Realism is an artistic practice that aims to faithfully represent reality Historically it has been practiced across different media from early pictorial art and epic oral narratives through literature and visual arts to film music and digital media However an understanding of what it means to faithfully represent reality is not universal rather it varies from culture to culture The Oxford Handbook of Global Realisms approaches realism as a transnational transhistorical and intermedial global phenomenon It brings the diversity of global realisms to the fore showcasing previously underrepresented and marginalized theories practices forms and media of realist cultural production

Medical Storyworlds Elena Fratto, 2021-11-02 Though often seen as scientific or objective medicine has a fundamentally narrative aspect Much like how an author constructs meaning around fictional events a doctor or patient narrates the course of an illness and treatment In what ways have literary and medical storytelling intersected with and shaped each other In Medical Storyworlds Elena Fratto examines the relationship between literature and medicine at the turn of the twentieth century a period when novelists were experimenting with narrative form and the modern medical establishment was taking shape She traces how Russian writers such as Dostoevsky Tolstoy and Bulgakov responded to contemporary medical and public health prescriptions placing them in dialogue with French and Italian authors including Romain Rolland and Svevo and such texts as treatises by Paul Broca and Cesare Lombroso In nuanced readings of these works Fratto reveals how authors and characters question the rhetoric and authority of medicine and public health in telling stories of mortality illness and well being In so doing she argues they provide alternative ways of thinking about the limits and possibilities of human agency and free will Bridging the medical humanities European literary studies and Slavic studies Medical Storyworlds shows how narrative theory and canonical literary texts offer a new lens on today's debates in medical ethics and bioethics

Rethinking the Russian Revolution as Historical Divide Matthias Neumann, Andy Willimott, 2017-11-22 The Russian Revolution of 1917 has often been presented as a complete break with the past with everything which had gone before swept away and all aspects of politics economy and society reformed and made new Recently however historians have increasingly come to question this view discovering that Tsarist Russia was much more entangled in the processes of modernisation and

that the new regime contained much more continuity than has previously been acknowledged This book presents new research findings on a range of different aspects of Russian society both showing how there was much change before 1917 and much continuity afterwards and also going beyond this to show that the new Soviet regime established in the 1920s with its vision of the New Soviet Person was in fact based on a complicated mixture of new Soviet thinking and ideas developed before 1917 by a variety of non Bolshevik movements *Russian Style* Julie A. Cassiday,2023-12-19 In the two decades after the turn of the millennium Vladimir Putin's control over Russian politics and society grew at a steady pace As the West liberalized its stance on sexuality and gender Putin's Russia moved in the opposite direction remolding the performance of Russian citizenship according to a neoconservative agenda characterized by increasingly exaggerated gender roles By connecting gendered and sexualized citizenship to developments in Russian popular culture Julie A Cassiday argues that heteronormativity and homophobia became a kind of politicized style under Putin's leadership However while the multiple modes of gender performativity generated in Russian popular culture between 2000 and 2010 supported Putin's neoconservative agenda they also helped citizens resist and protest the state's mandate of heteronormativity Examining everything from memes to the Eurovision Song Contest and self help literature Cassiday untangles the discourse of gender to argue that drag or travesti became the performative trope par excellence in Putin's Russia Provocatively Cassiday further argues that the exaggerated expressions of gender demanded by Putin's regime are best understood as a form of cisgender drag This smart and lively study provides critical nuanced analysis of the relationship between popular culture and politics in Russia during Putin's first two decades in power **Homosexual Desire in Revolutionary Russia** Dan Healey,2012-04-26 The first full length study of same sex love in any period of Russian or Soviet history *Homosexual Desire in Revolutionary Russia* investigates the private worlds of sexual dissidents during the pivotal decades before and after the 1917 Bolshevik Revolution Using records and archives available to researchers only since the fall of Communism Dan Healey revisits the rich homosexual subcultures of St Petersburg and Moscow illustrating the ambiguous attitude of the late Tsarist regime and revolutionary rulers toward gay men and lesbians *Homosexual Desire in Revolutionary Russia* reveals a world of ordinary Russians who lived extraordinary lives and records the voices of a long silenced minority *Stalinist Society* Mark Edele,2011-02-17 *Stalinist Society* offers a fresh analytical overview of the complex social formation ruled over by Stalin and his henchmen from the late 1920s to the early 1950s Drawing on declassified archival materials interviews with former Soviet citizens old and new memoirs and personal diaries as well as the best of sixty years of scholarship this book offers a non reductionist account of social upheaval and social cohesion in a society marred by violence Combining the perspectives from above and from below the book integrates recent writing on everyday life culture and entertainment ideology and politics terror and welfare consumption and economics Utilizing the latest archival research on the evolution of Soviet society during and after World War II this study also integrates the entire history of Stalinism from the late 1920s to the dictator's

death in 1953 Breaking radically with current scholarly consensus Mark Edele shows that it was not ideology terror or state control which held this society together but the harsh realities of making a living in a chaotic economy which the rulers claimed to plan and control but which in fact they could only manage haphazardly *LGBT Populations and Cancer in the Global Context* Ulrike Boehmer, Gabriele Dennert, 2022-08-21 Lesbian Gay Bisexual and Transgender LGBT also known as sexual and gender minority SGM populations have been the focus of global attention Most importantly LGBT populations have been addressed in the context of human rights in multiple reports and other activities by the United Nations and other international organizations There is great variation among countries in the recognition of LGBT individuals human rights A global focus on LGBT populations health is still limited with the notable exception of HIV research This book on LGBT populations and cancer in the global context is therefore an important step in that it will broaden the focus on LGBT populations health Globally cancer is the second leading cause of death Cancer morbidity and mortality are increasing disproportionately among populations in lower income countries A review conducted by the World Health Organization WHO found that of the 82% of member states 158 countries only 35% of the national cancer control plans addresses vulnerable population including LGBT populations These findings reflect an increasing awareness about equity when addressing cancer prevention and control including LGBT populations This book addresses LGBT populations cancer burden across countries that range from high to low income countries to support efforts in diverse countries that are working towards reducing LGBT populations cancer burden It documents place specific challenges that impede progress towards reducing the LGBT cancer burden as well as critically assesses the variation in cancer control efforts that target LGBT populations and cancer to support progress at a global scale This book includes six sections that cover the six WHO regions with each chapter written by an author from the specific region s he is covering Each chapter makes use of a template that contextualizes the region local data collection availability risk factors cancer prevention detection diagnosis treatment and survivorship *Modernism in Kyiv* Irene Rima Makaryk, Virlana Tkacz, 2010-01-01 Modernism in Kyiv restores the multicultural city of Kyiv to its rightful position as a major player in the dialogue and cross pollination of ideas occurring between important modernist figures in centres such as Paris New York London and Vienna Engaging and highly readable this collection is impressive in its scope depth and breadth The study of modernism has been largely focused on Western cultural centres such as Paris Vienna London and New York Extravagantly illustrated with over 300 photos and reproductions Modernism in Kyiv demonstrates that the Ukrainian capital was a major centre of performing and visual arts as well as literary and cultural activity While arguing that Kyiv s modernist impulse is most prominently displayed in the experimental work of Les Kurbas one of the masters of the early Soviet stage the contributors also examine the history of the city and the artistic production of diverse groups including Ukrainians Russians Jews and Poles Until now a silent presence in Western accounts of the cultural topography of modernism multicultural Kyiv is here revealed in its historical intellectual and artistic complexity Excerpts

taken from the works of artists writers and critics as well as the numerous illustrations help give life to the exciting creativity of this period The first book length examination of this subject Modernism in Kyiv is a breakthrough accomplishment that will become a standard volume in the field

Popular Opinion in Totalitarian Regimes Paul Corner,2009-10 A team of internationally acknowledged experts examines the question of popular opinion in totalitarian regimes looking at the ways in which ordinary people experienced everyday life in the Soviet Union Nazi Germany and Fascist Italy with consideration also of Poland and East Germany between 1945 and 1989

Men Without Women Eliot Borenstein,2000 An analysis of the construction of masculinity in early Soviet culture that finds in the novels of Babel and others an utopian society composed exclusively of men

Stalinist Values David L. Hoffmann,2018-08-06 Soviet official culture underwent a dramatic shift in the mid 1930s when Stalin and his fellow leaders began to promote conventional norms patriarchal families tsarist heroes and Russian literary classics For Leon Trotsky and many later commentators this apparent embrace of bourgeois values marked a betrayal of the October Revolution and a retreat from socialism In the first book to address these developments fully David L Hoffmann argues that far from reversing direction the Stalinist leadership remained committed to remaking both individuals and society and used selected elements of traditional culture to bolster the socialist order Melding original archival research with new scholarship in the field Hoffmann describes Soviet cultural and behavioral norms in such areas as leisure activities social hygiene family life and sexuality He demonstrates that the Soviet state s campaign to effect social improvement by intervening in the lives of its citizens was not unique but echoed the efforts of other European governments both fascist and liberal in the interwar period Indeed in Europe America and Stalin s Russia governments sought to inculcate many of the same values from order and efficiency to sobriety and literacy For Hoffmann what remains distinctive about the Soviet case is the collectivist orientation of official culture and the degree of coercion the state applied to pursue its goals

Life Has Become More Joyous, Comrades Karen Petrone,2000-11-22 *Life Has Become More Joyous Comrades Celebrations in the Time of Stalin* Karen Petrone A lively investigation of the official and unofficial meanings of Stalinist celebrations An impressive and highly readable book that casts a clear and disturbing light on the relationship of Stalinist mythology state power popular participation and the unending complexities of social and cultural survival mechanisms and daily life Richard Stites In the Soviet Union in the 1930s public celebrations flourished while Stalinist repression intensified What explains this coincidence of terror and celebration Using popular media and drawing extensively on documents from previously inaccessible Soviet archives Karen Petrone demonstrates that to dismiss Soviet celebrations as mere diversion is to lose a valuable opportunity for understanding how the Soviet system operated As the state attempted to mobilize citizens to participate in the project to create New Soviet men and women celebration culture became more than a means to distract a population suffering from poverty and deprivation The planning and execution of celebrations reflected the Soviet intelligentsia s efforts to bring social and cultural enlightenment to the people Physical culture demonstrations celebrations

of Arctic and aviation exploits the Pushkin Centennial of 1937 and the 20th Anniversary of the October Revolution and the celebration of New Year's Day were opportunities for the Soviet leadership to fuse traditional prerevolutionary values and practices with socialist ideology in an effort to educate its citizens and build support for the state and its policies. However, official celebrations were often appropriated by citizens for purposes that were unanticipated and unsanctioned by the state. Through celebrations, Soviet citizens created hybrid identities and defined their places in the emerging Stalinist hierarchy, allowing them to uphold the Soviet order while arrests and executions were rampant. This rich look at celebrations reveals the complex dialogues and negotiations between citizens and leaders in the endeavor to create Soviet culture.

Karen Petrone is Assistant Professor of History at the University of Kentucky. Indiana Michigan Series in Russian and East European Studies. Alexander Rabinowitch and William G. Rosenberg, editors. Contents: Interpreting Soviet Celebrations. Part 1: Soviet Popular Culture and Mass Mobilization. Parading the Nation: Demonstrations and the Construction of Soviet Identities. Imagining the Motherland: The Celebration of Soviet Aviation and Polar Exploits. Fir Trees and Carnivals: The Celebration of Soviet New Year's Day. Part 2: The Intelligentsia and Soviet Enlightenment: A Double-edged Discourse on Freedom. The Pushkin Centennial of 1937. Anniversary of Turmoil: The Twentieth Anniversary of the October Revolution. Celebrating Civic Participation: The Stalin Constitution and Elections as Rituals of Democracy. Celebrations and Power.

Japan's Cold War Ann Sherif, 2009-03-05

Critics and cultural historians take Japan's postwar insularity for granted, rarely acknowledging the role of Cold War concerns in the shaping of Japanese society and culture. Nuclear anxiety, polarized ideologies, gendered tropes of nationhood, and new myths of progress among other developments profoundly transformed Japanese literature, criticism, and art during this era, and fueled the country's desire to recast itself as a democratic nation and culture. By rereading the pivotal events, iconic figures, and crucial texts of Japan's literary and artistic life through the lens of the Cold War, Ann Sherif places this supposedly insular nation at the center of a global battle. Each of her chapters focuses on a major moment, spectacle, or critical debate, highlighting Japan's entanglement with cultural Cold War politics. Film director Kurosawa Akira, atomic bomb writer Hara Tamiki, singer and movie star Ishihara Yujiro, and even Godzilla and the Japanese translation of Lady Chatterley's Lover all reveal the trends and controversies that helped Japan carve out a postwar literary canon, a definition of obscenity, an idea of the artist's function in society, and modern modes of expression and knowledge. Sherif's comparative approach not only recontextualizes seemingly anomalous texts and ideas but binds culture firmly to the domestic and international events that defined the decades following World War II. By integrating the art and criticism of Japan into larger social fabrics, Japan's Cold War offers a truly unique perspective on the critical and creative acts of a country remaking itself in the aftermath of war.

Burnout Hannah Proctor, 2024-04-09 Hannah Proctor takes that feeling we all have and names it again and again, helping us to resee the past and present of revolutionary struggle. A must read. Hannah Zeavin, Founding Editor, Parapraxis. How to maintain hope in the face of despair. In the struggle for a better world, setbacks are inevitable. Defeat can feel

overwhelming at times but it has to be endured How then do the people on the front line keep going To answer that question and to help readers roll with the punches Hannah Proctor draws on historical resources to find out how revolutionaries and activists of the past kept a grip on hope Burnout considers former Communards exiled to a penal colony in the South Pacific a young Bolshevik fleeing the city in despair an ex militant on the analyst s couch relating dreams of ruined landscapes a trade union organiser seeking advice from a spiritual healer and a group of feminists padding a room with mattresses to scream about the patriarchy Jettisoning therapy talk and its stranglehold on our language Proctor offers a different way forward neither denial nor despair Her cogent exploration of the ways militants make sense of their own burnout demonstrates that it is possible to mourn and organise at once and to do both without compromise

[The Human Tradition in Modern Europe, 1750 to the Present](#) Cora Ann Granata, Cheryl A. Koos, 2008 This engaging and humanizing text traces the development of Europe since the mid eighteenth century through the lives of people of the time Capturing key moments themes and events in the continent s turbulent modern past the book explores how ordinary Europeans both shaped their societies and were affected by larger historical processes By focusing on the lives of individual actors both famous and obscure students can gain a sense for how the well known revolutions wars and social transformations of the modern era were experienced in private homes work places political forums and on battlefields throughout the region Fittingly the book opens with the French Revolution and concludes with the fall of the Berlin Wall and the collapse of Eastern European communism Throughout the contributors use compelling biographies to examine many of the major events and developments in European history including the age of reaction and revolutions in the early nineteenth century industrialization Victorianism new imperialism fin de si cle culture the first and second World Wars the Russian Revolution Italian fascism Nazism the Holocaust and decolonization Americanization and the 1968 youth revolts Contributions by Karin Breuer Helen Harden Chenut John Cox Stephen P Frank Cora Granata Maura E Hametz Michael Kilburn Cheryl A Koos Robert A McLain Karen Petrone Paolo Scrivano Alyssa Goldstein Sepinwall Matthew G Stanard Michele M Strong and Patricia Tilburg

Regulating homosexuality in Soviet Russia, 1956–91 Rustam Alexander, 2021-05-25 This ground breaking book challenges the widespread view that sex and homosexuality were unmentionable in the USSR The Khrushchev and Brezhnev eras 1956 82 have remained obscure and unexplored from this perspective Drawing on previously undiscovered sources Alexander fills in this critical gap The book reveals that from 1956 to 1991 doctors educators jurists and police officers discussed homosexuality At the heart of discussions were questions which directly affected the lives of homosexual people in the USSR Was homosexuality a crime disease or a normal variant of human sexuality Should lesbianism be criminalised Could sex education prevent homosexuality What role did the GULAG and prisons play in homosexuality across the USSR These discussions often had practical implications doctors designed and offered medical treatments for homosexuality in hospitals and procedures and medications were also used in prisons

Sex In Public The Incarnation Of Early Soviet Ideology Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sex In Public The Incarnation Of Early Soviet Ideology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sex In Public The Incarnation Of Early Soviet Ideology has opened up a world of possibilities. Downloading Sex In Public The Incarnation Of Early Soviet Ideology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sex In Public The Incarnation Of Early Soviet Ideology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sex In Public The Incarnation Of Early Soviet Ideology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sex In Public The Incarnation Of Early Soviet Ideology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sex In Public The Incarnation Of Early Soviet Ideology, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sex In Public The Incarnation Of Early Soviet Ideology has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sex In Public The Incarnation Of Early Soviet Ideology Books

1. Where can I buy Sex In Public The Incarnation Of Early Soviet Ideology books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Sex In Public The Incarnation Of Early Soviet Ideology book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Sex In Public The Incarnation Of Early Soviet Ideology books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Sex In Public The Incarnation Of Early Soviet Ideology audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Sex In Public The Incarnation Of Early Soviet Ideology books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
